Presents selected portraits, self-portraits, still lifes, and landscapes by the Dutch artist, with an assessment and background profile of each work.

When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night-while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future-not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the

workplace, at Tony's school, and even within their own families. Each Clymer manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Kawasaki Vulcan Classic, Classic LT and Custom, model years 2006 through 2019. This is a little gem of a book--the perfect Christmas gift for lovers of reading! Reading Pleasures is filled with gorgeous photographs and artworks, each paired with an inspiring quotation. Book lover and host of The Book Club Jennifer Byrne introduces the book magnificently in her Foreword: 'Here are brief quotations and observations on the reading life, accompanied by illustrations from the National Library of Australia's own collection'. They 'amount to a celebration--and examination--of the lifelong, earthy, impossible-to-explain love affair between readers and their books.' We all read in different ways: some in a private moment revelling in the escape that reading allows,

or some with an eye to sharing and discussing. Tim Winton sums up reading in one word: 'privacy'. But for others, reading is company. 'As long as you have the capacity to read,' says Elliot Perlman, 'you needn't be alone any more'. Or as Richard Flanagan puts it in *The Narrow Road to the Deep North*, when his hero Dorrigo Evans stands in his library: 'he was not alone'. And Miles Franklin wonderfully describes the place we go to when we are reading as 'book-land'. To return to Jennifer: 'As the chorus of voices in this book makes clear, there are as many ways to read as there are to live.'
