

When You Were Inside Mommy

Isn't it amazing that you were once inside Mommy? With clear inviting text and lively illustrations, Joanna Cole and Maxie Chambliss introduce young children to the concepts of pregnancy and childbirth--from the time they begin as one tiny cell to the joyful moment when their parents welcome them into the world.

When Mommy Grows Up: A Guide to Parenting Yourself to a More Fulfilling Career is a career development book for moms who love to ask kids what they want to be when they grow up, but somewhere along the way have stopped asking themselves this same important question. Tackling the "age 30 transition" with humor, wit, and practical advice, career coach, author, and mom, Becca Carnahan reframes lessons we teach our kids like "use your words," "you to need to share," and "make new friends" as career advice. From figuring out what's next, to overcoming obstacles, to managing the logistics of a job search or entrepreneurial journey - it's all covered in a way that's accessible, relatable, and fun! Whether we are working full-time, working part-time, working from home, or working inside the home, mothers are all in some state of managing our careers, managing our families, and managing to laugh through it all. When Mommy Grows Up invites all moms to learn about themselves, define what success looks like to them, build new skills, and achieve their goals using proven methods and frameworks. And of course, find the humor in working mom life every step of the way.

Sometimes mommies are funny and playful. Other times they are warm and comforting. And mommies always know when to laugh, where to play, and how to love. Through simple, moving text and endearing illustrations, Sebastien Braun captures the spirit of motherhood in a celebration for every mother and child.

Provides simple explanations of the choices that face a couple who want a child and have not been able to have one in the traditional way, including fertility treatments, in vitro fertilization, egg and sperm donors, surrogates, and adoption.

A lift-the-flap book showing milestones in a baby's development during pregnancy and the mother's experiences as it grows.

Before You Were Born

Has the Church Been Misinformed and Sabotaged?

Mommy, Please Don't Cry

The Woman Inside Mommy

"I DON'T THINK EITHER ONE OF US GOT THIS OUT OF OUR SYSTEM..." Jack Granger's reference to a few stolen kisses haunted Abby Walsh. For being with him and his daughter made her feel like a penniless kid with her nose pressed against the toy-store window. Everything she'd ever wanted was right in front of her, but still completely out of reach. Well, Abby could hardly complain; the man was only keeping his promise--keeping their relationship casual. Still, Abby felt a sexual thrill she couldn't ignore. And she'd caught enough heated glances and heard enough strangled sighs to suspect he was suffering as much frustration as she was. Phooey. She'd never been this attracted to anyone. Ever. But there was no future for them. End of story. Right? If only it were that simple...

It is natural for young children to be curious about where they come from. Using vivid full-color photographs and a clear, straightforward text, this comprehensive book answers the questions they have about how an egg cell grows to become a baby, how a baby lives inside its mother's uterus, and how a baby is born.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

A girl follows clues that lead to Mommy! This Level D book is perfect for new readers. A girl, her mother, and their cat are snuggled up on a couch and reading a book. The girl falls asleep, and when she wakes up, Mommy is gone. Where could she be? The girl searches the house, picks up clues (including a recipe for kale and a sunhat and gardening gloves that come and go). And she figures out where Mommy is--in the garden! The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high quality illustrations that support comprehension of simple text and are fun for kids to read with parents, teachers, or on their own! Suitable for late kindergarten readers, Level D books use a wider vocabulary and more complex plots with multiple scenes. They feature longer sentences and greater variety in sentence structure than levels A, B, and C.

Move on to level E once Level D is mastered. A Bank Street Best Book of the Year

As they watch their mother's stomach grow bigger every day, two curious kids begin to imagine all the things that could be growing inside in this amusing introduction to pregnancy enhanced with short text, fun flaps, and colorful illustrations for preschoolers.

The Wild, Wild Inside

Mama and Mommy and Me in the Middle

When You Lived in My Belly

A Guide to Parenting Yourself to a More Fulfilling Career

What's Growing in Mommy's Tummy?

"And they lived mommy ever after," the mommy whispered to her baby. "Because we are not always going to feel happy, but I am always going to be your mommy." A daughter grows from a tiny infant to a young girl, and the years bring all the natural changes and accompanying emotions. Some emotions are big and scary. But the one constant in the little girl's life is her mother and her magical stories. These stories stories teach her about

her uniqueness, about her kindness, and about her power to face the inevitable darkness in life. But when she's on her own, away from her mother, can she share her light? It's never too early to teach children how to recognize and accept emotions like fear, sadness, and loneliness. Through gorgeous illustrations of the real and fantasy worlds in which children always coexist, Mommy Ever After explores the difficult idea that we won't always be happy, but we can always be brave and we can always be kind.

"As a mom, Jodi Meltzer Darter answers, on average, one million questions per minute. One day, her son interrupted his endless "Why?" barrage to inquire about their innate bond: What was it like when I lived in your belly? A delightful month-by-month storytelling of pregnancy from the perspective of both baby and mom, When You Lived in My Belly gives children a glimpse into a past they can't remember, and takes moms back to a time they will never forget. It features kid-friendly descriptions of the developmental milestones babies reach in utero, coupled with the corresponding physical and emotional changes experienced by moms. This book also includes a page for moms to pen a personal note to their children about their individual pregnancy journey. Jodi Meltzer Darter's lyrical text alongside enchanting illustrations by Caryn King and Jody King Camarra create a memorable keepsake that both moms and children will cherish for generations to come."

Using simple text and illustrations, describes the nine months of life before birth.

The perfect book for introducing a young child to the concept of where babies come from and how they grow. This is a great book to share and discuss all the changes going on inside 'mummy's tummy'. Every month a new picture shows how big baby is and how far along a timeline (featured at the foot of each spread) baby has moved. The real attraction of the book is the 'life-size' nature of the drawings, giving mother and child a fantastic opportunity to really explore what is happening, how big baby is in context to everyday objects and what baby can hear or indeed eats! The flexible paperback binding allows for the book to be folded gently across a growing tummy, helping to show a young child where the new baby is. The final spread uses a giant fold down flap to reveal the fully grown baby ready to be born and greet the world. A simple glossary is provided with explanations of the main terms used in the book. A great book to help in the preparation for a new addition to a family.

A tired mommy lets her daughter have a turn being the parent at bedtime in You Be Mommy, a humorously charming debut picture book from writer Karla Clark and illustrator Zoe Persico. Mommy's too tired to be Mommy tonight. Can you be Mommy and hold me tight? In this clever, rhyming picture book, a mother tells her child that she's simply too tired to be Mommy tonight and asks her daughter to take over for her. An utterly relatable theme told with humor and heart provides a story parents and children will delight in reading together at bedtime.

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children's picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail

A latest entry in the series that includes It's NOT the Stork! follows the adventures of young Gus and Nellie, who watch their mother's pregnancy and anticipate the arrival of a new sibling while learning engaging facts about how unborn babies develop.

With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Sister and its companion book, I'm a Big Brother, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of sisterhood from trusted author Joanna Cole. Told through the eyes of a new older sister, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

Inside Mommy's Tummy By: Beth Rosiello Baby is growing in Mommy's tummy! She hears the voices of her mommy and daddy and big brother, Sean—plus the barking of little puppy Diesel. She listens as the family holds a party to say "It's a Girl!" And then she's off to the hospital with Mommy and Daddy to finally be born and welcomed into the world by her family. Inspired by the birth of her granddaughter Brianna, Beth Rosiello's book is a charming story of love and family, from the point of view of the baby on the way.

The Mommy Docs' Ultimate Guide to Pregnancy and Birth

While Mommy and Daddy are busy at work, I'm busy having fun at day care. Day care is fun, even though saying good-bye to Mommy and Daddy before work might not be. In this new guide for young children, noted author Joanna Cole shows that, although parents may go to work, they always come back at the end of the day. A helpful Note to Parents is included. Acclaimed for her Magic School Bus series, Joanna Cole is also the author of the popular I'm a Big Sister, I'm a Big Brother, My Big Boy Potty, and My Big Girl Potty, all illustrated by Chambliss.

Three top ob/gyn's--who are also moms themselves and hosts of the Oprah Winfrey Network's Deliver Me--offer a comprehensive guide to pregnancy. Original. TV tie-in.

Told through the voice of the excited big sister, an informative look at how babies come about traces the embryo's development, explains conception, and shows the process of her going into labor.

A tale for expectant older siblings imagines the whimsical activities of a baby waiting to be born, from flying to the moon to playing baseball. 15,000 first printing.

With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Brother and its companion book, I'm a Big Sister, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of brotherhood. Trusted author Joanna Cole. Told through the eyes of a new older brother, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

Mommy, Did I Grow in Your Tummy?

A to Zoo: Subject Access to Children's Picture Books, 10th Edition

The Mommy Book

A funny and tender picture book about waiting for a new brother or sister to arrive. There's a house inside my mummy, Where my little brother grows, Or maybe it's my little sister No one really knows. Waiting for a new brother or sister to arrive can be a confusing and worrying time for young children. Sharing this simple rhyming story together is the perfect way to reassure your little one and involve them in all the excitement. Told with humour and warmth by Giles Andreae, the author of much-loved family favourite Giraffes Can't Dance. 'A great book for sharing with your first born while your second is still in the 'tummy house' - The Times A note from the author: 'When my wife became pregnant for the second time, I was talking to Flinn, our 2-year old son, about what was going to take place and how exciting it would be for him to have a brother or sister. I started to think about it as though I were a young child myself ... 'There's a house inside my mummy' was a phrase that just popped into my head, and from then on the book was a joy to write.'

Uses life-size illustrations to show the growth and development of a baby inside the womb from the first month until birth.

Is it a baby or a watermelon? A charming board book perfect for any curious toddler welcoming a new sibling What 's growing in Mommy 's tummy? Every month it grows bigger, from the size of a poppy seed to a peach, from avocado to mango to watermelon! Where Some Babies Come From

Love You Forever

Daddy comforts and reassures a very young boy after Mommy dies.

Explaining a child's beginning, is sometimes difficult and considered taboo. Written from a Christian 's perspective, this book is an honest, eye opening and humorous, mother 's attempt to

satisfy her daughter ' s curiosity, of where babies come from?

Mommies do so much for us! It ' s time to thank God for the blessing they are. In this adorable board book, a little panda thanks God for his wonderful mommy—a mommy who gives hugs and cuddles, who takes great care of him, and most importantly, who offers love and guidance for her precious panda cub. Thank You, God, for Mommy, And lullabies so sweet— The beating of her great, big heart Sings me right to sleep. The love and sacrifices of mothers everywhere will be celebrated by mother and child as they snuggle up together and say Thank You, God, for Mommy. Meets national education standards.

52 Weeks of Self-Care To Help You Identify, Unleash, Empower, & Nurture the Woman Within You.

This book was written for those who have perhaps become disillusioned with the condition of today ' s church. Over the years, much of the content of our faith has been seriously diluted, many words have been emptied of meaning, and much vibrancy has been lost. Found in these writings is the offering of some thoughts that can help us regain some of what we have lost. Jesus is still building his church today, whether or not we can see it, and it is the author ' s hope that these writings are part of his reconstruction.

Mommy Ever After

Growing Up Just Got Easier... With the help of Angus, the lovable Answer Dog, best-selling author Heidi Murkoff extends a hand to children and parents as they tackle life's first experiences together. Congratulations -- you're having another baby! You're excited and a little nervous, but most of all you're wondering how you're going to explain this miraculous, but complex, process to your older, but still very young, child. We're here to help you answer your child's questions about how a baby is created, how it grows, and how it comes out to join the family. Have fun!

When You Were Inside Mommy Harper Collins

Be encouraged by a child's tender description of heaven, surrounded by peaceful illustrations. Written by a mother who experienced the loss of her child, every page is a poignant gift of hope and healing.

A little girl stays home with Mama when Mommy goes off on a work trip in this tender, inviting story that will resonate with every child who has missed a parent. For one little girl, there's no place she'd rather be than sitting between Mama and Mommy. So when Mommy goes away on a work trip, it's tricky to find a good place at the table. As the days go by, Mama brings her to the library, they watch movies, and all of them talk on the phone, but she still misses Mommy as deep as the ocean and as high as an astronaut up in the stars. As they pass by a beautiful garden, the girl gets an idea . . . but when Mommy finally comes home, it takes a minute to shake off the empty feeling she felt all week before leaning in for a kiss. Michael L. Printz Award winner Nina LaCour thoughtfully renders a familiar, touching story of a child who misses a parent, illustrated by Kaylani Juanita, whose distinctive style brings charm and playfulness to this delightful family of three.

Little Bear is so eager to run off and try new things that he fails to listen to his mother's advice, but after a few mishaps, Little Bear sees the wisdom in listening to what she has to say.
