One of the most fascinating parts of our universal connection is the ability for all of us if we so wish to access the records of all who have lived and died on earth. I can only describe it as the greatest filing system that exists, it is known in spiritual circles as the Akashic records. Stilling of the mind through meditation is the first step to channeling, I have included ‘Conversations with Alice Le Plongeon’ a channeling with an archaeologist that lived at the turn of the twentieth century. Is this safe? Can we be taken over by a demonic spirit? It is always our choice to accept or reject an entity that enters your channeling world. There is no unannounced entity going to come into your space, remember it is your choice to accept. Welcome to the incredible world of channeling.

A divine pathway recoups the neglected youths suffering from broken hearts, the victimized parents, and all those who are vulnerable to abuse despite their age. Ironically, without judging, everybody is biblically guiltless. Regrettably, conspiracy and disorderly pressure from community is tarnishing lives of the young generation. Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends. The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet. Teenage pregnancy, drugs, magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ. Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24/7. Some single parents blame their status because of the behaviour of their children. Some couples are also failing to control their teenage children. As a result, the Victorian times of high opinion of elders is now regarded as a thing of the ancient. Parents are neglecting their children because of parenting ineffectiveness and at times out of fear. Presumably, lacking of common ground with teenage children is a grey area impediment. As a parent, I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow. Truthfully, only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ-like. The same Spirit moulds parents to be real models to youths. Every day is a learning curve. No one is perfect and learning does not end. Parents should not blame themselves or the children for bad behaviour though there is always a cause. They should leave no stone unturned and find the root cause first.

What is optimal health? As one of the nation's foremost physicians in nutritional intervention, Dr. Wayne Scott Andersen has devoted his career to creating optimal health through a comprehensive approach that addresses and breaks through logistical and psychological barriers. Widely and affectionately known for his work in the field of health coaching as "Dr. A," in Discover Your Optimal Health, he provides an integrative approach that begins with developing (and maintaining) healthy habits each day. This crucial approach makes health the centerpiece of your life instead of something you do when you discover you have an illness or imbalance. Dr. A reveals how a little attention and discipline now can avoid health crises down the road. No matter what your current health status, you can be as healthy as possible. The habits you develop now make the difference between surviving and thriving, life or death. The steps toward reaching and maintaining your optimal health include: Integrating the Habits of Health into Your Life Discovering the Habits of Healthy Weight Loss Using the Habits of Healthy Eating Understanding the Habits of Healthy Motion Practicing the Habits of Healthy Sleep Employing the Habits of a Healthy Mind

In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others' needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.

Have you ever felt there is more than one you? That sometimes you are one type of person, sometimes another? Do you ever find yourself saying `yes' when you meant to say `no'? Or deciding to do one thing, then actually doing another? Most of us have had this experience of another personality taking us over, causing us to behave in an unintended way. Why do we do it? What's going on? Well known psychologist and writer John Rowan shows how each of us is made up of a number of `subpersonalities'. Some may help us, some may hinder us. If we want to be in charge of our inner world we had better find out who they are and what they do. John Rowan has written this book specifically to enable you to do this. Lively and entertaining, with questionnaires and simple exercises, Discover Your Subpersonalities will enable you to get to know the people inside you!

Have you ever felt you possessed a 'sixth sense' or intuition which you've found difficult to explain? Despite man's extraordinary advances throughout history, do you still feel something is missing: a deeper, more spiritual meaning to life? Discover Your Psychic Self addresses these issues and much more by taking you into the realms of greater awareness; it shows you step by step how to uncover your own true potential, using both meditative and physical exercises. Most importantly, this book has been written in a simple, factual style, making this complex subject both easily accessible and fascinating.

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The Discover Your True North Fieldbook will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything you've learned completing this Fieldbook, but does so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit www.DiscoverYourTrueNorth.org to learn more.

This is a must-have book to study, learn and revise using various innovative techniques, including mind mapping. Teaching is often delivered in a way that best suits the learning style of those teaching rather than the recipient. This book provides a first step to understanding your own unique and most effective learning strategies. It includes

illustrations on how to use and PowerPoint training tools. Easy to understand, comprehensive and rigorously tested. Includes: how to discover how you learn best; the importance of mind mapping - a powerful learning tool; and How to boost memory. The author introduces a range of strategies to achieve the goal of becoming a more effective

learner, for example steps: select strategies and tips that appeal to you; try out each one, ideally a few times; evaluate their effectiveness (see whether they work); practise the ones that work; and savour your success! Part one of the book deals with understanding that each person is unique and it is important therefore to understand that

learner styles will differ, but all are valid. It provides methods to examine and understand personal and emotional strengths and then apply that to identifying study skill strengths. There are activities that identify learning preferences and how to maximise on this discovery. Clearly understanding yourself is the first step to working out the very

best way to work. How to use the mind-mapping tool to good effect is explored in detail with many examples and clear illustrations. The second part of the book explores how to apply this new found knowledge and challenges the reader to really examine their attitude to themselves and to learning; how to use this knowledge in a positive way to

improve and really enjoy the learning experience. Activities for motivation, attention, creating a suitable learning environment, avoiding distraction and removing stress. This unique book focuses exclusively on learners and their learning. It includes a range of activities especially designed to empower the learner with knowledge about the

variety of ways in which people learn, taking the reader on a positive and rewarding journey of self-discovery.

Many books on persuasive speaking only teach you how to speak persuasively, but they don't teach you how to also think persuasively. Debaters tend to excel when they are put on the spot, because they know how to think fast, speak well, and win audiences. Think, Speak, Win: Discover the Art of Debate" provides a first-of-its-kind

comprehensive introduction to the basics of debating for young students as well as interested adults, in a light-hearted and interesting style. This book breaks down the skills of debating into simple, memorable, and easy-to-follow chapters, and even covers the basics of coaching a school team and judging a debate competition. The skills of

debating can help you achieve greater success at work and school, and this book guides you through a memorable 6-step process to apply "Debate-Thinking" to situations such as interviews, essay writing, impromptu speeches, presentations, and even leadership and management. You will never be at a loss for words again!

How many of us turn away from the mirror, or from a snapshot of us, thinking, "That's not me." The truth is, we're right. Due to the human brain's neurological processes the one face our human mind is incapable of seeing is our own. And yet, it's important that we do see ourselves as we truly are. Now as never before in history, our need to

explore the pivotal issue of how we see ourselves and understand what we look like has become very important. This is the reason that we're witnessing the explosion of the phenomenal trend called the "selfie." Fascinated by the common response, "I'm not photogenic" to photos of themselves—even by clients internationally renowned for their

beauty—photographer Pina Di Cola discovered a breakthrough in self-image: the theory of the Photo-Image. Pairing her thirty years of experience as a celebrity photographer with in-depth research in the fields of neurology, psychology, and sociology, she discovered how essential truly seeing ourselves is to living a full life.

A handy, charmingly designed book filled with more than eighty experiments for the whole family--discover, learn, and enjoy a better understanding of basic garden science. From testing garden soil to making a homemade battery out of a potato, this book reveals the hidden science at work in the garden and around the house. The book is

divided into four sections, each focusing on one area: biology, soil science, botany, and "kitchen sink" chemistry. Each experiment is straightforward and easy, involving no more than common household items. Learn how to germinate seeds with little more than envelopes and used egg cartons or amaze friends with the art of optical illusion.

While learning how to create a homemade ant farm or making a pressed herbarium specimen, kids get grounded in the basic principles of science. The experiments have been designed as participatory learning activities that bring kids and family members together with the aim of developing young people's learning skills, interest in science,

and the world around them.
