

What Time Is It Mr Crocodile

Mr. Wolf, presented in the form of an interactive finger puppet, finds he and Little Wolf are always hungry, no matter what the time of day.

Delve inside and see what a little mouse and a lot of curiosity could lead to.

Three classic crime novels chronicle the deadly adventures and sinister exploits of the inimitable Tom Ripley, a psychopath and genius who will do anything to achieve his goals

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

A fun way for kids to practise telling the time in Italian! Based on the popular children’s game, What’s the time, Mr Wolf? is a bilingual Italian-English picture story book that encourages beginners and young learners to tell the time on 15 colourful, cartoon clocks. Be careful of Mr Wolf, it might be time for him to eat! Includes o’clock, quarter past, half past and quarter to the hour times. ♥**Level Two** picture story book - ideal for kids ages 5 to 8 (see below for guide) ♥**XL size pages** ♥**Telling the time** themed vocabulary ♥**Cute** colourful illustrations ♥**Great** for kids learning Italian in a bilingual home or in bilingual or multicultural education ♥**Teaching** resource for bilingual parents to modern foreign language teachers ♥**More titles available** Ottoly Square Ottoly Square is a small, independent publishing house dedicated to promoting fun and imaginative bilingual children's literature. We publish bilingual children's fiction, non-fiction and themed activity books in 11 different language combinations for a range of different learning stages. ♥**Level One Our Level One** books are designed to introduce first words and simple phrases to very young learners. Each book focuses on 5 to 10 basic words within a theme and these are repeated to build learning confidence and self esteem. Level One activity books include targeted games such as mazes, colouring pages and matching pairs. Ideal for use with young children aged between 3 and 6 (such as those in preschool, kindergarten and early years education) at the beginning of their learning. ♥**Level Two Our Level Two** books aim to expand vocabulary and introduce simple grammar concepts. Each book introduces 10 to 20 words and phrases within a theme and these are repeated and linked to different activities, such as counting games to support learning. Ideal for use with young children aged 5 to 8 (for example those in early years and junior school) who have some familiarity with the target language. ♥**Level Three Our Level Three** books build upon the foundations of language learning to introduce more grammar and vocabulary (around 20 to 50 words and phrases within a theme). Level Three activity books continue to repeat learned vocabulary to reinforce retention but also allow language learners to utilize the language within themed activities such as numbers in addition and subtraction games and repetition of vocabulary in targeted activities such as what comes next and can you find?. Ideal for language learners aged 7 to 9 who are expanding their knowledge and confidence in the target language. ♥**Level Four Our Level Four** books are designed as a launchpad for confident, young language learners to move forwards with their foreign language education. The number of words and phrases used increases to over 50 and grammar becomes more complex. Level Four activity books continue to use repetition of vocabulary as an effective educational tool and activities remain focused to allow learners to explore the use of language. Ideal for confident language learners aged 8 to 10 who are ready for more challenging vocabulary and grammar concepts.

My Time with Mr. Pulver

A Bilingual Italian-English Picture Story Book

The Strange Case of Dr. Jekyll and Mr. Hyde

Interpreter of Maladies

A Novel

From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

.What's the Time, Mr Wolf? This book features flap, which can be flipped by children for the answer and see what Mr Wolf is up to.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author’s own experiences, coupled with poignant drawings by Ellen Forney that reflect the character’s art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

A photographic memoir of photographer and FotoFest photo festival founder Fred Baldwin’s extraordinary life: how he followed his dream, used his imagination, overcame fear, and acted to accomplish anything. This account takes the reader to high adventure worldwide, but also to disaster and failure. This illustrated love affair with freedom shows how a camera became a passport to the world. The son of an American diplomat, who died when Baldwin was five, the book describes a string of disasters associated with six elite boarding schools and one university led to his exile to work in a factory where he joined low-paid black and white workers in his uncle’s factory in Savannah, Georgia. Baldwin escaped by joining the Marines and was immediately shipped to North Korea in 1950. Wounded and decorated twice, Baldwin also learned from the brutal, 35 below zero weather at the Chosin Reservoir where his unit was surrounded and outnumbered by the Chinese. After Korea, Baldwin moved to Paris, then returned to a junior college in Georgia, won a scholarship to Harvard and transferred to Columbia. Baldwin taught himself photography by visiting MoMa and every photo gallery in New York. Baldwin wanted to be a photojournalist. "I discovered the Civil Rights Movement by chance as I was walking the streets of Savannah planning a book on the city’s architecture. I met change marching toward me in the form of Benjamin Van Clark, a seventeen-year-old student leading his troops chanting into battle. The deep rumblings of the Civil Rights Movement in Georgia and elsewhere somehow had never reached me in Europe. As I wrote, 'the polar bears I was photographing in the Arctic didn't tell me about what was happening with Black folks in the South. They were just too white.'" The stories in this book are often laced with self-deprecating humour, a mechanism that Baldwin had developed early as a survival tool.

Dear Mr. Picasso

Mr Peacock’s Possessions

THE TIMES Book of the Year

Dear Mr. You

Mr. Penumbra’s 24-Hour Bookstore

When a man is found on a British beach, drifting in and out of consciousness, with no identification and unable to speak, interest in him is sparked immediately. From the hospital staff who find themselves inexplicably drawn to him, to international medical experts who are baffled by him, to the national press who call him Mr. Nobody, everyone wants answers. Who is this man? And what happened to him? Some memories are best forgotten. Neuropsychiatrist Dr. Emma Lewis is asked to assess the patient in a small town deep in the English countryside. This is her field of expertise, this is the chance she’s been waiting for, and this case could make her name known across the world. But therein lies the danger. Emma left this same town fourteen years ago and has taken great pains to cover all traces of her past since then. Places aren't haunted...people are. But now something--or someone--is calling her back. And the more time she spends with her patient, the more alarmed she becomes that he knows the one thing about her that nobody is supposed to know.

Mr. Popper and his family have penguins in the fridge and an ice rink in the basement in this hilarious Newbery Honor book that inspired the hit movie! How many penguins in the house is too many? Mr. Popper is a humble house painter living in Stillwater who dreams of faraway places like the South Pole. When an explorer responds to his letter by sending him a penguin named Captain Cook, Mr. Popper and his family’s lives change forever. Soon one penguin becomes twelve, and the Poppers must set out on their own adventure to preserve their home. First published in 1938, Mr. Popper’s Penguins is a classic tale that has enchanted young readers for generations. This ebook features an illustrated biography of Richard and Florence Atwater including rare photos from the authors’ estate.

This book “renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the man, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted”--

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson’s surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

Telling Time

The Lottery

The Principles of Mr. Harrison's Time-keeper

What Time is It, Mr. Wolf?

Because of Mister Terupt

What's the time, Mr Wolf? It's story time with Debi Gliori! Accompany Mr Wolf as he goes about his daily routine from breakfast to bedtime - and get to know the real Mr Wolf! Little ones will enjoy recognising familiar faces from a plethora of nursery rhymes, including Little Red Riding Hood (masquerading as the post girl), three cheeky little pigs (who make prank calls), a cat who's a dab hand at the fiddle, plus four and twenty blackbirds . . . An enchantingly original story inspired by the well-known playground tag game, this is also perfect for practising telling the time. The stunning artwork reveals something new with every reading and the many fabulous details will keep you turning the pages again and again. Brilliantly read by Amelia Fox. Please note that audio is not supported by all devices, please consult your user manual for confirmation.

"A captivating start to what promises to be an epic post-apocalyptic fable" (Kirkus), The Book of Koli is the unforgettable story of a young boy struggling to find his place in a world where nature itself has turned against humanity. Everything that lives hates us... Beyond the walls of the small village of Mythen Rood lies an unrecognizable landscape. A place where overgrown forests are filled with choker trees and deadly seeds that will kill you where you stand. And if they don't get you, one of the dangerous shunned men will. Koli has lived in Mythen Rood his entire life. He believes the first rule of survival is that you don't venture too far beyond the walls. He’s wrong. For more from M. R. Carey, check out:The Girl With All the GiftsFellsideThe Boy on the BridgeSomeone Like Me By the same author, writing as Mike Carey: The Devil You Know Vicious Circle Dead Men’s Boots Thicker Than Water The Naming of the Beasts

The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra’s 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they ilcheck out!|impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnostic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers’|behaviour and roped his friends into helping him figure out just what’s|going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra’s 24-Hour Bookstore is exactly what it sounds like!an establishment you have to enter and will never want to leave.

My name is Marten Mann. I work for the Devil, or The Prince of Lies, as you people are so fond of calling him. Yes. You read that last line correctly. I am employed by the Powers of Evil as Acquisitor Ad Infinitum. Catchy, huh? To put it in simpler terms, I am a broker of sorts. You know, the guy who finds out what it is that you want the most. I make it readily available to you for a price. I think we all know just how costly that one thing that you think you need so much can be. Which is why I urge all of my clients to choose wisely.

How to Tell Time on Digital and Analog Clocks

With Plates of the Same

Letters to a Future Champion

Telling time becomes clear and easy for young readers in this bright and lively introduction to measurements of time. From seconds to minutes, hours to days, exploring what time is and discovering why we need to tell time, helps young readers understand more than 'the big hand is on the one and the little hand is on the two'. Megan Halsey’s playful illustrations depict imaginative digital and analog clocks that range in design. With the help of a whole lot of clocks, a dash of humor, and a few familiar circumstances, learning to tell time is a lot of fun. It’s about time. Jack Lund figures a good day is when his dad’s too drunk to beat up his mom. For Jack, Bogg’s End is the end. The end of the turbulent, see-saw years of watching his father go on the wagon and fall right back off gain. Once it took two years, but the inevitable inevitably happened. Now it’s just Jack and his mom starting over in the strange old house his grandfather left them. But the ride’s not over yet. Jack’s father returns, full of apologies and promises, and for a little while, things are looking up. Then in one terrifying, sickening moment, everything comes crashing back down again. So Jack runs. He runs through a strange hidden door that takes him back in time to before his parents were born. Before he was born. Maybe with a second chance he can stop the inevitable. At least he’s got to try. What Jack doesn’t understand, though, is that he can’t change his future until he faces his past.

One of the most famous science books of our time, the phenomenal national bestseller that "buzzes with energy, anecdote and life. It almost makes you want to become a physicist" (Science Digest). Richard P. Feynman, winner of the Nobel Prize in physics, thrived on outrageous adventures. In this lively work that “can shatter the stereotype of the stuffy scientist” (Detroit Free Press), Feynman recounts his experiences trading ideas on atomic physics with Einstein and cracking the uncrackable safes guarding the most deeply held nuclear secrets—and much more of an eyebrow-raising nature. In his stories, Feynman’s life shines through in all its eccentric glory—a combustible mixture of high intelligence, unlimited curiosity, and raging chutzpah. Included for this edition is a new introduction by Bill Gates.

From the KGB to the Kremlin: a multidimensional portrait of the man at war with the West. Where do Vladimir Putin's ideas come from? How does he look at the outside world? What does he want, and how far is he willing to go? The great lesson of the outbreak of World War I in 1914 was the danger of misreading the statements, actions, and intentions of the adversary. Today, Vladimir Putin has become the greatest challenge to European security and the global world order in decades. Russia's 8,000 nuclear weapons underscore the huge risks of not understanding who Putin is. Featuring five new chapters, this new edition dispels potentially dangerous misconceptions about Putin and offers a clear-eyed look at his objectives. It presents Putin as a reflection of deeply ingrained Russian ways of thinking as well as his unique personal background and experience. Praise for the first edition If you want to begin to understand Russia today, read this book. —Sir John Scarlett, former chief of the British Secret Intelligence Service (MI6) For anyone wishing to understand Russia's evolution since the breakup of the Soviet Union and its trajectory since then, the book you hold in your hand is an essential guide.—John McLaughlin, former deputy director of U.S. Central Intelligence Of the many biographies of Vladimir Putin that have appeared in recent years, this one is the most useful. —Foreign Affairs This is not just another Putin biography. It is a psychological portrait. —The Financial Times Q: Do you have time to read books? If so, which ones would you recommend? "My goodness, let's see. There's Mr. Putin, by Fiona Hill and Clifford Gaddy. Insightful." —Vice President Joseph Biden in Joe Biden: The Rolling Stone Interview.

Tell the time with Mr Wolf as he goes through the day, but watch out for him at mealtimes !

*What Time Is It, Mr. Crocodile?*Houghton Mifflin Harcourt

This is the story of four little wolves playing 'What's the time, Mr Wolf?' with their uncle, Mr Wolf. Children will enjoy reading the rhyming text and playing the 'What's the time, Mr Wolf?' game by lifting each flap to see Mr Wolf telling the time. Each spread features a flap and tactile for interactive fun.

An intimate, intense and beautifully realised novel of possession, power and the liberating loss of innocence, this will delight fans of MISTER PIP and THE POISONWOOD BIBLE. Oceania, 1879. For two years the Peacocks, a determined family of settlers, have struggled to make a remote volcanic island their home. At last, a ship appears. The six Pacific Islanders on board have travelled over eight hundred miles in search of new horizons. Hopes are high, until a vulnerable boy vanishes. In their search for the lost child, settlers and newcomers together uncover far more than they were looking for. The island's secrets force young Lizzie Peacock to question her deepest convictions, and slowly this tiny, fragile community begins to fracture . . . It's Go Time!

Fantastic Mr. Fox

At first, Trisha loves school, but her difficulty learning to read makes her feel dumb, until, in the fifth grade, a new teacher helps her understand and overcome her problem.

The acclaimed, award-winning author of *The Resisters* takes measure of the fifty years since the opening of China and its unexpected effects on the lives of ordinary people. It is a unique book that only Jen could write—a story collection accruing the power of a novel as it proceeds—a work that Cynthia Ozick has called “an art beyond art. It is life itself.” Beginning with a cheery letter penned by a Chinese girl in heaven to “poor Mr. Nixon” in hell, Gish Jen embarks on a fictional journey through U.S.-China relations, capturing the excitement of a world on the brink of tectonic change. Opal Chen reunites with her Chinese sisters after forty years; newly cosmopolitan Lulu Koo wonders why Americans “like to walk around in the woods with the mosquitoes”; Hong Kong parents go to extreme lengths to reestablish contact with their “number-one daughter” in New York; and Betty Koo, brought up on “no politics, just make money,” finds she must reassess her mother’s philosophy. With their profound compassion and equally profound humor, these eleven linked stories trace the intimate ways in which humans make and are made by history, capturing an extraordinary era in an extraordinary way. Delightful, provocative, and powerful, *Thank You, Mr. Nixon* furnishes yet more proof of Gish Jen’s eminent place among American storytellers.

Mr. Wolf's disastrous hourly attempts to attack Mouse and Squirrel leave him looking increasingly the worse for wear as they teach young readers how to tell time.

Mr. Crocodile's plans to catch and eat some pesky monkeys do not work out and he becomes friends with them instead.

Diary of a Decade : Our Time and Rock and Roll

A narrative on politics throughout the final decades of the nineteenth century focuses on the career of Speaker of the House Thomas Reed while offering insight into the influence of corruption, industrial growth, and populist protests.

The book that inspired the Academy Award–winning short film, from New York Times bestselling author and beloved visionary William Joyce. Morris Lessmore loved words. He loved stories. He loved books. But every story has its upsets. Everything in Morris Lessmore ’ s life, including his own story, is scattered to the winds. But the power of story will save the day. Stunningly brought to life by William Joyce, one of the preeminent creators in children ’ s literature, *The Fantastic Flying Books of Mr. Morris Lessmore* is a modern masterpiece, showing that in today ’ s world of traditional books, eBooks, and apps, it ’ s story that we truly celebrate—and this story, no matter how you tell it, begs to be read again and again.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

A debut collection of short fiction blends elements of Indian traditions with the complexities of American culture in such tales as "A Temporary Matter," in which a young Indian-American couple confronts their grief over the loss of a child, while their Boston neighborhood copes with a nightly blackout. Original. 20,000 first printing.
