

## ***Waco 7 Hound Dog Man A Waco Western***

*Law beyond the limits ... In wide-open Arizona, outlaws run rampant, since the authority of the local marshal ends at his town's borders. A different breed of peace officer is needed, and rancher Bertram Mosehan has accepted the responsibility of organizing a new Arizona State Police force. He's looking for men who are brave, honest, and lightning fast with a six-gun -- talents that a drifter named Waco and his amigo, Doc Leroy, possess in abundance. But the two young Texans remember all too well their run-ins with the Lone Star law, and the last thing Waco and Doc want is to wear a badge. But Mosehan knows these are men you need at your side when all Hell breaks loose. And Waco'll be facing one tough choice once the bullets start flying in earnest: serve ... or die.*

*Photographs of Texas' frontier past are valuable as both art and artifact. Recording not only the lives and surroundings of days gone by, but also the artistry of those who captured the people and their times on camera, the rare images in Lens on the Texas Frontier offer a documentary record that is usually available to only a few dedicated collectors. In this book, prominent collector Lawrence T. Jones III showcases some of the most interesting and historically important glimpses of Texas history included among the five thousand photographs in the collection that bears his name at the DeGolyer Library of Southern Methodist University. One of the nation's most comprehensive and valuable Texas-related photography collections, the Lawrence T. Jones III Collection documents all aspects of Texas photography from the years 1846-1945, including rare examples of the various techniques practiced from its earliest days in the state: daguerreotypes, ambrotypes, tintypes, and paper print photographs in various formats. The selections in the book feature cartes de visite, cabinet cards, oversized photographs, stereographs, and more. The subjects of the photos include Confederate and Union soldiers and officers in the Civil War; Mexicans, including ranking military officials from the Mexican Revolution; and a wide spectrum of Texan citizens, including African American, Native American, Hispanic, and Caucasian women, men, and children.*

NATIONAL BESTSELLER • On April 4, 1968, James Earl Ray shot Martin Luther King Jr. at the Lorraine Motel. The nation was shocked, enraged, and saddened. As chaos erupted across the country and mourners gathered at King's funeral, investigators launched a sixty-five day search for King's assassin that would lead them across two continents. With a blistering, cross-cutting narrative that draws on a wealth of dramatic unpublished documents, Hampton Sides, bestselling author of *Ghost Soldiers*, delivers a non-fiction thriller in the tradition of William Manchester's *The Death of a President* and Truman Capote's *In Cold Blood*. With *Hellhound On His Trail*, Sides shines a light on the largest manhunt in American history and brings it to life for all to see. Devil Hardin's Floating Outfit is assigned to protect a prince who is on safari, but their task becomes anything but a vacation when Europe's best assassin sets his sights on the biggest human game in the territory

As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."
