In a moment, Chris went from a talented college football player with a promising future to a quadriplegic with a 3 percent chance of ever moving or feeling anything below his neck, much less walking again. Determined to prove the doctors wrong, he pushed himself through grueling, daily workouts to achieve his goal four years later: walking the stage to receive his college diploma with Emily's help, and to the world's astonished applause. Meanwhile, Emily faced her own challenges as she sunk into a deep battle against anxiety and depression, despite her life's outward blessings. Day by day, decision by decision, Chris and Emily committed themselves to taking the extra step, trusting God, and leaning on the help of others. In a story of courageous faith and grit, this extraordinary couple's journey ultimately led them to tackle the seven longest yards - down the wedding aisle and into a new life together. And what a new life it is: Chris and Emily have adopted five beautiful girls and welcomed foster children - seventeen and counting! - into their home and hearts. Let this book be your inspiration for defying your own impossible, and finding joy on the other side.
