

## Washington Steelhead Guides

Pacific Northwest locals Terry Rudnick and Craig Schuhmann guide novice and experienced anglers alike to the finest fishing waters in the region, from Conconully Lake in Northeastern Washington to the Oregon Coast's Chetco River. Rudnick and Schuhmann offer thorough coverage of the lakes, reservoirs, rivers, and coasts they know best in this guide, supplying expert fishing tips and advice tailored to each spot, as well as detailed descriptions, maps, and directions so fishermen can locate even the most hard-to-find places. Complete with helpful "best-of" lists for a wide variety of fishing expeditions—including Best for Steelhead, Best Family Fishing, Best for Fly-Fishing, and Best for Trophy Trout—Moon Pacific Northwest Fishing provides all the necessary tools to head outdoors.

With 105 locations, this is the most comprehensive guidebook to fishing in Maryland, Delaware, or the District of Columbia. Not only are precise directions given to each fishing hole, but the species available and tips on how to catch them are also included. The book covers all aspects of fishing, from casting flies in the mountain streams of western Maryland for native brook trout to catching behemoth black drum along the coast and in the Chesapeake. The authors have included many of their personal experiences in the over 100 years, between the two of them, of fishing in the area. This book is a must-have for any serious angler in the Mid-Atlantic states.

A recreational guide to Washington's public lands and historic places for birding, hiking, photography, fishing, hunting, and camping.

Whether you're casting from the bank or fishing from a boat, "Washington River Maps & Fishing Guide" tells you where to be and when to be there. Learn the secrets of Washington's best rivers, including the "insider" information you need to experience the very best fishing Washington has to offer. We've even included phone and email information for the essential services and accommodations specific to the needs of fishermen.

Steelhead Fly Fishing

Flyfisher's Guide to Virginia

*Steelhead River Journal is a book series with each issue featuring one famous steelhead river in full color, authored by one writer who knows the river well. Color photographs show the river in all its seasonal moods. The angling history of the river is included as well as a fly plate showing the most productive patterns. A color map assists the reader in finding specific locations. Included is information about techniques, steelhead seasons, lodging, guides, tackle shops, and other sources of information for visiting anglers.*

*The popular Field and Stream columnist shares the many joys—and even more numerous pains—of his hilarious outdoor antics in this essay collection. For more than twenty years, Bill Heavey—a three-time National Magazine Award finalist—has staked a claim as one of America's best sportswriters. In his Field & Stream column, "A Sportsman's Life," and feature stories for that magazine and others, he takes readers across the country and beyond to experience his triumphs and failures as a suburban dad who happens to love hunting and fishing. This new collection gathers a wide range of Heavey's best work. He nearly drowns attempting to fish the pond inside the cloverleaf off an interstate highway four miles from the White House. He almost destroys a houseboat on a river in Florida and bravely buys pantyhose to save his legs on a long horseback ride into the Wyoming mountains. Whether he's hunting mule deer in Montana, draining cash on an overpriced pistol, or ruminating on the joys and agonies of outdoor gear, Heavey's tales are odes to the notion that enthusiasm is more important than skill. "Readers don't have to hunt or fish to appreciate Mr. Heavey's essays, which . . . are more complicated than they first appear. The title of his book evokes the knee-slapping comedy of the campfire, a promise that his peculiar brand of farce frequently fulfills. But he also displays a gift for the sublime." —Wall Street Journal*

*Anglers in the Evergreen State have no shortage of options when it comes to finding a place to fish, and plenty of choices about what to catch. Washington's lakes, reservoirs, rivers, creeks, and marine waters offer a wide range of possibilities. This book covers them all. Armed with rod, reel, and plenty of wit, Terry Rudnick tackles more than 1,000 top fishing spots in this updated edition, from the smallmouth bass haunts of Lake Sammamish to the halibut-filled waters of Neah Bay to the Grande Ronde River, teeming with steelhead. The author includes tips on everything from the best baits and lures to techniques for mooching, trolling, vertical jigging, and more. Easy-to-use maps help locate even the most obscure destinations. Specifics on fishing supplies, groceries, gas, and lodging in each locale let the angler spend less time planning and more time casting.*

*Oregon & Washington By John Shewey With over 40 of the best flyfishing destinations in the Northwest, this book distills a lifetime of exploration and experience into a guide that will help you successfully plan a trip to the Northwest's prime waters.*

*Fishing Maryland, Delaware, and Washington, D. C.*

*Ohio, Pennsylvania and Western New York*

This valuable fishing information was compiled year-after-year from the best sources by the writers, photographers, and map makers of "Fishing & Hunting News" - for nearly 50 years the major source of fishing and hunting news in the state of Washington. Conveniently collected in one book, this incredible storehouse of fishing information will help you and your fishing friends become more knowledgeable and successful anglers. Use "Washington's Top Fishing Maps" to plan your fishing adventures for salmon, trout, steelhead, bass, walleye, halibut, perch, etc. Discover new fishing thrills in places you've always heard about but never visited! Read about a stream, lake, or saltwater, study the map, make a few phone calls or web inquiries, and then put on your discovery waders!

Washington native Terry Rudnick knows the best fishing spots in the Evergreen State, from the marine waters of the San Juan Islands—just a short trip from Seattle—to the remote lakes of Northeastern Washington. Full of detailed descriptions of over 600 fishing locations, Moon Washington Fishing leads anglers to the best lakes, reservoirs, rivers, and coasts that the state has to offer, and it includes pages' worth of Rudnick's knowledgeable fishing tips and advice. Complete with helpful regional maps and thorough directions for each location, Moon Washington Fishing provides all the necessary tools to head outdoors.

With the continued success of our "River Maps" series, we are pleased to announce the launch of a new series of map books focusing on lakes.. As with the "River Maps " Series, each lake map is packed with information, including: Roads and access points; Boat launches; Peak fishing times for various stillwater species; Insect hatches and hatch-timing chart; Fly-fishing and conventional tackle techniques; Fishing knots & tackle guide; Important services & accommodations for anglers; and so much more.

Filled with beautiful photography and engaging text, Explore the Salish Sea inspires children to explore the unique marine ecosystem that encompasses the coastal waters from Seattle's Puget Sound up to the Strait of Juan de Fuca and the Georgia Strait of British Columbia. Discover the Salish Sea and learn about its vibrant ecosystem in this engaging non-fiction narrative that inspires outdoor exploration. Filled with full-color photography, this book covers wildlife habitats, geodiversity, intertidal and subtidal sea life, and highlights what is unique to this Pacific Northwest ecosystem.

Washington Fishing

The internationally bestselling author says if we can save the salmon, we can save the world

• Best hiking trails, campsites, fishing spots, paddle routes, beachcombing, and more • Trip and activity options include related natural history information • Includes Olympic National Park's spectacular 70-mile-long wilderness beach strip A wild ocean snuggled up to a wild land in the furthest corner of our Lower 48 states—the Washington coast is a unique adventure destination and this new guidebook covers all 157 miles of it. Whether you're out for a single day of salt air and sand castles, or a week long backpack with surf lulling you to sleep at night, you'll discover your best options with Washington's Pacific Coast. Author Greg Johnston has had a long and intimate relationship with this coast, and his voice is distinctive, passionate, often opinionated, and clearly knowledgeable. His authoritative guide provides detailed, fun, and family-friendly activities, as well as expansive information, history, and geology. (If Captain Cook passed by where you are, this guide will tell you—and make the trip feel all the more satisfying.) In addition to numerous hiking options—including some never-before-published trails—Greg covers every state park along the coast, other public parks, campgrounds, fishing and clamming spots, paddling options, and the best beachcombing destinations. In addition to describing the abundant outdoor recreation opportunities, Johnston also delves into the rich cultural and natural history of the coast, as well as practical details such as tsunami preparedness, Leave No Trace practices, weather and ocean beach precautions, and more.

Adventure-minded anglers can chase the elusive, silvery steelhead with this book of techniques, revelations, and observations by an expert guide. Pointers include selecting the most effective fly for various river conditions, choosing the right tackle, adjusting to different water types, spey casting, and finding the most productive streams of the season, and a chapter on why steelhead choose to take or refuse a fly is included.

This is an updated edition of the best-selling guide book, with additional waters covered.

The Definitive Guide to Fishing Northern California

Angler's Guide to the West Coast

A Fisherman's Guide to Selected High Lakes of Northwest Washington

*Most fishing guides offer very limited information on a large number of lakes, most of which their authors have never been near. This book provides detailed information on the lake and surrounding area, as well as directions and fishing tips. All lakes included in this book have been personally visited, photographed, and in most cases fished by the author. The emphasis is on the fisherman's perspective, but other recreational information is provided where applicable. The lakes selected for inclusion in this book are from Adams, Benton, Columbia, Franklin, Lincoln, Spokane, Walla Walla and Whitman Counties of southeast Washington. The author is a ten-time Washington State record holder, with certified weight records for five different species of fish. Catch data for several hundred lakes, dating back to 1981, has been provided to Washington State fish biologists. Data dating back to 1994*

*has also been provided to the State of Montana. Born and raised in northwest Washington and part of a very outdoor oriented family, the author has spent his entire life exploring new places and looking for new waters to fish. So far the search for fishing opportunities has ranged across the states of Washington, Idaho and Montana.*

*The most thorough guide to fishing in Northern California ever written. More than 525 listings of lakes, rivers, streams, ponds, and reservoirs.*

*Comprehensive guide for the coast of Washington, Oregon, and California covering trolling tactics, mooching methods, and jigging approaches. Also covers boats, motors, and the vast field of fishing electronics to help get you get into the gear you want and need.*

*There has never been a comprehensive statewide guide written specifically for flyfishers in Oregon. This state is a flyfisher's paradise, with blue-ribbon water spreading from the coastal steelhead rivers all the way to the lakes and rivers in the eastern desert. Oregon also features one of the highest distributions of flyfishers per capita in the United States, and most of the best water is within easy driving distance of major cities. Written in the unique format that has made the Wilderness Adventures Flyfisher's Guide Series the best sporting series on the market, this guide provides detailed descriptions of the water, with accurate maps and hatch charts, along with fly shop contacts for each area, motels, restaurants, etc. Flyfisher's Guide to Oregon will be the standard reference for flyfishers in years to come.*

**The Pacific Northwest offers some of the most spectacular fishing in the world. From Northern California throughout Oregon, Washington, Idaho, Canada and Alaska, salmon and steelhead are not only prized for their table appeal, but they are considered two of the ultimate game fish species. Why? Because they can be very difficult to catch and, once hooked, will give you a fight you will not soon forget! Award-winning author Terry Wiest proudly presents Steelhead University: Your Guide to Salmon & Steelhead Success. A comprehensive, no-holds-barred approach to making sure you catch some of these world-renowned fish - and catch them consistently. Going beyond the Pacific Northwest, Terry combines 37-plus years of experience, thousands of hours on the water, time spent fishing and consulting with other authors and experts, countless hours of research and experimentation, into this book in order to share it with those who share his love for these wonderful creatures, wherever they are found throughout the world. From descriptions of each species, preparing to fish, proper equipment, water types and weather conditions, several different methods for both salmon and steelhead, and finally caring for your catch, no detail is left out. Whether you're a beginner, an expert, or fall somewhere in between, every angler will learn something of value from the information to be found in these pages. Armed with this newfound knowledge you will most certainly increase your rate of success when it comes to hooking, landing and caring for these wonderful fish!**

**Large two-volume set in slipcase explores the world of sport fishing for the giant sea-run rainbow trout native to the West Coast through the author's 50 years of experience and rich stories told in interviews with and historic photos of many noted anglers from California to British Columbia. Features more than 1,000 original color photos and line drawings.**

**Washington River Maps & Fishing Guide**

**Other fishing guides offer scant information on a large number of lakes, most of which their authors have never even been near. This book provides detailed information on the lake and surrounding area, as well as directions and fishing tips. All lakes included in this book have been personally visited, fished and photographed by the author. While the emphasis is on the fisherman's perspective, the detailed trail and camping information is equally applicable to those who only wish to hike and camp. The lakes selected for inclusion in this book are from Skagit, Snohomish and Whatcom counties of northwest Washington. All but two lie at elevations above 2,500 feet, the definition of a high lake for western Washington. A few can be driven to, but most require some hiking. The lakes are found both in national forests and on private timberlands. Many are in wilderness areas. The author is a ten-time Washington State record holder, with certified weight records for five different species of fish. Catch data for several hundred lakes, dating back to 1981, has been provided to Washington State fish biologists. Born and raised in northwest Washington and part of a very outdoor oriented family, the author has spent his entire life exploring new places and looking for new waters to fish.**

A Guide to Hiking, Camping, Fishing & Other Adventures  
Flyfisher's Guide to Oregon**

*Colorado's high country is rich with amazing scenery and big, beautiful fish. Unfortunately, many of these highland fisheries are impractical to access. But thanks to veteran fishing guide and writer Phil Tereyla, over 60 mountain lakes in Colorado that are under three miles to access in all corners of the state are now fully outlined and covered in this wonderful new flyfishing guidebook, the Flyfisher's Guide to Colorado's Easy Access Mountain Lakes (Wilderness Adventures Press, 2021). Difficulty to access does not equate to quality fishing; many of Colorado's easy-access alpine gems host fantastic fishing for large trout, including lots of drive-to lakes and reservoirs. Most of these lakes also have the same signature scenery and solitude that has made Colorado so popular for fishing and otherwise. Tereyla shows us where to catch all three subspecies of native cutthroat trout (greenback, Colorado River, and Rio Grande), arctic grayling, big brown trout, lake trout, rainbow trout, cuttbows, splake, tiger trout, tiger muskie, and more. He also covers tributary streams, inlets and outlets, the right times to pursue these awesome fish, and the flies that work. This book is perfect for families, aging and disabled anglers, and those who would rather spend their day casting to large trout than hiking. It also makes a great gift for the angler who has it all. Don't miss this opportunity to indulge in all that Colorado's alpine lakes have to offer! Pick up your copy today!*

*Everything an angler needs to know about flyfishing Washington is in this comprehensive guide, in more detail than ever before in print. There has never been a thorough statewide guide written specifically for flyfishing in Washington. Much like Oregon, this state combines a high population of flyfishers with a host of prime flyfishing water. With steelhead and salmon runs, trophy trout in lakes and rivers throughout the state, and the occasional smallmouth and largemouth bass thrown in, Washington has something to offer even the most discriminating angler. This guide will show you maps with access points, river mileage, campsites, and more, for each river system, along with detailed descriptions of rivers, tributaries and lakes, with hatch charts for each. Our format makes calling fly shops for up-to-the minute information or setting up motel reservations in a new area a snap.*

*Spectacular photography and in-depth local knowledge highlight these useful fly-fishing guides; many fly-fishers are enjoying the enormously popular "Blue-Ribbon Fly Fishing Guide" series. Each full-color book is filled with information on the fly-fishing in a particular state, including: successful techniques; productive flies and their patterns; hatch information; reading water; fish species; conservation issues; fly plates; local resources; map; and so much more. Useful and attractive, these guides are perfect for both visiting and local anglers. Washington's famed Olympic Peninsula and its many well-known rivers have so much to offer the fly-fisherman; challenging fresh- and saltwater fish, and exciting fly-fishing history, solitude, and world-class scenery. Long-time resident and conservationist Doug Rose is just the person to take on this renowned region, not only is he a thoughtful, observant and skilled fisherman, he's also an interesting and talented writer. Whether you fish this area or are just interested in its storied past, this book makes for an informative and fascinating read.*

*From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new Flyfisher's Guide to Oregon details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook.*

*Lake Erie's south-shore tributaries, known as Steelhead Alley, offer some of the finest flyfishing opportunities for some of the biggest and most beautiful fish in the United States, which is why Wilderness Adventures Press is releasing the brand new Flyfisher's Guide to Steelhead Alley, by Daren Niemi. Battles won and lost with these silver warriors are recounted time and again around dinner tables or campfires, over beer or whiskey. The fish have almost a mythical stature, uncommon amongst other gamefish, so much so that they seem to occupy the space between truth and legend. The author has over*

*three decades of experience on these spectacular fisheries, and he shares his catalog of knowledge in this comprehensive new book. From the Vermillion River in Ohio to Elk Creek in Pennsylvania up through Cattaraugus Creek near Buffalo, New York, he covers the whens, wheres, and hows to get readers into the fish of a lifetime. Niemi also covers the gear, fish habits and habitat, timing, reading the water, techniques and much more. This book comes with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps they need to stay home." There is no better source for this information than the all-new Flyfisher's Guide to Steelhead Alley.*

*The most all-encompassing compendium of truly valuable information on steelhead ever written. —Jack Hemingway There are exceptional chapters on the fish itself; the tackle and techniques used to pursue it under diverse circumstances in such great steelhead rivers as the Deschutes, the Dean, the North Umpqua, the Bulkley, the Rogue and the Babine, and memorable profiles of the modern masters and the fly patterns they developed.*
