The New York Times bestseller! *A New York Times* Notable Book “The tale of how Konnikova followed a story about poker players and wound up becoming a story herself will have you riveted, first as you learn about her big winnings, and then as she conveys the lessons she learned both about human nature and herself.” —*The Washington Post* It’s true that Maria Konnikova had never actually played poker before and didn’t even know the rules when she approached Erik Seidel, Poker Hall of Fame inductee and winner of tens of millions of dollars in earnings, and convinced him to be her mentor. But she knew her man: a famously thoughtful and broad-minded player, he was intrigued by her pitch that she wasn’t interested in making money so much as learning about life. She had faced a stretch of personal bad luck, and her reflections on the role of chance had led her to a giant of game theory, who pointed her to poker as the ultimate master class in learning to distinguish between what can be controlled and what can’t. And she certainly brought something to the table, including a Ph.D. in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold’em, their initial end point the following year’s World Series of Poker. But then something extraordinary happened. Under Seidel’s guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn’t. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. She won a major title, got a sponsor, and got used to being on television, and to headlines like “How one writer’s book deal turned her into a professional poker player.” She even learned to like Las Vegas. But in the end, Maria Konnikova is a writer and student of human behavior, and ultimately the point was to render her incredible journey into a container for its invaluable lessons. The biggest bluff of all, she learned, is that skill is enough. Bad cards will come our way, but keeping our focus on how we play them and not on the outcome will keep us moving through many a dark patch, until the luck once again breaks our way.

It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child’s mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-write, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What’s the use of ‘I pledge allegiance’ without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children’s Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will..."

A story of trust, courage, pain, despair, and the strength to let go. A true story. Jessica has an uncomplicated life and a promising future. Leaving the house one evening, she has no idea that she's about to meet the love of her life - and that her entire understanding of the world is about to change. Before long, she's going to face a decision that will shape her forever . . . In *So Near the Horizon*, Jessica Koch describes a life lived somewhere between hope and fear, confronting true events from her own past with raw honesty and frank reflection - and exploring more than one difficult subject along the way. Reading sample (...) "Why?" I tried to meet his eyes, but he shut them, avoiding my gaze. His fingernails dug into the skin on his bare arms, and he pursed his lips grimly. Slowly, I scooted toward him. "Talk to me, Danny, please," I said, trying to pry one of his arms loose. But the more I tugged, the more rigidly he kept them crossed against his body as he shrank away from me as far as he could inside the cramped car. For a moment, I was afraid he would simply get out and walk away. Too close, a voice whispered inside me. You're much too close to him! I let go of his arm so I could slide back into my seat, and he relaxed almost instantly. He took several deep, slow breaths before opening his eyes and blinking at me through his long lashes. "You know why," he whispered. "And someday I'll tell you myself. I promise. Be patient with me." About the author Jessica Koch was born in Ludwigsburg, Germany, and began writing short stories when she was still in high school - but never submitted her work to publishers. Shortly after finishing school, she met Danny, a German-American dual citizen. Her experiences with him eventually formed the basis for *So Near the Horizon*, though it was nearly thirteen years before she felt ready to bring the manuscript to the public. The author describes a life lived somewhere between hope and fear, between optimism and despair. She reflects on events from her own past with raw honesty, confronting more than one difficult subject along the way. Jessica Koch's dramatic debut novel, *Dem Horizont so nah (So Near the Horizon)*, broke every record when it hit stores in Germany. Released in 2016 through a small, independent publishing house, the e-book was an instant success, selling over 250,000 copies in just a few months and topping the Amazon bestseller list for more than six weeks - which made it the number-one bestselling German-language ebook of 2016! Since then, one of Germany's largest publishing houses has purchased the rights to this riveting and highly emotional memoir. The foreign rights have been picked up in numerous countries, and the feature film is scheduled to arrive in theaters at the end of 2018. Jessica Koch lives near the city of Stuttgart with her husband, their son, and two dogs. The second and third books in the trilogy, *So Near the Abyss* and *So Near the Ocean*, are already best-sellers in Germany as well.*
