A fresh, innovative biography of the

Download Free When Marnie Was There Joan G Robinson

twentieth century's most iconic filmmaker. In *The Twelve Lives of Alfred Hitchcock*, Edward White explores the Hitchcock phenomenon—what defines it, how it was invented, what it reveals about the man at its core, and how

Download Free When Marnie Was There Joan G Robinson

its legacy continues to shape our cultural world. The book's twelve chapters illuminate different aspects of Hitchcock's life and work: "The Boy Who Couldn't Grow Up"; "The Murderer"; "The Auteur"; "The

Download Free When Marnie Was There Joan G Robinson

Womanizer"; "The Fat Man"; "The Dandy"; "The Family Man"; "The Voyeur"; "The Entertainer"; "The Pioneer"; "The Londoner"; "The Man of God." Each of these angles reveals something fundamental about the

Download Free When Marnie Was There Joan G Robinson

man he was and the mythological creature he has become, presenting not just the life Hitchcock lived but also the various versions of himself that he projected, and those projected on his behalf. From Hitchcock's

Download Free When Marnie Was There Joan G Robinson

early work in England to his most celebrated films, White astutely analyzes Hitchcock's oeuvre and provides new interpretations. He also delves into Hitchcock's ideas about gender; his complicated relationships with "his

Download Free When Marnie Was There Joan G Robinson

women"—not only Grace Kelly and Tippi Hedren but also his female audiences—as well as leading men such as Cary Grant, and writes movingly of Hitchcock's devotion to his wife and lifelong companion, Alma,

Download Free When Marnie Was There Joan G Robinson

who made vital contributions to numerous classic Hitchcock films, and burnished his mythology. And White is trenchant in his assessment of the Hitchcock persona, so carefully created that Hitchcock became not only a

Download Free When Marnie Was There Joan G Robinson

figurehead for his own industry but nothing less than a cultural icon. Ultimately, White's portrayal illuminates a vital truth: Hitchcock was more than a Hollywood titan; he was the definitive modern artist, and his
