

Weekend Warriors

In a unique blend of historical investigation, cross-cultural comparison, and in-depth analysis, Weekend Warriors draws parallels between past traditions of aggression and the present-day problem of drunkenness on the Pacific island of Truk. Marshall demonstrates that many of our beliefs about drinking and drunkenness may be faulty and that a genuine understanding demands a social and cultural approach as well as a medical one.

First in the New York Times bestselling series featuring fierce female vigilantes—includes a bonus Sisterhood chapter and an interview with Fern Michaels! Life isn't fair. Most women know it. But what can you do about it? Plenty . . . if you're part of the Sisterhood. On the surface, these seven women are as different as can be—but each has had her share of bad luck, from cheating husbands to sexist colleagues to a legal system that often doesn't do its job. Now, drawn together by tragedy, they're forging a bond that will help them right the wrongs committed against them and discover an inner strength they didn't know they had. Growing bolder with each act of justice, the Sisterhood is learning that when bad things happen, you can roll over and play dead . . . or you can get up fighting . . . "Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands."—Booklist Series praise "Readers looking for an updated Charlie's Angels in 'wild women' mode will be most satisfied."—Publishers Weekly on Lethal Justice "Spunky women who fight for truth, justice, and the American way."—Fresh Fiction on Final Justice "Delectable . . . deliver[s] revenge that's creatively swift and sweet, Michaels-style."—Publishers Weekly on Hokus Poku

Transportation Financing Opportunities for the State of California

Mixing solid advice with glory-day stories, this is an essential guide for all who takeAmerica's most popular recreational sport seriously (but not too seriously!).

Sure to appeal to pickup players from coast to coast, city to country, this essential guide forhip hoopsters features a casual mix of advice and tall tales—usually heard only courtside.

In That's Gotta Hurt, the orthopaedist David Geier shows how sports medicine has had a greater impact on the sports we watch and play than any technique or concept in coaching or training. Injuries among professional and college athletes have forced orthopaedic surgeons and other healthcare providers to develop new surgeries, treatments, rehabilitation techniques, and prevention strategies. In response to these injuries, sports themselves have radically changed their rules, mandated new equipment, and adopted new procedures to protect their players.

Parents now openly question the safety of these sports for their children and look for ways to prevent the injuries they see among the pros. The influence that sports medicine has had in effecting those changes and improving both the performance and the health of the athletes has been remarkable. Through the stories of a dozen athletes whose injuries and recovery advanced the field (including Joan Benoit, Michael Jordan, Brandi Chastain, and Tommy John), Dr. Geier explains how sports medicine makes sports safer for the pros, amateurs, student-athletes, and weekend warriors alike. That's Gotta Hurt is a fascinating and important book for all athletes, coaches, and sports fans.

We all day-dream of making the those heroic game winning plays, now make it happen! Even if you are 30, 40, 55, 65, 80, or beyond, there are still athletic accomplishments to be had! When you know how to train, you can enjoy your body and your athleticism all of your life!

Pop/Rock Guitar/Fretted Instrument Solos

The New York Times bestselling author of Weekend Warriors continues her series of seven women drawn together by the promise of payback and poetic justice. Some women get angry . . . the Sisterhood gets even. Meet the Sisterhood—seven very different women who found one another in their darkest days and formed an indelible friendship, strong enough to heal their pasts and bring laughter and joy back into their lives. In Myra Rutledge's beautiful Virginia home, amid hugs and fresh iced tea, shrimp fritters and shell-pink tulips, the friends have gathered to embark on their second mission of sweet revenge for one of their own. Julia Webster's husband, a U.S. Senator, has used his wife's graciousness and elegance to advance his career even as he's abused her trust at every turn and left her dreams for the future in tatters. Now, on the eve of his greatest political victory, he's about to learn a serious lesson. Because the senator crossed the wrong woman—and there are six more where she came from . . . Series praise "Spunky women who fight for truth, justice, and the American way."—Fresh Fiction on Final Justice "Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands."—Booklist on Weekend Warriors "Delectable . . . deliver[s] revenge that's creatively swift and sweet, Michaels-style."—Publishers Weekly on Hokus Poku "Revenge is a dish best served with cloth napkins and floral centerpieces . . .fast-paced. . . puts poetic justice first." —Publishers Weekly

(Music Minus One). A band with a great female lead singer is a winner. This book showcases the styles of legends such as Etta James, Aretha Franklin, Linda Ronstadt, Gloria Gaynor, Blondie and others. Tunes are true to the original tempo, key, and parts. In songs where there are multiple guitar or keyboard parts, we demonstrate how to pick out the most important ones. Each book is customized for the individual instrument with instruction on determining those parts. You will find the signature parts of each song noted along with helpful hints on everything from sounds to style. Each song has a complete chord chart with measure numbers so that we can help you find where the licks happen in context. This book/CD pack is noted to use as an educational tool, a play along product, or a rehearsal partner. Songs: At Last * Chain of Fools * Dancing in the Streets * Heatwave * I Will Survive * One Way or Another * Respect * We Are Family * When Will I Be Loved? * You're No Good.

Sisterhood Bundle

Weekend Warriors chronicles experiences of Naval Air Reservists called unexpectedly into active service. This account highlights the role of Naval Aviation during the initial stages of the Korean War. The author, a reservist at Naval Air Station Oakland CA, was among those ordered to report for active duty. The author recorded many of their experiences in a personal diary. The book relates how the sudden mobilization altered the personal lives of recalled members of reserve fighter squadron VF-871. The squadron immediately began preparing to serve aboard aircraft carrier USS Princeton (CV 37). The squadron was a key component of a replacement air group aboard the Princeton composed of ¿Regular¿ and ¿Reserve¿ squadrons. VF-871 pilots soon began flying varied combat missions over targets in Korea. Regrettably, three squadron pilots lost their lives flying missions during the deployment. A total of seven squadron F4U-4 Corsair aircraft were also lost in combat.

A New York Times bestselling author takes readers inside the Ironman triathlon. As he did so masterfully in his New York Times bestseller, The Gatekeepers, Jacques Steinberg creates a compelling portrait of people obsessed with reaching a life-defining goal. In this instance, the target is an Ironman triathlon—a 2.4-mile open-water swim followed by a 112-mile bike ride, then finally a 26-mile marathon run, all of which must be completed in no more than seventeen hours. Steinberg focuses not on the professionals who live off the prize money and sponsorships but on a handful of triathletes who regard the sport as a hobby. Vividly capturing the grueling preparation, the suspense of completing each event of the triathlon, and the spectacular feats of human endurance, Steinberg plumbs the physical and emotional toll as well as the psychological payoff on the participants of the Ford Ironman Arizona 2009. His You Are an Ironman is both a riveting sports narrative and a fascinating, behind-the-scenes study of what makes these athletes keep going..

Married with two children, Michael Patrick Fitzmaurice, Major, Infantry, US Army Reserve, is going to war. Bound for Ramstein, Germany, he and his troops, who never expected to be on the frontline, must now stand in battle alongside their active-duty counterparts. It's the mid-1980s and the United States is under the leadership of a new president who continues its post-Vietnam withdrawal from the world stage. Domestic affairs are the administration's priority, while international affairs are given short shrift. In Western Europe, this disengagement of the United States causes turmoil and indecision. The Soviet General Staff observes these conditions and sees an opportunity in the West's disarray. They believe one strong, overwhelming offense, launched violently and without warning, would overcome NATO's defenses before the alliance could react. Once the Soviet forces seized their objectives in West Germany and the Netherlands, NATO would be forced to sue for peace on Soviet terms. Even if the United States could react to the offensive, its support would never reach the battlefield in time to affect the outcome. And, once the Soviet forces held their ground, the demoralized people of Western Europe would never rally for a counter attack. To meet this threat and support its allies, the United States mobilizes large numbers of reservists and National Guard troops—women and men like Mike who fight to defeat the Soviet onslaught and repel the invaders. This novel was named a finalist in the Eric Hoffer Book Awards recently.

Ho! Ho! Weekend Warrior

Golf for Weekend Warriors

Focusing on the players rather than the game itself, this collection of biographies of the leading athletes in the National Lacrosse League offers fans a closer look at these famous weekend warriors. Playing for the love of the game, with much lower salaries than other professional athletes, these sports celebrities all have weekday jobs. Readers will be intrigued to see their favourite players in their other roles as teachers, athletic coaches, or executives. Along with profiles of major league lacrosse players and the special skills it takes to have two often intense jobs, inside information is given on the National Lacrosse League.
