

Whats Happening To Ellie A Book About Puberty For Girls And Young Women With Autism And Related Conditions Sexuality And Safety With Tom And Ellie

*Ellie Frias disappeared long before she vanished. Tormented throughout middle school, Ellie begins her freshman year with a new look: she doesn't need to be popular; she just needs to blend in with the wallpaper. But when the unthinkable happens, Ellie finds herself trapped after a brutal assault. She wasn't the first victim, and now she watches it happen again and again. She tries to hold on to her happier memories in order to get past the cold days, waiting for someone to find her. The problem is, no one searches for a girl they never noticed in the first place. TE Carter's stirring and visceral debut not only discusses and dismantles rape culture, but it also reminds us what it is to be human. Recommended by Entertainment Weekly * CNN * Harper's BAZAAR * E! Online * Refinery 29 * Bustle * Shondaland **

and more! "For when you want a coming-
of-age novel with a dark twist. In this
provocative novel, the past isn't
always as far away as you think." —The
Skimm "[S]o beautifully written that I
marked lines—for their perceptive
genius—on nearly every page... This
perfectly paced novel examines class
structures and sexual identity and
betrayals and tragedy in a way that had
be both wanting to rip through the
pages and wanting to savor each
sentence until the extremely satisfying
end." —Elin Hilderbrand for Literati
Can we ever really escape our pasts?
The girls of St John the Divine, an
elite English boarding school, were
notorious for flipping their hair,
harassing teachers, chasing boys, and
chain-smoking cigarettes. They were
fiercely loyal, sharp-tongued, and
cuttingly humorous in the way that only
teenage girls can be. For Josephine,
now in her thirties, the years at St
John were a lifetime ago. She hasn't
spoken to another Divine in fifteen
years, not since the day the school

shuttered its doors in disgrace. Yet now Josephine inexplicably finds herself returning to her old stomping grounds. The visit provokes blurry recollections of those doomed final weeks that rocked the community. Ruminating on the past, Josephine becomes obsessed with her teenage identity and the forgotten girls of her one-time orbit. With each memory that resurfaces, she circles closer to the violent secret at the heart of the school's scandal. But the more Josephine recalls, the further her life unravels, derailing not just her marriage and career, but her entire sense of self. Suspenseful, provocative, and compulsively readable, *The Divines* explores the tension between the lives we lead as adults and the experiences that form us, probing us to consider how our memories as adults compel us to reexamine our pasts.

#1 NEW YORK TIMES BESTSELLER From the New York Times bestselling author of *Invisible Girl* and *The Truth About Melody Browne* comes a "riveting" (PopSugar) and "acutely observed family

drama" (People) that delves into the lingering aftermath of a young girl's disappearance. Ellie Mack was the perfect daughter. She was fifteen, the youngest of three. Beloved by her parents, friends, and teachers, and half of a teenaged golden couple. Ellie was days away from an idyllic post-exams summer vacation, with her whole life ahead of her. And then she was gone. Now, her mother Laurel Mack is trying to put her life back together. It's been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets an unexpectedly charming man in a café, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she's meeting Floyd's daughters—and his youngest, Poppy, takes Laurel's breath away. Because looking at Poppy is like looking at Ellie. And now, the unanswered questions she's tried so hard to put to rest begin to haunt Laurel anew. Where did Ellie go? Did she really run away from home, as the

police have long suspected, or was there a more sinister reason for her disappearance? Who is Floyd, really? And why does his daughter remind Laurel so viscerally of her own missing girl? Ellie notices that her body is changing. Hair is growing in new places and there are other changes happening too. Ellie's mum helps her understand that she has started growing into a woman. Following Ellie as she begins to notice changes to her body, this simple resource helps parents and carers teach girls with autism and related conditions about puberty. It covers all the changes that they will experience, both emotional such as new feelings and physical such as periods. This fully illustrated positive and entertaining book provides the perfect opportunity to talk about puberty with girls and young women with autism or related conditions.

Young readers are invited to identify different objects as they search in nature for Ellie the elephant. On board pages.

A Dog's Purpose Novel

Pulitzer Prize-winning author and astronomer Carl Sagan imagines the greatest adventure of all—the discovery of an advanced civilization in the depths of space. In December of 1999, a multinational team journeys out to the stars, to the most awesome encounter in human history. Who—or what—is out there? In *Cosmos*, Carl Sagan explained the universe. In *Contact*, he predicts its future—and our own. Tom notices that his body is changing. Tom's voice is different and hair is growing in new places. There are other changes happening too. Tom learns that he has started growing into a man. Following Tom as he begins to notice changes to his body, this simple resource helps parents and carers teach boys with autism or other special needs about puberty. It covers all the changes that they will experience, both emotional such as new feelings and physical such as wet dreams. This fully illustrated positive and entertaining book provides the perfect opportunity to talk about puberty with boys and young men with autism or special needs.

Ellie's Story

Calvin

What Planet Can I Blame This On?

Ellie Makes Her Move

What's Happening to Ellie?

The Turn of the Key

In this joyful and impactful picture book, a transgender boy prepares for the first day of school and introduces himself to his family and friends for the first time. Calvin has always been a boy, even if the world sees him as a girl. He knows who he is in his heart and in his mind but he hasn't yet told his family. Finally, he can wait no longer: "I'm not a girl," he tells his family. "I'm a boy--a boy in my heart and in my brain." Quick to support him, his loving family takes Calvin shopping for the swim trunks he's always wanted and back-to-school clothes and a new haircut that helps him look and feel like the boy he's always known himself to be. As the first day of school approaches, he's nervous and the "what-ifs" gather up inside him. But as his friends and teachers rally around him and he tells them his name, all his "what-ifs" begin to melt away. Inspired by the authors' own transgender child and accompanied by warm and triumphant illustrations, this authentic and personal text promotes kindness and empathy, offering a poignant and inclusive back-to-school message: all should feel safe, respected, and welcomed.

Astronomy-loving Calliope June has Tourette syndrome, so she sometimes makes faces or noises that she doesn't mean to make. When she and her mother move yet again, she tries to hide her TS. But it isn't long before the kids at her new school realize she's different. Only Calliope's neighbor, who is also the popular student body president, sees her as she truly is--an interesting person and a good friend. But is he brave enough to take their friendship public? As Calliope navigates school, she must also face her mother's new relationship and the fact that they might be moving--again--just as she starts to make friends and finally accept her differences. Ellie Terry's affecting debut will speak to a wide audience about being true to oneself.

When Tom is out shopping, he needs to go to the toilet. Tom knows that public toilets are different to his toilet at home. There are urinals and cubicles and he has to decide which to use. This visual resource helps parents and carers teach boys and young men with autism or other special needs about how to use public toilets safely. It covers the subtleties of social etiquette including where to stand and look, as well as practicalities such as remembering to lock the cubicle door. With simple and effective illustrations throughout, the book is the perfect starting point for teaching independence when using public toilets.

Now on Netflix! A Wall Street Journal Best Science Fiction Book of 2018 "Just try to put this gripping thriller down once you pick it up." —AARP "A shock on every other page." —Wall Street Journal How far would you go to find The One? A simple DNA test is all it takes. Just a quick mouth swab and soon you'll be matched with your perfect partner—the one you're genetically made for. That's the promise made by Match Your DNA. A decade ago, the company announced that they had found the gene that pairs each of us with our soul mate. Since then, millions of people around the world have been matched. But the discovery has its downsides. Test results have led to the breakup of countless relationships and upended the traditional ideas of dating, romance and love. Now

five very different people have received the notification that they've been "Matched." They're each about to meet their one true love. But "happily ever after" isn't guaranteed for everyone. Because even soul mates have secrets. And some are more shocking than others... A word-of-mouth hit in the United Kingdom, *The One* is a fascinating novel that shows how even the simplest discoveries can have complicated consequences.

Princess Ellie is pony-mad! She always wants to sneak off to the stables - and especially when she realizes something's wrong with her pony, Starlight. But Meg the groom won't tell her what it is. To take her mind off it, Ellie goes for a ride on the beach. But then disaster strikes and she's stuck! How will she get back to her beloved Starlight? Includes pony facts, quizzes and downloadable colouring sheets. "A heady cocktail of princesses, horses and mystery is enough to make any girl giddy. The text trots along with humour and enough horsey fact to hold the attention, while the lovely drawings help fit faces to story." - BBC Parenting

I Stop Somewhere

Based on a true story, a totally heartbreaking, epic and gripping World War 2 page-turner

An Ellie MacIntosh Thriller

A Read-Along

A Surprise for Princess Ellie

A book about puberty for girls and young women with autism and related conditions

When Ellie is in the park with her father, she needs to go to the toilet. Ellie knows that public toilets are different to her toilet at home. This visual resource helps parents and carers teach girls and young women with autism and related conditions about how to use public toilets safely. It covers the subtleties of social etiquette including where to stand and look, as well as practicalities such as remembering to lock the cubicle door. With simple and effective illustrations throughout, the book is the perfect starting point for teaching independence when using public toilets.

When Ellie and six of her friends return home from a camping trip deep in the bush, they find things

hideously wrong -- their families gone, houses empty and abandoned, pets and stock dead. Gradually they begin to comprehend that their country has been invaded and everyone in the town has been taken prisoner. As the horrible reality of the situation becomes evident they have to make a life-and-death decision: to run back into the bush and hide, to give themselves up to be with their families, or to stay and try to fight. This reveting, tautly-drawn novel seems at times to be only a step away from today's headlines.

INSTANT NEW YORK TIMES BESTSELLER “A superb suspense writer...Brava, Ruth Ware. I daresay even Henry James would be impressed.” —Maureen Corrigan, author of *So We Read On* “This appropriately twisty *Turn of the Screw* update finds the *Woman in Cabin 10* author in her most menacing mode, unfurling a shocking saga of murder and deception.” —*Entertainment Weekly* From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs. Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she’s looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious “smart” home fitted out with all modern conveniences, by the

*beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn't just the constant surveillance from the home's cameras, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder—but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.*

"Amazing... So heart-wrenching. The fact that it is a true story tears at your heartstrings, so reading with a box of Kleenex is a must... Such a phenomenal story... Will continue to resonate in me for a very long

time... Wonderful, phenomenal must-read!"

PageTurners, ?????? "Be brave. Don't run. Fight."

With her eyes tightly shut, tears rolling from under her dark lashes, she felt his lips gently touch her burning cheek. The train on the platform whistled, and he disappeared into the steam. Berlin, 1939: Libby is determined to start a new life—as far away as possible from her family and their alliance with the Nazis. But in the city, there's no escape from Hitler's brutal regime. And when Libby's friend vanishes into thin air, she cannot stand back and do nothing... And then Libby meets Harro and her world tips upside down as they fall desperately in love. But she knows there's a story behind his cornflower-blue eyes. The whip marks on his back, scars from the SS, tell his secret: he is a resistance fighter. Harro draws Libby into the world of the resistance, and their life grows increasingly dangerous as they do everything they can to bring about Hitler's downfall. With each risk they take, Libby is terrified of losing Harro—how will she live without him? Libby starts to believe that the Gestapo is stalking them—their every move watched, their phone calls recorded. And one day, Harro simply disappears. Her worst nightmare has come true, and she knows that it is just a matter of time before she's next. Will they live to see each other once again? Or will everything they've risked be in vain? Fans of *The Tattooist of Auschwitz*, *The Alice Network* and *The*

A magical spyglass reveals secrets that will bring four girls together in this new series. Twelve-year-old Ellie is ordinary. Absolutely, positively ordinary. Then her dad’s latest community project makes their whole ritzy town, including all of Ellie’s friends, turn against them. Tired of being ostracized, Ellie’s family moves to the other side of the state to live in a rickety 100-year-old house complete with a turret--and Ellie swears off friendship forever. That is until Ellie explores the turret and discovers an old-fashioned telescope--a spyglass. When she looks through it, the world she sees isn’t the same that’s out the window. There’s a community center that isn’t built

Bookmark File PDF Whats Happening To Ellie A Book About Puberty For Girls And Young Women With Autism And Related Conditions Sexuality And Safety With Tom And Ellie

yet and her new classmate Alyssa flying around on a broomstick! To figure out what the magical images mean, Ellie recruits other self-described loners, Alyssa and Rachel. When they see a vision of fellow student Kiara playing tag with a tiger and a donkey--they have their first real spyglass secret to solve. The New York Times best-selling author behind the Gifted series and the Replica books, Marilyn Kaye delivers a story filled with light magic and heart in this first book in the Spyglass Sisterhood series. Each girl will take a turn at the spyglass, confronting fears and sticking up for her peers.

Things Ellie Likes

A World Adventurers for Kids Book (#2)

Written by autistic author Robyn Steward, this is a detailed guide for young people aged 9 to 16 on the basics of menstruation. Created in consultation with young people, an online survey and a group of medical professionals, this is a book that teaches all people about periods, which can be a scary and overwhelming issue. Promoting the fact that everyone either has periods or knows someone who does, the book reduces the anxiety girls face in asking for help. It offers direct advice on what

periods look and feel like and how to manage hygiene and pain. It also breaks up information using flaps and step-by-step photos of how to change pads and tampons, it discusses alternatives to tampons and pads, and gives information about possible sensory issues for people with autism.

"Look out, Junie B. Jones! Ellie the engineer is thinking, making, creating, and showing enthusiasm and brilliance with her creations!" -School Library Connection A charming, hilarious illustrated middle grade about a girl who is an engineer--no, not the kind on a train, the kind that builds things! Perfect creative, STEM-powered fun for girls who have interests in how things work. Ellie is an engineer. With a tool belt strapped over her favorite skirt (who says you can't wear a dress and have two kinds of screwdrivers handy, just in case?), she invents and builds amazing creations in her backyard workshop. Together with her best friend Kit, Ellie can make anything. As Kit's birthday nears, Ellie doesn't know what gift to make until the girls overhear Kit's mom talking about her present--the dog Kit always wanted! Ellie plans to make an amazing doghouse, but her plans grow so elaborate that she has to enlist help from the neighbor boys and crafty girls, even though the two groups don't get along. Will Ellie be able to pull off her biggest project yet, all while keeping a secret from Kit? Illustrated with Ellie's sketches and plans, and

including backmatter with a fun how-to guide to tools, this is a STEM- and friendship-powered story full of fun!

This book is the ultimate guide to differentiation in early years, schools and further education settings by Sue Cowley, bestselling author of *Getting the Buggers to Behave*. It offers over 90 practical and time-saving strategies for effective differentiation in every classroom. *The Ultimate Guide to Differentiation* demonstrates how teachers already differentiate much of the time, in subtle and creative ways. Sue Cowley shows that we need to understand, acknowledge and celebrate the variety of approaches that teachers already use to differentiate, as well as helping them to develop additional strategies. The book takes the reader through the different methods and approaches to differentiation, providing a step-by-step guide to each. It is broken down into five core areas - planning, resources, learners, teaching and assessment - and readers can dip in and out to find strategies as and when they need them. Written in Sue's much loved realistic, honest and practical style, *The Ultimate Guide to Differentiation* will help teachers, practitioners and support staff to feel confident that they are meeting the needs of every learner.

they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

A rich, heartwarming and charming debut novel that reminds us that sometimes you find love in the most unexpected places. Dan Hollis lives a happy, solitary life carving exquisite Celtic harps in his barn in the countryside of the English moors. Here he can be himself, away from social situations that he doesn't always get right or completely understand. On the anniversary of her beloved father's death, Ellie Jacobs takes a walk in the woods and comes across Dan's barn. She is enchanted by his collection. Dan gives her a harp made of cherrywood to match her cherry socks. He stores it for her, ready for whenever she'd like to take lessons. Ellie begins visiting Dan almost daily and quickly learns that he isn't like other people. He makes her sandwiches precisely cut into triangles and repeatedly counts the (seventeen) steps of the wooden staircase to the upstairs practice room. Ellie soon realizes Dan isn't just different; in many ways, his world is better, and he gives her a fresh perspective on her own life.

Then She Was Gone

The One

KIRKUS called this heart-pounding YA mystery "gripping...Sibling loyalty, quirky characters, misplaced trust and the very questionable kindness of a stranger guarantee a riveting read." Nina was beautiful, wild & adored by her younger sister, Ellie. But, one day, Nina disappeared. 2 years later, everyone has given up hope that Nina will return, but Ellie knows her sister is out there. If only Ellie had a clue where to look. Then she gets one, in the form of a mysterious drawing. Determined to find Nina, Ellie takes off on a crazy, sexy, cross-country road trip with the only person who believes she's got a chance: her hot, adventurous new crush. Along the way, Ellie finds a few things she wasn't planning on. Like love. Lies. And the most shocking thing of all: the truth.

"A big-hearted story that's as sweet as it is awesome."
—R.J. Palacio, author of *Wonder* "An honest, emotionally rich take on disability, family, and growing up." —Kirkus Reviews (starred review) In the tradition of *Wonder* and *Out of My Mind*, this big-hearted middle grade debut tells the story of an irrepressible girl with cerebral palsy whose life takes an unexpected turn when she moves to a new town. Ellie's a girl who tells it like it is. That surprises some people, who see a kid in a wheelchair and think she's going to be all sunshine and cuddles. The thing is, Ellie has big dreams: She might be eating Stouffer's for dinner, but one day she's going to be a professional baker. If she's not writing fan letters to her favorite celebrity chefs, she's

practicing recipes on her well-meaning, if overworked, mother. But when Ellie and her mom move so they can help take care of her ailing grandpa, Ellie has to start all over again in a new town at a new school. Except she's not just the new kid—she's the new kid in the wheelchair who lives in the trailer park on the wrong side of town. It all feels like one challenge too many, until Ellie starts to make her first-ever friends. Now she just has to convince her mom that this town might just be the best thing that ever happened to them!

The zoo is closing! Ellie and her friends want to save their home, but Ellie's just a baby elephant, and she doesn't know what she can do to help. While the other animals are busy working, Ellie finds a brush and some paints, and gives the zoo a big splash of color! Will her bright new talent be enough to keep the zoo's gates open for good? Follow along with word-for-word narration to find out! When Ellie's father moves the family from England to Upper Canada, then travels alone to find land, Ellie finds it difficult to adjust to pioneer life with another family. Ellie is the rudest, most spoiled child her grandma has ever met. So Grandma, who is a little bit magic, decides to teach her a lesson and switches Ellie's body with Jolly the cat's. As Ellie starts to make friends with the other animals in the house, the mice and the spiders, she learns how to be a good friend.

Forget Me Not

The Autism-Friendly Guide to Periods

Perfect job. Perfect boyfriend. Perfect life. But the universe had other ideas... The funniest book you'll read all year! Perfect for fans of Beth O'Leary, Mhairi McFarlane and Lucy Vine. 'Utterly swoon worthy' 'Just great fun' 'Fresh, funny and fascinating' 'A stunning debut' The stars are not in position - and Krystal Baker is determined to make them fall in line. It's Krystal's 29th birthday. This year: · Her boyfriend finally proposed after six years of dating (only for her to find out he cheated on her for five and a half of them) · She landed her dream job as a writer at Craze magazine (which swiftly fell into administration) · She moved into her dream flat overlooking the city (just for the pipes to explode making the place unliveable) As she mourns everything wrong in her life, her best friend mutters the dreaded words: Saturn Return. The time in a woman's life where Saturn returns to the position it was in on the day of their birth, 29.5 years ago, and, according to legend, everything falls apart. Krystal has never bought into astrology but maybe it's time to re-evaluate - because if the stars got her into this mess, they can get her out of it. And she only has six months to make things right. Loaded with crystals, horoscopes, tarot cards and a carefully aligned chakra or two, Krystal's determined to have her life back on track by the time Saturn returns. No longer shall she brand herself a 'human disaster' because this time it's not her fault, it's written in the treacherous stars. But can Krystal learn to follow her heart, not her horoscope? Praise for Ellie Pilcher: 'Laugh-out-loud funny, brilliantly written and

utterly swoon worthy, What Planet Can I Blame This On? is the book we all need right now. Such a fun read!' - Holly Martin, author of Autumn Skies over Ruby Falls 'Perfect reading for twenty and thirty-somethings, written in the language of failed relationships and the hope for something better. Wry, witty, insightful, fast-paced and just great fun, this is a fabulous debut. It represents so much of what people go through on the pathway to finding out what they really want. It's going to be a hugely popular read.' - Helen Fields, author of the DI Callanach thrillers *'It's rare that a book really makes me laugh out loud, but this one did. Krystal's sassy, authentic narration carries the reader effortlessly as she prepares for her 'Saturn Return' and delves into its meaning. I felt as if I were living her problematic life with her! I think I fell in love with Ryan a little before she did . . .'* - Sue Moorcroft, author of *One Summer in Italy 'A joyous romp into the highs and pitfalls of following your stars.'* - Beth Corby, author of *Leave It To Fate 'What a stunning debut this is! I loved the cast of Krystal and her friends. Throw in a new interest in horoscopes and an episode of Hoarders (I've watched the whole series during lockdown) then this is the perfect read, even if it isn't always written in the stars! An author to look out for!'* - Catherine Miller, author of *Waiting For You 'Fresh, fun and fascinating from an exciting new talent.'* - Bella Osborne, author of *Meet Me at Pebble Beach 'It's fresh, wise and hugely funny and real - a celebration of that tricky late twenties stage when you reckon you should have it all figured out - but definitely haven't. When neither*

your horoscopes - nor even your very best friends - have all the answers. I loved it!" - Fiona Gibson, author of The Dog

Share 'Delightful, fun and full of laugh-out-loud moments' - Gillian Harvey, author of Perfect On Paper

An intense and riveting novel from the critically acclaimed author of Before I Die. If someone hurts your sister and you're any kind of man, you seek revenge. If your brother's accused of a terrible crime but says he didn't do it, you defend him. When Mikey's sister claims a boy assaulted her, his world begins to fall apart. When Ellie's brother is charged with the offense, her world begins to unravel.

When Mikey and Ellie meet, two worlds collide. This is a brave and unflinching novel from the bestselling author of Before I Die. It's a book about loyalty and the choices that come with it. But above all, it's a book about love.

Newbery Honor medalist Ann M. Martin's "unforgettable" (Booklist, starred) family story, now in paperback "In 1963, Ellie's mother, Doris Day Dingman, was crowned the Bosetti Beauty at Mr. Bosetti's supermarket, President John F.

Kennedy was assassinated, and the Dingmans began to fall apart." So begins 11-yr-old Eleanor Roosevelt Dingman's story. Ellie, who is about to start 6th grade in the small town of Spectacle, NY, is the oldest child in her off-center family. Her father works construction jobs, while her mother, Doris, has only one dream - to become a rich and famous actress. But when that dream leads to Doris's abandonment of the family, it is Ellie who is called upon to take charge.

In Kate Watterson's thrilling suspense novel Frozen, Bryce Grantham wants a quiet vacation at his family's cabin. On

his first night in town, he meets a lovely girl at a bar and gives her a ride home. The next day, he finds her cell phone in his car. When he tries to return it, Bryce discovers that the young woman has vanished, leaving behind only a bloody shoe. Suddenly Bryce Grantham is the primary suspect in a murder investigation. Detective Ellie MacIntosh has a serial killer on her hands, but without a body, she has few leads and the stalled investigation has her on edge. Bryce Grantham seems to be the perfect suspect. Eighteen months have gone by without a clue, and yet Grantham starts reporting stumbling across the bodies of the missing women with unbelievable frequency. The evidence against him is almost irrefutable...but Ellie's gut tells her the case is not so cut and dry. Before Ellie compromises the investigation, her career, and possibly her life in order to prove Bryce's innocence, she must determine whether he is a manipulative, cold-blooded killer...or the victim of a madman playing a sickening game. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Comedian and star of The Office and Unbreakable Kimmy Schmidt Ellie Kemper delivers a hilarious, refreshing, and inspiring collection of essays “teeming with energy and full of laugh-out-loud moments” (Associated Press). “A pleasure. Ellie Kemper is the kind of stable, intelligent, funny, healthy woman that usually only exists in yogurt commercials. But she’s real and she’s all ours!” —Tina Fey “Ellie is a hilarious and talented writer, although we’ll never know how much of this book the squirrel wrote.”—Mindy Kaling

Meet Ellie, the best-intentioned redhead next door. You'll laugh right alongside her as she shares tales of her childhood in St. Louis, whether directing and also starring in her family holiday pageant, washing her dad's car with a Brillo pad, failing to become friends with a plump squirrel in her backyard, eating her feelings while watching PG-13 movies, or becoming a "sports monster" who ends up warming the bench of her Division 1 field hockey team in college. You'll learn how she found her comedic calling in the world of improv, became a wife, mother and New Yorker, and landed the role of a bridesmaid (while simultaneously being a bridesmaid) in Bridesmaids. You'll get to know and love the comic, upbeat, perpetually polite actress playing Erin Hannon on The Office, and the exuberant, pink-pants-wearing star of Unbreakable Kimmy Schmidt. If you've ever been curious about what happens behind the scenes of your favorite shows, what it really takes to be a soul cycle "warrior," how to recover if you accidentally fall on Doris Kearns Goodwin or tell Tina Fey on meeting her for the first time that she has "great hair—really strong and thick," this is your chance to find out. But it's also a laugh-out-loud primer on how to keep a positive outlook in a world gone mad and how not to give up on your dreams. Ellie "dives fully into each role—as actor, comedian, writer, and also wife and new mom—with an electric dedication, by which one learns to reframe the picture, and if not exactly become a glass-half-full sort of person, at least become able to appreciate them" (Vogue.com).

A Novel

Echo Mountain

If fate sent you an email, would you answer? When teenage movie star Graham Larkin accidentally sends small town girl Ellie O'Neill an email about his pet pig, the two seventeen-year-olds strike up a witty and unforgettable correspondence, discussing everything under the sun, except for their names or backgrounds. Then Graham finds out that Ellie's Maine hometown is the perfect location for his latest film, and he decides to take their relationship from online to in-person. But can a star as famous as Graham really start a relationship with an ordinary girl like Ellie? And why does Ellie want to avoid the media's spotlight at all costs?
