

Weapons Of The Gods 5

On the weapons and war implments of the ancient Hindus -- On the authenticity of the ukran ti -- On the use of gunpowder and firearms in general -- Inside the home of gunpowder and firearms -- On the Army organization and political organization of the ancient Hindus -- Appendix: Identification of the Manipura of the Mahabarata with Manipura or Manaluru or Madura in South India.

Secret ? The very word stirs our curiosity. We all want to be in on the secret, especially if it relates to the questions that trouble us most: How do we find true, lasting happiness? How can we endure suffering and tragedy? What defense do we have against Satan's attacks? When everything else fails, what will help us to stand? The answer? God's secret weapon. It is a powerful weapon, and it is available to you today. This book explores how God's secret weapon can change your life, and how you can lay hold of it.

The Wiersbe Bible Commentary: Old Testament

The Legacy of Heroes

Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with The Wiersbe Bible Commentary Old Testament, the trusted reference you'll love to read.

Lauded after his death as 'champion of the English Commonwealth', but also derided as a 'most servile wit, and mercenary pen', the poet, dramatist and historian Thomas May (c.1595-1650) produced the first full translation into English of Lucan's Bellum Clulle shortly before a ruinous civil war engulfed his own country. Lucan, whose epic had lamented the Roman Republic's doomed struggle to preserve liberty and inevitable enslavement to the Caesars, and who was forced to commit suicide at the behest of the emperor Nero, was a figure of fascination in early modern Europe. May's accomplished rendition of his challenging poem marked an important moment in the history of its English reception. This is a modernized edition of the first complete (1627) edition of the translation. It includes prefatory materials, dedications and May's own historical notes on the text. Besides an introduction contextualising May's life and work and the key features of his translation, it offers a full commentary to May's response to contemporary editions and commentaries on Lucan, and explaining points of literary, political, philosophical interest. There is also a detailed glossary and bibliography, and a set of textual notes enumerating the chief differences between the 1627 edition and the others produced in May's lifetime. This volume aims not just to provide an accessible path into the dense, sometimes provocative poem May shapes from Lucan, but also a broader appreciation of the translator's literary merits and the role his work plays in the history of the English reception of Roman literature and culture.

2 Corinthians is part of The Christian Standard Commentary (CSC) series. This commentary series focuses on the theological and exegetical concerns of each biblical book, while paying careful attention to balancing rigorous scholarship with practical application. This series helps the reader understand each biblical book's theology, its place in the broader narrative of Scripture, and its importance for the church today. Drawing on the wisdom and skills of dozens of evangelical authors, the CSC is a tool for enhancing and supporting the life of the church.

Marvel at the big story and savor each detail Biblical Theology allows you to ponder the individual stories and themes of Scripture while observing how they all fit together in God's grand biblical narrative. It answers the question, How has God revealed his word historically and organically? Biblical Theology studies the theology of individual biblical books and select collections within the Bible and then traces out themes as they develop across time within the canon. With three articles introducing Biblical theology and 25 articles unpacking key themes of Scripture, the NIV Biblical Theology Study Bible equips you to follow the progressive unfolding of God's story. Helpful introductions to books and sections of the Bible combined with 20,000 verse-by-verse study notes will guide you to a clearer understanding of every portion of Scripture. The NIV Biblical Theology Study Bible is printed in exclusive Zondervan NIV Comfort Print® typeface. Expertly designed specifically to be used for the New International Version (NIV) text, Comfort Print offers an easier reading experience that complements the most widely read modern-English Bible translation. Features: Complete text of the accurate, readable, and clear New International Version (NIV) Previously published as NIV Zondervan Study Bible 28 theologically rich articles by authors such as Tim

Keller and Kevin DeYoung 20,000 verse-by-verse study notes Hundreds of full-color photos, more than 90 maps, and over 60 charts Comprehensive book introductions Over 60 trusted contributors Cross-references and the NIV Comprehensive Concordance Single-column, black letter edition Two ribbon markers Thumb indexed to make finding the books of the Bible easier Leathersoft cover lays flat when open Exclusive Zondervan NIV Comfort Print® typeface

Follow God's Redemptive Plan as It Unfolds throughout Scripture

Gods and Goddesses of Ancient Rome

Death and Life, Hardship and Rivalry

Describes Ancient Roman gods and goddesses and the mythology attached to them.

Volume 1 contains 16 chapters including The Gods of Egypt, Hell and the Damned, Ra the Sun-God and His Forms, and The Horus Gods. 34 plates and 38 illustrations.

Nine gods ruled the world, until the ultimate betrayal resulted in their destruction. Now, the world is dying and only by restoring the Lost Gods can it be saved. Sealed off from the world for nine hundred years, Schatten is a country of darkness and mystery. The power of Teufel, Shadow of the Lost Licht, keeps the rest of the world out, and his deadly Sentinels keep the people of Schatten in. Their only hope for salvation lies in a single line of ancient prophecy. Sasha wakes up with no memory of where he is, how he got there or who he is. All he remembers is his name, and falling to a terrible beast with burning violet eyes. All he possesses are the clothes he wears, the weapons he carries, and a strange ring. All he can do is venture deeper into the land of snow and ice in which he is lost, hoping that eventually he will find answers.

In 1945, the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb, the most destructive man-made force our planet has ever known. Or were they just the latest in a long line of Armageddon-level events? Is it possible that our civilization is, in reality, just one of many? Did previous cultures blossom, develop, and thrive, only to destroy themselves, tens or hundreds of thousands of years ago, with the same atomic technology? These are the controversial and thought-provoking questions at the heart of Nick Redfern's Weapons of the Gods, which argues that many ancient civilizations cracked the secrets of the atom, only to become the victims of its awesome, terrifying power. Still others may have been destroyed by hostile aliens with their own nuclear arsenals. Where is the evidence? The answer is shockingly simple: it's everywhere. It's just a matter of knowing where to look for it, from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo-daro, Pakistan, to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata, two ancient Sanskrit texts that describe nuclear warfare thousands of years ago.

God's Weapons of War

How Christ's Victory Strengthens Us for Spiritual Warfare

Kṣṇayajurvediḃya Taittirīya-saṃhitā

A multi-faceted commentary that breathes fresh insight into Paul's letter in Second Corinthians. Paul responds to reports of the Corinthian congregation questioning his competency as a divinely sent messenger. Through apologetic demegoria and the use of graphic imagery related to triumphal processions, siege warfare, and emissary travels and negotiation, Paul defends his constancy, persona, and speaking abilities as he extends the offer of clemency and reconciliation to his auditors. Oropeza combines rhetorical pictures (rhetography) with interpretative layers (literary features, intertextually, socio-cultural, ideological, and sacred textures) to arrive at the rhetorical impact of Paul's message for ancient Mediterranean discourse. Features: A visual, sensory, and imaginative interpretation of the scripture A comprehensive commentary An avant-garde approach to biblical interpretation As the only male demigod of his generation, Cameron has some pretty big shoes to fill For one, he has to deal with all the female demigods, and some of them, well... you know For two, he's the best blacksmith the demigods have seen in a millennia, which is good because apparently, he's destined to craft the Ultimate Weapon So, yeah, this book is about a dude who likes to forge things and is surrounded by hot demigoddesses Do the math

For years, we have learned principles of individual spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have, in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we, as the church, can prepare to work in unity to become the army of the Lord. He lays out the weapons available to us in this new battle front and reveals a plan for destroying the works of the devil and advancing God's kingdom on earth. Now is the time to rise up, fight back together, and secure the ultimate victory in Christ.

There was a man who always had a dream that he was carrying an old woman. Each time he tried to look at the face of the old woman, to know who she was, he got a slap and he woke up with terrible pains on his face. When he went to see a doctor, he was told that he was hallucinating and for many years, he suffered from this attack until he was given some of God's Weapons of Mass Destruction discussed in this book. After using the weapons, the strange woman in his dream died. This may be strange to many but as long as the Lord God lives, this testimony is real and millions around the world are currently going through similar tragic spiritual occurrences. This book brings answers to your questions on spiritual warfare. The difference between yesterday and your tomorrow is knowledge. What you do not know is capable of harming you. As a good soldier of the cross, whose commander-in-chief is the Lord Jesus Christ, this book enlightens you on the weapons available to you. They command Heaven's attention, earth's reaction and hell's destruction. As long as a Child of God lives, attacks are inevitable. Many have said to me: "Bro, Courage, why am I under so much attack?" Someone suggested, "But I am a good person. I try to please everyone." I respond by giving them this scripture: "They compassed me about also with words of hatred, and fought against me without a cause." (Psalm 109:3) In such conditions, we are not expected to be helpless or defenseless, rather, we are supposed to be equipped with God's Weapons of Mass Destruction to sustain our victory against our arch-enemy who is Satan the devil and his cohorts. He is a loser and a defeated foe. This is why this book was written, for the equipping of the saints. The fourteen uncommon weapons discussed in this book cut across denominational barriers, religious sects and traditional systems. They are truly revealing and informative.

Judges and Ruth (Teach the Text Commentary Series)

What if Christians did more than offer thoughts and prayers in response to gun violence? Ethicist Michael Austin argues—from a biblical but nonpacifist perspective—that we can impose firearms restrictions to make our society safer and less fearful while still respecting the rights of gun owners. God and Guns in America is a thoughtful, measured, and articulate treatment of a polarizing topic that is too often treated with more heat than light.

Hindu canonical text with English translation.

The heavens and earth are the army, I am the general, Hong Yu is the official, and I am the king. The Heaven and Earth, the determinant of destiny. A heaven's pride level expert of this era had to bear the blessing of the Five Gods, changing his fate in a way that defied the will of the heavens. In the blink of an eye, the world had been turned upside down. Hot blood is eternal, passion is in all directions, fight with me to the sky! Fight! [] The Royal Inscriptions of Tiglath-pileser III (744-727 BC) and Shalmaneser V (726-722 BC), Kings of Assyria (Royal Inscriptions of the Neo-Assyrian Period 1) carries on where the Assyrian Periods sub-series of the Royal Inscriptions of Mesopotamia (RIM) Project ended. The volume provides reliable, up-to-date editions of seventy-three royal inscriptions of Tiglath-pileser III and of his son and immediate successor Shalmaneser V, eleven late Neo-Assyrian inscriptions which may be attributed to one of those two eighth-century rulers, and eight texts commissioned by Assyrian queens and high-ranking officials. Following the style of the now-defunct RIM series, each text edition (with its English translation) is supplied with a brief introduction containing general information, a catalogue containing basic information about all exemplars, a commentary containing further technical information and notes, and a comprehensive bibliography. RINAP 1 also includes: (1) a general introduction to the reigns of Tiglath-pileser III and Shalmaneser V, the corpus of inscriptions, previous studies, and dating and chronology; (2) translations of the relevant passages of Mesopotamian king lists and chronicles; (3) several photographs of objects inscribed with texts of Tiglath-pileser III and Shalmaneser V; (4) indices of museum and excavation numbers

and selected publications; and (5) indices of proper names (Personal Names; Geographic, Ethnic, and Tribal Names; Divine Names; Gate, Palace, and Temple Names; and Object Names). The RINAP Project is under the direction of G. Frame (University of Pennsylvania) and is supported by the National Endowment for the Humanities.

Vitthal, also called Vitthoba, is the most popular Hindu god in the western Indian state of Maharashtra, and the best-known god of that region outside India. His temple at Pandharpur is the goal of an annual pilgrimage that is one of the largest and most elaborate in the world. This book is the foremost study of the history of Vitthal, his worship, and his worshippers.

Ancient peoples believed as firmly in their gods and goddesses as people believe in their religions today. These books help children understand how people lived in ancient times, what they believed, and why. How the seasons worked, why natural disasters happened and what happened to people when they died. Many of the myths have parallels in modern religions and culture. This title deals with the lives and beliefs of the people of Ancient Greece.

The Royal Inscriptions of Tiglath-Pileser III (744-727 BC) and Shalmaneser V (726-722 BC), Kings of Assyria

"A battle manual for every Christian." —Sinclair B. Ferguson The Christian life is a battle. We are in a daily struggle against the world, sin, and Satan. But God didn't leave us to fend for ourselves. He gave us his own armor—armor that Jesus has already worn on our behalf all the way to the cross. The same power that raised Christ from the dead is now at work inside of us. This book unpacks each of the pieces of spiritual armor Paul describes in Ephesians 6, inviting us to take up the armor each day, all while resting in the finished victory of Christ and the assurance that our strength for the battle comes from him.

The equipment - our spiritual weapons 1Jn 5:4 Because everything having been born of God overcomes the world, and this is the victory overcoming the world, our faith. Here we shall look at the whole armor of God from Ephesians and our equipment from elsewhere:Contents:Having girded your loins about with truthBreastplate of righteousness, faith and loveShod the feet with the preparation of the "gospel of peace."The shield of the faithThe helmet of salvationThe sword of the spirit, Gods wordThe seventh armorSuffer in fleshThe clothing

newly revealed Code numbers from the Bible, with a vision of the start Time,theEclipse of 1999 and a few years of proving, let us synchronise the date's of intervension, now we can show these dates in advance for 2006, with Gods blessing.

This isn't a feel-good churchy pie-in-the-sky treatment of this subject. It's a needed expose of what the Bible actually teaches about these sometimes controversial topics. It also focuses on the Bible beliefs and faith of the Founding Fathers of the United States, and the original meaning of the Constitution and Bill of Rights. In the process, it brings greater clarity to these much debated topics. You won't be subjected to gory details in this book, but you will be exposed to the difficult choices which surround firearm defense. Importantly, you'll be given the biblical tools needed for making hard, life and death moral choices. You've probably never heard a pastor or church leader teach on this topic. Yet it is critically important for us to understand what the Bible actually has to say about these timely issues. Subjects such as our God-given Right of self-defense, firearm ownership, concealed carry, castle doctrines, the use of deadly force, and shoot-to-kill or shoot-to-wound, are all pivotal issues for us today. Many are shocked to learn that these topics are addressed in the Bible. This book explains the Bible viewpoint, and what Jesus taught on these subjects which today are taboo in most churches. Bible passages are cited throughout, and hundreds more are included in footnotes, keeping the focus on the Bible not personal opinion. The author, SIG SWANSTROM, is a former police detective and SWAT team operator who worked in the Los Angeles area. During his years of service, he personally had many deadly force encounters with armed criminals, so his writing is real world. And today, as the owner of a highly acclaimed firearms training academy in Texas, SIG has also learned how to capture the interest of his audiences as he teaches practical skills in the unique context of biblical truth.

The Legacy of Heroes is a Fantasy Role Playing Game with a singular focus: imagination. The Legacy of Heroes Player's Guide offers everything you need to bring the myriad characters from movies, literature, mythology and anything else you can imagine to life on the page before you. This book contains 11 races, 11 classes, 40 heroic arcs and all the spells, styles, equipment, magic items and more you need for your own brave heroes to move from character to legend. The Legacy of Heroes exciting Heroic Talent and Heroic Moment systems empower the players to create truly memorable role-playing experiences like never before. This book facilitates that collaboration by giving you, the player, the tools you need for the stories you imagine in an efficient, simple, and familiar system based on the OGL license. The only question is, are you ready for your own legacy? Visit www.thelegacyheroes.com for support, downloads and more!
