

Watch Out For These Weirdos

Welcome to the Seventh Annual Conference of the Society for Protection and Reclamation of Indian Images. Expect to find, amid all the refined cultural observations, academic posturing, and political maneuvering, an Indian who defies anyone to protect, let alone reclaim, her image. This is Shirley Mounter, a Tuscarora woman and the chief storyteller among the acerbic, eloquent, and often hilarious speakers who overflow the pages of this latest novel by the noted Onondaga writer Eric Gansworth. A lecture on Indian stereotypes by Shirley's daughter, art historian Annie Boans, calls forth Shirley's recollections, whose outpourings deposit us in the turbulent yet restorative waters of modern Iroquoian reservation life, always flowing and eddying around kin. ø Indeed, Shirley's house and land are now, after a long and bitter fight, forever lost to her in the construction of a water reservoir that feeds the government's hydroelectric plant. The story of this battle is the story of Shirley's generation and the faltering generation that follows?of violent love and losses, of children turning away only to find themselves forever negotiating the nuances of identity, of popular culture in jarring juxtaposition with the sometimes even more incredible realities of Native life. Weaving a complex narrative illustrated with his own paintings, Gansworth creates a rich, wry, and multifaceted tapestry of the intricate twists and turns of coincidence, memories, and stories that bind Native families together. Doug Anderson has been drifting slowly but steadily away from both his family and his

faith. His parents, along with Christina, a young woman taken into the family during a crisis pregnancy, have been trying to reach him before he falls too far. But sometimes you have to hit bottom before you're ready to grow up and give your life over to God.

Christina's feelings for Doug have been growing, even though he writes her off as not worth his time. Will Doug's own crisis finally clear his vision and help him focus on what he has right in front of him? Readers who have been on this emotional and romantic journey with the Anderson family will fall in love with this satisfying conclusion to the popular series.

Horror meets humorous urban fantasy in the sixth book in the White Trash Zombie series

- **Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford has finally pulled herself together (literally!) after her disastrous dismemberment on Mardi Gras. She's putting the pieces of her life back in order and is ready to tackle whatever the future holds. Too bad the future is a nasty bitch. There's a new kind of zombie in town: mindless shamblers, infectious and ravenous. With the threat of a full-blown shambler pandemic looming, and a loved one stricken, Angel and the "real" zombies scramble to find a cure. Yet when Angel uncovers the true reason the plague is spreading so quickly, she adds "no-holds-barred revenge" to her to-do list. Angel is busting her ass dealing with shambling hordes, zombie gators, government jerks, and way too many mosquitos, but this white trash chick ain't giving up. Good thing, since the fate of the world is resting on her undead shoulders.**

Fame and obsession collide in this darkly twisted novel featuring a former Hollywood starlet with a devastating secret in this psychological thriller People magazine praises as "fast-paced and involving", from an incredible new voice in suspense. I've been watched all my life. I'm used to being stared at. Observed. Followed. SOMEONE IS WATCHING

Washed up teen star Liv Hendricks quit acting after her beloved younger sister inexplicably disappeared following a Hollywood party gone wrong. Liv barely escaped with her life, and her sister was never heard from again. But all this time, someone's been waiting patiently to finish what was started... FOUR MISSING GIRLS Now fifteen years later, broke and desperate, Liv is forced to return to the spotlight. She crowdfunds a webseries in which she'll pose as a real-life private detective--a nod to the show she starred on as a teen. When a mysterious donor challenges her to investigate a series of disappearances outside a town made famous by the horror movies filmed there, Liv has no choice but to accept. **FOLLOW THE WHITE WOLF** Liv is given a cryptic first clue: **Follow the white wolf.** And now a darker game is about to begin. Through social media, someone is leaving breadcrumbs to follow. As Liv makes increasingly disturbing discoveries, her show explodes in popularity. A rapt internet audience is eager to watch it all--perhaps even at the cost of Liv's own life... Filled with provocative twists and turns as the line between plot and reality blurs in this inventive tour-de-force from breakout writer **Jennifer Wolfe. Incredible Acclaim for Watch the Girl: "Fast-paced and involving." -- People "Sibling rivalry and Hollywood obsessions collide...Fast-paced and fraught with**

Denton Little lives in a world exactly like our own except that everyone knows the day on which they will die. The good news: Denton has lived through his deathdate. Yay! The bad news: He's being chased by the DIA (Death Investigation Agency), he can never see his family again, and he may now die anytime. Huh. Cheating death isn't quite as awesome as Denton would have thought.

Download Free Watch Out For These Weirdos

A rollicking novel of surf and celebrity, *The Last Long Drop* is a wild ride through the volatile world of killer waves and tabloid sensations, where any mess-up may be your last. When Johno Harcourt is shown the door at his high-profile newspaper job, he finds himself on the wrong side of fifty, pondering what to do with the rest of his life. While his go-getting wife and over-achieving children are otherwise occupied, he whiles away summer days surfing and playing funky music with his odd-bod gang of mates – that is, until he lands the prize job of ghostwriting the autobiography of Australia's veteran movie megastar, Mike Vargas. Charismatic, confident and still a mad keen surfer, Vargas wins over Harcourt as they spend hours catching waves and drinking together while the screen legend tells of his ever-eventful life. But as Harcourt digs deeper, secrets from Vargas's distant past suddenly emerge, forcing him to realise there's a darker side to the star he thought he knew, but doesn't.

An inconsistent series of murders in Seattle proves particularly challenging and points to a killer who obsessively stalks single women, believing that they have betrayed his love. Original.

What makes human language unique? Do women speak differently from

Timothy Other: The Boy Who Climbed Marzipan Mountain

Born into a puppy mill for enslaved racing greyhounds, Furgul is slated to be euthanized when his mixed-breed status is discovered but manages a spectacular escape before confronting elements in the outside world that force him to choose between the security of being a pet and the freedom of remaining a stray. By the author of The Religion.

Rebecca Kendall has a life any nineteen-year-old would envy: musical talent, love, romance,

and a promising future. When a tragic accident erases her past, present, and future, Rebecca's life turns into turmoil and irreconcilable loss. Becca faces her new life alone, angry, depressed, and DEAF. Becca wants nothing but a song, but will her dream survive such insurmountable odds? Will she ever take another chance at love? Only a mysterious stranger can answer those questions.

Watched by demons no one else can see, college student Ash think she's losing her mind. But the truth is far more frightening: she can see into the Darkworld, the home of spirits, and the darkness is staring back. All Ash wants at university is a second chance at a normal life, but her new home in the small town of Blackstone has secrets of its own. Ash's quest for answers leads her to a hidden group of sorcerers who warn her against the ruthless magical police who watch the barrier between the Darkworld and our own world. With monsters lurking in the local night clubs and the guy she's crushing on possibly being evil, it's all Ash can do to keep her ordinary friends safe from the supernatural dangers shadowing her every move. As the danger climbs higher, Ash must uncover the truth behind the darkness watching her, before it threatens everyone she knows and cares about. But in a world where darkness lurks beneath the surface, not everyone is what they appear to be...

A Chatelaine Summer Reads pick. Named one of the most anticipated books of the fall by CBC Books and 49th Shelf. Journey Prize winner Shashi Bhat's sharp, darkly comic, and poignant story about a high school student's traumatic experience and how it irrevocably alters her life, for fans of 13 Ways of Looking at a Fat Girl, Girlhood, and Pen15. Bright,

hilarious, and sensitive fourteen-year-old Nina spends her spare time reading Beowulf and flirting with an internet predator. She has a vicious crush on her English teacher, and her best friend Amy is slowly drifting away. Meanwhile, Nina's mother tries to match her up with local Indian boys unfamiliar with her Saved by the Bell references, and Nina's worried father has started reciting Hindu prayers outside her bedroom door. Beginning with a disturbing incident at her high school, THE MOST PRECIOUS SUBSTANCE ON EARTH tells stories of Nina's life from the '90s to present day, when she returns to the classroom as a high school teacher with a haunting secret and discovers that the past is never far behind her. Darkly funny, deeply affecting, unsettling, and at times even shocking, Shashi Bhat's irresistible novel-in-stories examines the relationships between those who take and those who have something taken. THE MOST PRECIOUS SUBSTANCE ON EARTH is a sharp-edged and devastating look at how women are conditioned to hide their trauma and suppress their fear, loneliness, and anger, and an unforgettable portrait of how silence can shape a life.

Highly practical advice from a professional radio trainer and experienced broadcaster.

Fifteen-year old Mia lives with her dad in a small rural community. When she discovers that she's pregnant she doesn't know where to turn - her elder sisters have left home, her mum left when Mia was six, her boyfriend, Will, is too scared to be anyhelp and her dad tries to push her into an abortion. Backed into a corner, she runs away and joins two women on a canal boat. Nobody can find her now but she discovers that the women have their own tragic stories. A fire on the boat makes her realise that she must take responsibility for the baby and herself and that home is the most likely place to get help. Her mother re-enters her life and Will's mother involves herself. Mia learns about love and realises how much her father has done for her.

A Kirkus Reviews Best Book of the Year "Smart, funny, and fearless." –THE BOSTON GLOBE Women have always been seen as monsters. Men from Aristotle to Freud have insisted that women are freakish creatures, capable of immense destruction. Maybe they are. And maybe that's a good thing.... Sady Doyle, hailed as "smart, funny and fearless" by the Boston Globe, takes readers on a tour of the female dark side, from the biblical

Lilith to Dracula's Lucy Westenra, from the T-Rex in Jurassic Park to the teen witches of The Craft. She illuminates the women who have shaped our nightmares: Serial killer Ed Gein's "domineering" mother Augusta; exorcism casualty Anneliese Michel, starving herself to death to quell her demons; author Mary Shelley, dreaming her dead child back to life. These monsters embody patriarchal fear of women, and illustrate the violence with which men enforce traditionally feminine roles. They also speak to the primal threat of a woman who takes back her power. In a dark and dangerous world, Dead Blondes and Bad Mothers asks women to look to monsters for the ferocity we all need to survive. "Some people take a scalpel to the heart of media culture; Sady Doyle brings a bone saw, a melon baller, and a machete."—Andi Zeisler, author of We Were Feminists Once The funny, crude, un-PC, and very savvy author of "Boys Are Stupid, Throw Rocks at Them!" explains why boys think the opposite sex is weird. Narrated by a boy who's sort of a moron, the book questions all the things that are completely alien to boys, but with a surprisingly sweet insight and good spirit. Reflections on Women, Magic, and Power

An Alien in the New World

Paper Bullets

Watch Them Die

The Journey (Animorphs #42)

Gridlock is when a city dies. Killed in the name of freedom. Killed in the name of oil and steel. Choked on carbon monoxide and strangled with a pair of fluffy dice. How did it come to this? How did the ultimate freedom machine end up paralysing us all? How did we end up driving to our own funeral, in somebody else's gravy train? Deborah and Geoffrey know, but they have transport problems of their own, and anyway, whoever it was that murdered the city can just as easily murder them.

Sometimes your worst problems are the ones you can't actually see. Like the Helmacrons. These less-than-an-inch-high aliens are back, and they want the morphing cube more than ever. Obviously Rachel and the other Animorphs can't let them take the cube. But when Rachel tries to stop the Helmacrons from stealing it, Marco gets in the way and ends up with tiny aliens, well, up his nose. Rachel and the others can't let the Helmacrons stay inside Marco's head. They're armed, and could cause serious damage. So the Animorphs come up with a plan to evict the Helmacrons from their new residence. But it involves a shrinking ray and the obvious: Marco's nose...

?Ron Barton is everybody's All-American. A former small town hero turned college baseball star and Rhodes Scholar, he is the atypical high-profile physician. Barton's expertise takes him to the Deep South's medical Mecca of Birmingham, Alabama where he excels in the operating room as quickly as he did on the red clay diamonds for Auburn University. Philip Lucci is a rising star in the lucrative field of rehabilitative sports medicine. A former gas station attendant and brick mason turned entrepreneur; he

Download Free Watch Out For These Weirdos

is as much of an anomaly as Dr. Barton. Lucci's laser-like vision to create the McDonald's of worldwide rehabilitative care is as powerful as his insatiable drive for wealth, fame and social rank. Like Barton, he too is a product of the Deep South; but the similarities end there. Lucci is the archetype Machiavellian dictator bent on success. Barton is the consummate professional seeking self-actualization through innovation and heightened care. Unbeknownst, they are on a collision course that will rock Birmingham rehabilitative medicine and ultimately, Wall Street, to their collective cores. A star as bright as Barton's cannot go unnoticed by Lucci's all-discerning focus. Lucci makes him an offer he seemingly cannot refuse--to be a part of his budding rehab empire--at more than double his current salary in an office as ostentatious as his potential benefactor. But refuse Barton does, as he is not in the least impressed by money, or Lucci's phony veneer. Unaccustomed to rebuke, Lucci is incensed by Barton; and as a result, he endeavors to ruin him--as fitting payback. Amanda Lucci, Philip's second wife, is a former Miss Alabama. Bored with the Earthly comforts lavished upon her by her overbearing, compromised husband, she retreats to the high-end escape world of polo, where she meets and falls in love with Dr. Ron Barton, whom she hopelessly admires for his rugged looks and purposeful existence. Lucci's bodyguards and surveillance team soon learn of the affair and inform their boss. It is just the edge he needs to ruin his recalcitrant detractor. Having already grown tired of Amanda's continued rebuffs, Lucci now has the perfect vengeance plan firmly in place. While Barton is weakened, he is not defeated. He vows revenge. Working through his trusted colleagues he learns of a chink in Lucci's armor. Barton discovers that as Lucci's success grew, so did his competitors, shrinking an already competitive patient pool. To maintain Street expectations, Lucci has resorted to cooking the books. Barton devises his own plan to leak this information to the FBI and raze Lucci's precariously shaky house of cards. But Lucci's resourcefulness proves to be perplexing. Barton again finds himself in the

Download Free Watch Out For These Weirdos

crosshairs--and he is not alone, as his colleagues are now in danger of succumbing to Lucci's growing, fear-fueled malice. As the plot unfolds, it takes the reader on a tortuous, unforgettable courtroom ride. Lucci, the reinvented televangelist catering to a majority black congregation, is first found innocent of securities fraud as a result of shameless jury pool tainting. However, in the end, Lucci lands predictably in Federal prison; but his long-time dream of building a world-class digital rehabilitative hospital continues nevertheless, albeit with the tweaking of its new standard-bearer, Dr. Ron Barton. Professional Bone is a fast-paced, romantic action thriller that seeks to draw semblance to the ongoing impacts that corporate greed, fraud and indifferent citizenship have had on American free market capitalism.

Emma's Garden

Spare Change

A Fictional Autobiography

From the podcast host of The Witch Wave and practicing witch Pam Grossman—who Vulture has dubbed the “Terry Gross of witches”—comes an exploration of the world’s fascination with witches, why they have intrigued us

for centuries and why they're more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the impact of the world's most magical icon. From the idea of the femme fatale in league with the devil to the bewitching pop culture archetypes in *Sabrina the Teenage Witch* and *Harry Potter*; from the spooky ladies in fairy tales to the rise of contemporary witchcraft, witches reflect the power and potential of women. Part cultural analysis, part memoir, *Waking the Witch* traces the author's own journey on the path to witchcraft, and how this has helped her find self-empowerment and purpose. It celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in the world as we know it. “Deftly illuminating the past while beckoning us towards the future, *Waking the Witch* has all the makings of a feminist classic. Wise, relatable, and real, Pam Grossman is the witch we need for our times” (Ami McKay, author of *The Witches of New York*).

This book is a collection of some of the author's short stories, a novellette, an article on the meaning of 2012, and some unedited letters to the editor of the *Trinity Journal*, a Weaverville CA based weekly publication. The author is currently working on more stories, a novel, a screenplay, and a non-fiction book, hoping to finish before the world ends.

Twelve-year-old Zach is convinced he'll never be happy without his best friend Jeremy by his side. But both of their lives changed with a bang five months ago, and as far as Zach's concerned, it's his fault Jeremy will never see his twelfth birthday. When Zach moves with his family to a Chicago suburb, he quickly becomes friends with a group of thrill-seeking kids trying to find a disappearing haunted house. But Zach's not worried. He doesn't believe in ghosts, so he follows them into a wild, dangerous encounter that becomes a battle to decide what's real and what's not.

Two weeks after Maya tried to save the world, little has changed. Little, except for a nine-year-old's building fear that her ex-mother's revenge waits around every corner. When her face appeared on every still-working video monitor along the Eastern Seaboard, streaming her plea and her evidence all over the planet, she thought they'd won. Alas, her fairy tale dream died. The Authority didn't become noble overnight. Her ex-mother didn't face punishment for her crimes. The lack of any retribution, or even any effort on the part of the Brigade to hide her, only fans the flames of her worry. To make matters worse, her best friend Sarah is hiding a painful secret. Maya's fears come to fruition in the middle of the night. In a hail of gunfire, she and Sarah flee into the dangerous streets of the Habitation District, rife with dosers, street gangs, corrupt Authority officers, chased by an unknown enemy worse than Ascendant. They don't want to kidnap

her?they want her dead.

Award-winning videomaker, performance artist, and pop-culture provocateur Kip Fulbeck has captivated audiences worldwide with his mixture of high comedy and personal narrative. In *Paper Bullets*, his first novel, Fulbeck taps into his Cantonese, English, Irish, and Welsh heritage, weaving a fictional autobiography from 27 closely linked stories, essays, and confessions. By turns sensitive and forceful, passionate and callous, Fulbeck confronts the politics of race, sex, and Asian American masculinity head-on without apology, constantly questioning where Hapas fit in a country that ignores multiracial identity. Raised in southern California by a Chinese-born mother and a Caucasian father, Fulbeck pushes the conventions of literary form as he simultaneously draws from, recreates, and fabricates his own life history. His range of experiences--from college professor to youth outreach volunteer, blues player to surfer and lifeguard--informs his witty and humane writing. Like himself, his protagonist is a young man shaped by the conflicting mores, stigmas, desires, and codes of male conduct in America. He searches for and mismanages love and independence, continually experimenting with sex along the way. Sometimes hilarious, always heartfelt,

WeirDo (WeirDo #1)

New Year's resolutions are one of Riley's least favorite things—until this year. Twenty-three and single, Riley thinks resolutions should be fun, not hard. Just before midnight, she vows to make the easiest resolution ever: save her pennies and at the end of the year, buy something nice for herself. Easy! ...Or is it? Working at a cancer treatment center can change one's perspective, and before long Riley decides to donate her extra money to cancer research rather than reward herself. At first her resolution is her own secret, but all too soon the nurses figure out her plan, and then things really begin to get out of hand! As people through the hospital, and then the town, begin to get involved, Riley finds herself at the front of the fund-raising campaign. She also finds herself face-to-face with Paul, the grouchy but cute bank teller. But can she overcome the memory of a failed relationship—and can he do the same? And who is the secret admirer who keeps leaving pennies and notes for her to find? Aside from a million pennies, every flavor of ice cream imaginable, and maybe even love, Riley is about to discover that an ordinary person can be the catalyst for extraordinary events.
