

## When Worlds Collide 1 Philip Wylie

*A British Lady Lady Emma Wells-Finch, the oh-so-proper headmistress of England's St. Gertrude's School for Girls, is a woman on a mission—she has two weeks to lose her reputation. Arriving in Texas with skirts flying, umbrella pointing, and beautiful mouth issuing orders, she knows only one thing will save her from losing everything she holds dear: complete and utter disgrace! A Texas Rascal World-famous playboy-athlete Kenny Traveler has kicked up his boot heels one too many times, and now he's suspended from the sport he loves. Only one thing will restore his career: complete and utter respectability! Unfortunately, he's been blackmailed into chauffeuring bossy, single-minded Lady Emma, and she's hell-bent on visiting honkytonks, chasing down tattoo parlors, and worse.. lots worse. Love, All-American Style When a gorgeous man who can't afford another scandal meets a hardheaded woman who's determined to cause one, anything can happen. But love? Oh, dear. That's impossible. That's outrageous. That's... Inevitable!*

*?The female of the species vanished on the afternoon of the second Tuesday of February at four minutes and fifty-two seconds past four o'clock, Eastern Standard Time. The event occurred universally at the same instant, without regard to time belts, and was followed by such phenomena as might be expected after happenings of that nature.? On a lazy, quiet afternoon, in the blink of an eye, our world shatters into two parallel universes as men vanish from women and women from men. After families and loved ones separate from one another, life continues in very different ways for men and women, boys and girls. An explosion of violence sweeps one world that still operates technologically; social stability and peace in the other are offset by famine and a widespread breakdown in machinery and science. And as we learn from the fascinating parallel stories of a brilliant couple, Bill and Paula Gaunt, the foundations of relationships, love, and sex are scrutinized, tested, and sometimes redefined in both worlds. The radically divergent trajectories of the gendered histories reveal stark truths about the rigidly defined expectations placed on men and women and their sexual relationships and make clear how much society depends on interconnection between the sexes. Written over a half century ago yet brimming with insight and unsettling in its relevance today, The Disappearance is a masterpiece of modern speculative fiction.*

*This book may change your life. It may save it. It is one of the most important—and most shocking—books ever written. Tomorrow! is a story of average, nice Americans living in the neighboring cities of Green Prairie and River City in Middle America. It is—until the sudden blitz—the story of the girl next door and her boyfriend; of the accountant who saw what was coming, and the rich old lady who didn't; of engaging young kids, babies, “hoods,” a bank official who “borrowed” from a customer's account. Then, at the height of the Christmas shopping season, Condition Red is sounded, and this down-to-earth story of America's Main Street becomes a shattering, vivid experience of the nightmare that human beings have cooked up for themselves. Tomorrow! can be read as a novel of pure suspense—if you dare. It is a thriller in which the apocalyptic technology of today is superimposed on the future. But the novel is also designed to show Philip Wylie's conclusions about America's dangerous vulnerability to dread, hysteria, and panic, as well as his recommendations about what must be done.*

*A Jason Bourne novel from the #1 New York Times bestselling author Facing down mercenaries in Africa, Jason Bourne witnesses the death of an art dealer named Tracy Atherton. Her killing dredges up snatches of Bourne's impaired memory, in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring—an artifact of such powerful significance that people have killed to obtain it. Now he's determined to find the ring's owner and purpose. But Bourne never knows what terrible acts he'll discover he committed when he digs into the past. The trail will lead him through layers of conspiracy to a vicious Russian mercenary, Leonid Arkadin, who was also a graduate of the Central Intelligence training program Treadstone. A covert course designed to create ruthless assassins for C.I., it was shuttered by Congress for corruption. Yet before it was dismantled, it produced Bourne and Arkadin, giving them equal skills, equal force, and equal cunning. As Bourne's destiny circles closer to Arkadin's, it becomes clear that the eventual collision of these men is not of their own making. Someone else has been watching and manipulating them. Someone who wants to know, Who is the more deadly agent?*

*\*\*\*\*\* Winner! 2021 Independent Press Award! \*\*\*\*\* Two Worlds Collide in Andalon Here is the first volume of T.B. Phillips' action-packed series Dreamers of Andalon. Critics agree that his characters are so vivid they come to life, driving the reader to tears of both dread and celebration as he paints a world directly into your mind. This modern fantasy combines magic with emotion while promising political intrigue and adventure. Each page transports you to a realm of dueling worlds, one advanced and the other locked in the age of sail and pirates. Andalon Awakens Many years from now, in a world in which we have all been forgotten, the Caldera of Cinder erupts and Andalon descends into chaos. Pirates and outlaws ally against tyranny as magical powers awaken at alarming rates, unraveling the plans of the evil Falconers. These dark administrators harvest children who could potentially manipulate the elements, stealing their abilities for a darker purpose. The heroes of this tale include Eusari Thorinson, kidnapped and sold at a young age. She must choose vengeance against those responsible for the pain she endured in evil hands, or choose to challenge the Falconers beside Braen Braston - a quiet outcast from the northern kingdom of Fjorik. Across the continent Robert Esterling fights to come of age and struggles with physical limitations while leading a civil war against his usurper brother - the leader chosen by the Falconers. He must decide the fate of thousands of refugees from the west, the hated and feared Pescari and their powerful goddess of fire. Follow these unlikely heroes as they face political intrigue and work through personal barriers. Read along as they learn to use their powers without destroying the very people they feel compelled to save. Gasp as they discover a much more dangerous foe than Andalon ever dreamed. Andalon Awakens is an emotional ride that will lead you to laughter, tears, and gasps along the way. T. B. Phillips is a craftsman who toys with your heart and leads you by the hand through expert world building, putting you inside each of his characters. "Sometimes you read a book and*

realize you're reading art. This book does that." "I was absolutely blown away by the rich descriptions and well-formed action sequences. This book is a clinic in writing artistry. It was outstanding in every regard. If there was an option for a sixth star, this book should get it. This book was turned up to 11 all the way to the end. Nice Work." - ZombieTex, ★★★★★ "A fantastic tale with pirates, sword fights, magic, love, betrayal, secrets and more!" "TB Phillips is becoming a master-craftsman weaving a beautiful tapestry of characters, adventure and wonder. The imagery of the battles at sea, the Pescari people, and even the evil that lurks behind the book cover is magnificently written. You will latch onto each character and hope your beloved favorites survive to the end of the series. Phillips has a vivid imagination that compels the reader to turn the pages faster and faster until they finish with a desire to read more." - Maria Thompson, ★★★★★

*Gladiator* is the tale of Hugo Danner, a man endowed from birth with extraordinary strength and speed. But Danner is no altruist. He spends his life trying to cope with his abilities, becoming a sports hero in college, later a sideshow act, a war hero, never truly finding peace with himself. The character of Danner inspired both Superman's creators, and Lester Dent's Doc Savage. But Wylie, an editor with the *New Yorker*, sought to develop more than a pulp hero. His *Gladiator* provides surprising insights into the difficulties suffered by the truly gifted when born in our midst.

The epic conclusion to Chris Colfer's No.1 New York Times bestselling series *The Land of Stories*! In the highly anticipated finale, Conner and Alex must brave the impossible. All of the *Land of Stories* fairy tale characters - heroes and villains - are no longer confined within their world! With mayhem brewing in the Big Apple, Conner and Alex will have to win their biggest battle yet. Can the twins restore order between the human and fairy-tale world? Breathtaking action mixed with laugh-out-loud moments and lots of heart will make this a gripping conclusion for fans old and new.

In celebration of the original film's 50th anniversary, stories from both eras of the Planet of the Apes franchise are featured together in one collection for the first time ever. These all-new stories include the reveal of the ape who calls the remains of the Statue of Liberty home, and the first look at the world left behind following the events of *War for the Planet of the Apes*. Featuring bestselling authors Matt Kindt (*Mind MGMT*), Jeff Jensen (*Green River Killer*), and Dan Abnett (*Guardians of the Galaxy*), *Planet of the Apes: When Worlds Collide* is an unprecedented examination of the iconic franchise that fans of the original and new series will not want to miss.

This "authentic, generous, and heartfelt" (Mary Kay Andrews, New York Times bestselling author) novel from the New York Times bestselling author of the Beach House series explores how new beginnings can be born from disasters and how, even during the worst of circumstances—or perhaps because of them—we discover what is most important in life. Late August is a beautiful time on the Southern coast—the peach trees are ripe, the ocean is warm, and the sweet tea is icy. It's the perfect time to enjoy the rocking chairs on the porch. But beneath the calm surface bubbles a threat: it's also peak hurricane season. When a hurricane threatens the coasts of Florida and South Carolina, an eclectic group of evacuees flees for the farm of their friends Grace and Charles Phillips in North Carolina: the Phillips's daughter Moira and her rescue dogs, famed equestrian Javier Angel de la Cruz, makeup artist Hannah McLain, horse breeder Gerda Klug and her daughter Elise, and island resident Cara Rutledge. Strangers to all but the Phillips, they must ride out the storm together. During the course of one of the most challenging weeks of their lives, relationships are put to the test as the evacuees are forced to confront the unresolved issues they have with themselves and with each other. But as the storm passes, they realize that what really matters isn't what they brought with them to the mountains. Rather, it's what they'll take with them once they leave. "The Summer Guests in an intimate and wise novel about what matters most in our lives. Mary Alice Monroe writes with great wit and wisdom about what happens when both human nature and the natural world collide" (Patti Callahan Henry, New York Times bestselling author).

A Collection of Stories about Fish, Fishermen, and Favorite Fishing Spots with Action on Every Page The incomparable Philip Wylie is here writing about one of the things he likes best—fishing. Anyone who has ever wet a line, and perhaps those few benighted souls who haven't, will be thrilled to read these true tales about the big ones, hooked (and sometimes lost) in tropic waters. In *Denizens of the Deep*, which was originally published in 1947, there are wonderful chapters on marlin, the "admirable" barracuda, and the shark, whom Wylie calls "that misunderstood fish." The bursting pride when you catch that first big one is recaptured with fine nostalgia in the essay "What Makes a Great Day's Fishing?" and the tragedy of the clean getaway in "Listen to This Tale of Woe." Serious fishermen with an interest in the pastime's history will also find much valuable information in the chapter on the International Game Fish Association. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Glenn Howard, publishing tycoon, got into his car and prepared to dictate a top-secret memo to the President of the United States. The Earth's atmosphere and waters were being poisoned. But he never finished the memo. Instead, Howard passed out. He awoke 47 years later to a strange underground world ruled by a cold-blooded dictatorship.

The classic work that revolutionized the way business is conducted across cultures around the world.

#1 New York Times bestseller Susan Elizabeth Phillips returns to her beloved Chicago Stars series with a romance between a Chicago Stars quarterback and one of the world's greatest opera singers—and a major diva. “Re-entering the world of the Chicago Stars is like a beloved friend come to call.” – #1 New York Times bestselling author Robyn Carr Thaddeus Walker Bowman Owens, the backup quarterback for the Chicago Stars, is a team player, talented sideline coach, occasional male underwear model, and a man with a low tolerance for Divas. Olivia Shore, international opera superstar, is a driven diva with a passion for perfection, a craving for justice, too many secrets—and a monumental grudge against the egotistical, lowbrow jock she's been stuck with. It's Mozart meets Monday Night Football as the temperamental soprano and stubborn jock embark on a nationwide tour promoting a luxury watch brand. Along the way, the combatants will engage in soul-searching and trash talk, backstage drama and, for sure, a quarterback pass. But they'll also face trouble as threatening letters, haunting photographs, and a series of dangerous encounters complicate their lives. Is it the work of an overzealous fan or something more sinister? This is the emotional journey of a brilliant woman whose career is everything and a talented man who'll never be happy with second place. Tender and funny, passionate and insightful, this irresistible romantic adventure proves that anything can happen...when two superstars collide.

Books 3 and 4 are a standalone duet in the Worlds Collide universe. Alejandro I always knew we were a bad idea. Sophie and I are from different worlds. In theory, her expectations of me aren't unreasonable; equality, respect, and the truth – always the truth. But in reality, a man in my position has secrets to keep, impossible decisions to make, and a reputation to uphold. All of it for her own good. But whatever our problems, she's mine. If she ever tries to walk away, I don't know what I'll do. Having to pin my mariposa down wouldn't be pleasant for either of us. Sophie I knew it wasn't going to be easy. Making a life with a man as stubborn and overbearing as Alejandro would be challenging on a good day. He's used to giving orders and having them obeyed, but I'm not one of his men. If we're going to make this work, concessions have to be made on both sides – not just mine. Despite our differences, there's one thing holding everything together . . . we love each other. Desperately, deeply, irrevocably. Forever . . . or until one of us breaks.

Scientists are building rocket ships for a chosen few to escape planets hurtling toward each other on a direct collision course, leaks out touching off a savage struggle for survival.

Genetically altered to achieve superhuman levels of strength, speed, and intelligence, a young man struggles to find his place in the world. This 1930 novel predates Superman and develops the superhero archetypes.

The Purple Cloud

The Smiling Corpse – Large Print

A devastating, play-by-play account of the federal government's leading role in bringing about today's climate crisis. In 2015, a group of twenty-one young people sued the federal government for violating their constitutional rights by promoting the climate catastrophe, depriving them of life, liberty, and property without due process of law. They Knew offers evidence for their claims, presenting a devastating, play-by-play account of the federal government's role in bringing about today's climate crisis. James Speth, tapped by the plaintiffs as an expert on climate, documents how administrations from Carter to Trump--despite having information about climate change and the connection to fossil fuels--continued aggressive support of a fossil fuel based energy system. What did the federal government know and when did it know it? Speth asks, echoing another famous cover up. What did the federal government do and what did it not do? They Knew (an updated version of the Expert Report Speth prepared for the lawsuit) presents the most compelling indictment yet of the government's role in the climate crisis, showing a forty-year failure to take action. Since Juliana v. United States was filed, the federal government has repeatedly delayed the case. Yet even in legal limbo, it has helped inspire a generation of youthful climate activists. An Our Children ' s Trust Book

Introducing the launch of the second new monthly title spinning out of the SPAWN UNIVERSE, with one of the most popular characters in the entire SPAWN mythology! This book contains three separate GUNSLINGER stories, each taking a look at his journey through timeÑfrom the wild, wild west to the 21st century. Will his 200-year-old past come back to haunt him as he navigates the strange world of 2021? Get ready for the past and present to collide in this new ongoing title!

During his forty-two years as president of AMS Press, Gabriel Hornstein quietly sponsored and stimulated the revival of “ long ” eighteenth-century studies. Whether by reanimating long-running research publications; by creating scholarly journals; or by converting daring ideas into lauded books, “ Gabe ” initiated a golden age of Enlightenment scholarship. This understated publishing magnate created a global audience for a research specialty that many scholars dismissed as antiquarianism. Paper, Ink, and Achievement finds in the career of this impresario a vantage point on the modern study of the Enlightenment. An introduction discusses Hornstein ' s life and achievements, revealing the breadth of his influence on our understanding of the early days of modernity. Three sets of essays open perspectives on the business of long-eighteenth-century studies: on the role of publishers, printers, and bibliophiles in manufacturing cultural legacies; on authors whose standing has been made or eclipsed by the book culture; and on literary modes that have defined, delimited, or directed Enlightenment studies. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press.

"If now a swell from the Deep has swept over this planetary ship of earth, and I, who alone chanced to find myself in the furthest stern, as the sole survivor of her crew . . . What then, my God,

shall I do?" The Purple Cloud is widely hailed as a masterpiece of science fiction and one of the best "last man" novels ever written. A deadly purple vapor passes over the world and annihilates all living creatures except one man, Adam Jeffson. He embarks on an epic journey across a silent and devastated planet, an apocalyptic Robinson Crusoe putting together the semblance of a normal life from the flotsam and jetsam of his former existence. As he descends into madness over the years, he becomes increasingly aware that his survival was no accident and that his destiny?and the fate of the human race?are part of a profound, cosmological plan.

The Devil's Own

Gunslinger Spawn #1

THE SMILING CORPSE is one of the most unusual books you'll read this year, and it's a pretty good bet you haven't read this since it came out in 1935. It's a mystery, but unlike any mystery you've ever read, because the "detectives" in this tale are quite recognizable -- as mystery writers of the Golden Age, such as S.S. Van Dine, G.K. Chesterton, Dashiell Hammett, James Cain, and Sax Rohmer. The book has an introduction, The Smiling Corpse—A Re-Introduction by J. Randolph Cox, as well as a Preface by John Graham Ballantine, and there's even a "Who's Who" in case you've forgotten some of the old masters of mystery who show up as characters in this crazy novel. There are also several beautiful illustrations by Georg Hartmann.

When Worlds Collide

\* LONGLISTED FOR THE NATIONAL BOOK AWARD IN FICTION \* A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION \* ONE OF TIME'S 10 BEST NOVELS OF THE YEAR \* ONE OF WASHINGTON POST'S 50 BEST BOOKS OF 2019 \* ONE OF O MAGAZINE'S BEST BOOKS OF 2019 \* ONE OF NPR'S BEST BOOKS OF 2019 \* "A profound meditation on the nature of reality...An extraordinary and dazzlingly original work from one of our most gifted and interesting writers." —EMILY ST. JOHN MANDEL, author of Station Eleven "Phillips is, as always, doing something at once wildly her own and utterly primal. Maybe it doesn't surprise me that the strangest book I've read about motherhood is also the best, but it does thrill me." —REBECCA MAKKAI, author of The Great Believers "Spellbinding...both unsettling and irresistible. Phillips manifests the surreal, terrifying, and visceral experience of motherhood." —DANA SPIOTTA, author of Innocents and Others "Like parenthood itself, The Need is frightening and maddening and full of dark comedy... Everyday life, here, is both tedious and fascinating, grotesque and lovely, familiar and tremendously strange." —THE NEW YORK TIMES BOOK REVIEW (EDITORS' CHOICE) "[A]n extraordinary writer at her electrifying best." —PUBLISHERS WEEKLY (STARRED REVIEW) When Molly, home alone with her two young children, hears footsteps in the living room, she tries to convince herself it's the sleep deprivation. She's been hearing things these days. Startling at loud noises. Imagining the worst-case scenario. It's what mothers do, she knows. But then the footsteps come again, and she catches a glimpse of movement. Suddenly Molly finds herself face-to-face with an intruder who knows far too much about her and her family. As she attempts to protect those she loves most, Molly must also acknowledge her own frailty. Molly slips down an existential rabbit hole where she must confront the dualities of motherhood: the ecstasy and the dread; the languor and the ferocity; the banality and the transcendence as the book hurtles toward a mind-bending conclusion. In The Need, Helen Phillips has created a subversive, speculative thriller that comes to life through blazing, arresting prose and gorgeous, haunting imagery. Helen Phillips has been anointed as one of the most exciting fiction writers working today, and The Need is a glorious celebration of the bizarre and beautiful nature of our everyday lives.

Alex and Conner Bailey's world is about to change. When the twins' grandmother gives them a treasured fairy-tale book, they have no idea they're about to enter a land beyond all imagining: the Land of Stories, where fairy tales are real. But as Alex and Conner soon discover, the stories they know so well haven't ended in this magical land - Goldilocks is now a wanted fugitive, Red Riding Hood has her own kingdom, and Queen Cinderella is about to become a mother! The twins know they must get back home somehow. But with the legendary Evil Queen hot on their trail, will they ever find the way? The Land of Stories: The Wishing Spell brings readers on a thrilling quest filled with magic spells, laugh-out-loud humour and page-turning adventure.

Planet of the Apes: When Worlds Collide

The Invisibles Book One Deluxe Edition

A.D. 2017

Triumph

*Published first as a six-part serial in 1932, When Worlds Collide is a story of golden-age cataclysmic vision, bursting into the hearts and minds of science fiction readers ever since. The thrilling plot follows an astronomer, Sven Bronson, as he tries to save humankind from two approaching rogue planets that are sure to destroy the Earth as they readjust their orbit. Banding together with a team of scientists, the race to escape to the skies begins—but the more immediate threat seems to already be on the ground. When Worlds Collide was made into a film in 1951, and inspired various comic strips and pulp conventions in Science Fiction, and is now available as an ebook for the first time. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.*

*Science fiction-roman.*

*A graduate student stumbles across an insidious plot to unleash nuclear terror on America's greatest cities in a blood-chillingly prescient tale from one of thriller fiction's twentieth-century masters Personable, good-looking, and a whiz at physics, graduate student Allan Diffenduffer "Duff" Bogan has a bright future ahead of him. But while staying at the home of an invalid widow in*

Florida, Duff makes a discovery that freezes his blood: a cache of uranium hidden in the locked closet of a fellow guest. The FBI is initially skeptical, but Duff knows all too well what his findings portend. Suddenly, not only is his future in jeopardy, the fate of millions of Americans hangs in the balance as well. If he cannot expose the horrific plot his nation's enemies set in motion years before, entire cities will be reduced to piles of radioactive rubble in an unthinkable nuclear nightmare stretching from coast to coast. And time, it seems, is rapidly running out.

The Windy City isn't quite ready for Phoebe Somerville—the outrageous, curvaceous New York knockout who has just inherited the Chicago Stars football team. And Phoebe is definitely not ready for the Stars' head coach, former gridiron legend Dan Calebaw, a sexist jock taskmaster with a one-track mind. Calebaw is everything Phoebe abhors. And the sexy new boss is everything Dan despises—a meddling bimbo who doesn't know a pigskin from a pitcher's mound. So why is Dan drawn to the shameless sexpot like a heat-seeking missile? And why does the coach's good ol' boy charm leave cosmopolitan Phoebe feeling awkward, tongue-tied . . . and ready to fight? The sexy, heartwarming, and hilarious "prequel" to *This Heart of Mine*—Susan Elizabeth Phillips's New York Times bestselling blockbuster—*It Had To Be You* is an enchanting story of two stubborn people who believe in playing for keeps.

Collects THE INVISIBLES #1-12, ABSOLUTE VERTIGO #1.

A haunting lifeline between archive and memory, law and poetry

THE STORY: As described by the New York Times: When the play begins there is Harry Berlin, looking like a shaved, mustachioed beatnik who has sunk so low that honest beatniks would disown him. He has no future except to jump off the bridge and is

In the world's upper hemisphere, only one small group has survived World War III: fourteen people, sheltered deep within a limestone mountain in Connecticut and with enough supplies and equipment to maintain their subsistence for upwards of two years. The group includes a forward-thinking millionaire and his family, a levelheaded Jewish scientist, a playboy, an aging African American servant and his daughter, a gigolo and the glamorous woman who has been his mistress, a beautiful Chinese girl, a young meter reader, two children, and a Japanese engineer. Fully aware of the outcome of the war that had raged briefly above them, the survivors seethe with hatred, fall into depression over their losses, rise to moments of superhuman bravery, and lapse into behavior that reflects their human weaknesses. Philip Wylie mercilessly predicts the inevitable end of a world that continues to function as selfishly and as barbarously as our own.

***Vintage Visions is a seminal collection of scholarly essays on early works of science fiction and its antecedents. From Cyrano de Bergerac in 1657 to Olaf Stapledon in 1937, this anthology focuses on an unusually broad range of authors and works in the genre as it emerged across the globe, including the United States, Russia, Europe, and Latin America. The book includes material that will be of interest to both scholars and fans, including an extensive bibliography of criticism on early science fiction—the first of its kind—and a chronological listing of 150 key early works. Before Dr. Strangelove, future-war fiction was hugely popular in nineteenth-century Great Britain. Before Terminator, a French author depicted Thomas Edison as the creator of the perfect female android. These works and others are featured in this critical anthology. Contributors include Paul K. Alkon, Andrea Bell, Josh Bernatchez, I. F. Clarke, William J. Fanning Jr., William B. Fischer, Allison de Fren, Susan Gubar, Rachel Haywood Ferreira, Kamila Kinyon, Stanislaw Lem, Patrick A. McCarthy, Sylvie Romanowski, Nicholas Ruddick, and Gary Westfahl.***

***Celebrate Queen Trollbella's birthday in this companion picture book to Chris Colfer's #1 New York Times bestselling Land of Stories series. It's Queen Trollbella's birthday and she's throwing herself an epic celebration. She has everything a troll girl would want: musicians, magical creatures, carnival rides, a gigantic cake, and more. So why isn't she having any fun? Trollbella knows something is missing. When she meets a goblin boy sneaking into her party, Trollbella decides to share her party, and she discovers that a happy kingdom and learning to give back is the best gift she could've ever received. This enchanted tale about the importance and the joy of sharing will be a must-have for Land of Stories fans, younger siblings, and new readers alike.***

***A team of scientists work hurriedly to build a spaceship in time to escape the doomed Earth.***

***This is what it's like when worlds collide! The world is coming to an end and the only hope humanity has for survival is to build a space ark before the Neptune-sized extrasolar planet called Bellus collides destroying all we know. Will the lucky few selected of the human race reach the single Earth-like moon, Zyra, which orbits around Bellus, will it be habitable when they get there, or is the human race's faith sealed. Adapted from the classic 1951 motion picture of the same name this re-mastered UK print will let you see and experience classic science fiction comics as they was meant to be.***

***The world of arms dealing, espionage and TV cookery collide in this fast moving comedy caper. Failing celebrity agent Dermot Jack thinks his luck might have turned when a mysterious Russian oligarch hires him to represent his pop star daughter. Disaffected MI5 officer Anna Preston is just as happy to be handed the chance to resurrect her own career. Little do they know that their paths are about to cross again after seventeen years as they're thrown together in a desperate attempt to lure a notorious arms dealer into a highly unusual trap. Hard enough without having to deal with the lecherous celebrity chef trying to save his daytime TV career or the diminutive mafia enforcer who definitely has his own agenda. Then there's the very impatient loan shark who 'just wants his money back'. And Anna's bosses are hardly playing it straight either. But one thing's for sure. There'll be winners and losers when the Meal of Fortune finally stops spinning. Oh, and another thing, Anna and Dermot are absolutely not about to fall in love again. That's never going to happen, OK?***

***When Kirk, Spock, and the entire crew of the U.S.S. Enterprise investigate problems at a remote mine, they're met with an explosive battle between powerful warriors who change into vehicles from the 20th century! As the battle between the Autobots and Decepticons rages, it's up to Kirk to decide—does he violate the Prime Directive and interfere in a war that's raged for millenia? And how will the Klingons complicate the issue? It's cartoony fun between two of the most popular science fiction franchises in the world!***

***After Worlds Collide***

***Vintage Visions***

***The US Federal Government's Fifty-Year Role in Causing the Climate Crisis***
