

## White Liars Peter Shaffer Script

When it was first published in 1962, *Anger and After* was the first comprehensive study of the dramatic movement which began in 1956 with the staging of John Osborne ' s *Look Back in Anger* and has since brought forward such dramatists as Brendan Behan, Harold Pinter, N. F. Simpson, John Arden and Arnold Wesker. Thoroughly revised in 1969, this book remains important reading for theatre students in need of a comprehensive and authoritative guide to post-Osborne drama in Britain.

Embraces the work of writers working in theatrical traditions ranging from the classic well-made play to the most radical avant-garde pieces. This variety is indicative of the fact that this period is one of the most important in British drama, comparable to the late-Elizabethan/Jacobean and post-Restoration eras in terms of the quantity and quality of new work and surpassing both of them in the sheer variety of theatrical offerings.

A comedy about a famous playwright whose second wife is trying to merge "worthy causes" with her art as an actress. She has met a "political prisoner"

***This comprehensive study of dramatists, playwrights, historical development and genres contains individual articles on 198 dramatists in the first five volumes. Information for each dramatist includes: a listing of the dramatist's plays, with dates of first release, a survey of publications in literary forms other than drama, a critical survey of the writer's professional achievements, a biographical sketch centered on the writer's dramatic development and a critical analysis of the subject's canon, and a bibliography of criticism on the works of the dramatist. Volume 6 contains 24 essays covering dramatic genres, medieval drama, British drama, American drama, Afro-American, Australian and Irish drama, musical drama, experimental theater, television drama and acting styles. ISBN 0-89356-375-7 : \$330.00 (For use only in the library).***

**Volume Four of the distinguished American Theatre: A Chronicle of Comedy and Drama series offers a thorough, candid, and fascinating look at the theater in New York during the last decades of the twentieth century.**

**Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.**

**Combines, updates, and expands two earlier Salem Press reference sets: Critical survey of drama, Rev. ed., English language series, published in 1994, and Critical survey of drama, Foreign language series, published in 1986. This new 8 vol. set contains 6**

A concise introduction to the basics of open access, describing what it is (and isn't) and showing that it is easy, fast, inexpensive, legal, and beneficial. The Internet lets us share perfect copies of our work with a worldwide audience at virtually no cost. We take advantage of this revolutionary opportunity when we make our work " open access " : digital, online, free of charge, and free of most copyright and licensing restrictions. Open access is made possible by the Internet and copyright-holder consent, and many authors, musicians, filmmakers, and other creators who depend on royalties are understandably unwilling to give their consent. But for 350 years, scholars have written peer-reviewed journal articles for impact, not for money, and are free to consent to open access without losing revenue. In this concise introduction, Peter Suber tells us what open access is and isn't, how it benefits authors and readers of research, how we pay for it, how it avoids copyright problems, how it has moved from the periphery to the mainstream, and what its future may hold. Distilling a decade of Suber's influential writing and thinking about open access, this is the indispensable book on the subject for researchers, librarians, administrators, funders, publishers, and policy makers.

Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London ' s West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway, from regional theaters in the U.S. and U.K., and from Ireland, Canada, Australia, New Zealand and South Africa. Also included are Puerto Rican, Indian and Filipino plays written in English, as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.

The minute you gain power, you start to lose it. In his second term of office, LBJ struggles to fight a war on poverty as the war in Vietnam spins out of control. Besieged by opponents, Johnson marshals all his political wiles to try to pass some of the most important social programs in U.S. history.

THE GREAT SOCIETY depicts the larger-than-life politician ' s tragic fall from grace, as his accomplishments—the passage of hundreds of bills to enact reform in civil and voting rights, poverty, and education—are overshadowed by the bitter failure of the Vietnam War. THE GREAT SOCIETY is complemented by its companion piece, the Tony Award winning *All the Way*, depicting LBJ ' s first term in office.

***Wolfgang Amadeus Mozart is a genius, the most brilliant musician the world will ever see. But the court of eighteenth-century Vienna doesn t recognize his talents - only Antonio Salieri, the Court Composer, does, and he is tortured by what he hears. Seething with rage at the genius of this flippant buffoon and suddenly aware of his own mediocrity, Salieri declares war and sets out to destroy the man he sees as God s instrument on earth. Peter Shaffer s award-winning play is a rich, exuberant portrayal of a God-like man among mortals, and lives destroyed by envy."***

***New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.***

***When Edward Danson, English playwright, dies in his Aegean home, his son Philip, whom he never acknowledged, begs permission from his stepmother to write his biography. She warns that he will find it painful. Edward's life is mirrored in the Greek myth of Athena and Perseus who slays the Gorgon.***

***Writers Talking***

***Incantation***

The one-act play stands apart as a distinct art form with some well known writers providing specialist material, among them Bernard Shaw, Tom Stoppard, Harold Pinter, Caryl Churchill. Alan Ayckbourn, Edward Albee and Tennessee Williams. There are also lesser-known writers with plenty of material to offer, yet sourcing one-act plays to perform is notoriously hard. This companion is the first book to survey the work of over 250 playwrights in an illuminating A-Z guide. Multiple styles, nationalities and periods are covered, offering a treasure trove of compelling moments of theatre waiting to be discovered. Guidance on performing and staging one-act plays is also covered as well as essential contact information and where to apply for performance rights. A chapter introducing the history of the one-act play rounds off the title as a definitive guide.

Eight interviews, eight stories, eight commentaries. Eight of Canada's finest writers. Writers Talking gives readers a chance to listen in: Terry Griggs on where stories come from, Michael Winter on writing Newfoundland, K. D. Miller on being an actor who writes. The volume also features stories by and conversations with Mary Borsky, Steven Heighton, Elise Levine, Annabel Lyon, and Lisa Moore.

The Private Ear

Winner of the STR Theatre Book Prize 2014 The National Theatre Story is filled with artistic, financial and political battles, onstage triumphs – and the occasional disaster. This definitive account takes readers from the National Theatre's 1950s through false dawns in the early 1900s, and on to its hard-fought inauguration in 1963. At the Old Vic, Laurence Olivier was for ten years the inspirational Director of the NT Company, before Peter Hall took over and, in 1976, led the move to a concrete home on the South Bank. Altogether, the NT has staged more than 800 productions, premiering some of the 20th and 21st centuries' most popular and controversial plays, including *Amadeus*, *The Romans in Britain*, *Closer*, *The Hit*, *One Man, Two Guvnors*. Certain to be essential reading for theatre lovers and students, *The National Theatre Story* is packed with photographs and draws on Daniel Rosenthal's unprecedented access to the National Theatre's own archives and correspondence and more than 100 new interviews with directors, playwrights and actors, including Olivier's successors as Director (Peter Hall, Richard Eyre, Trevor Nunn and Nicholas Hytner), and other great figures from the last 50 years of drama, among them Edward Albee, Alan Bennett, Judi Dench, Michael Gambon, David Hare, Tony Kushner, Ian McKellen, Diana Rigg, Maggie Smith, Peter Shaffer, Stephen Sondheim and Tom Stoppard.

Comprehensive treatment focuses on creation of efficient data structures and algorithms and selection or design of data structure best suited to specific problems. This edition uses Java as the programming language.

Bestselling author Alice Hoffman tears a page from history and melds it with mysticism to create a spellbinding, highly acclaimed tale about the persecution of Jewish people during the sixteenth century. Estrella is a Marrano: During the thirteenth-century Inquisition, she is one of a community of Spanish Jews living double lives as Catholics. And she is living in a house of secrets, raised by a family who practices underground the ancient and mysterious way of wisdom known as kabbalah. When her family's true identity--and her family's secrets are made public--she confronts a world she's never imagined, where new love burns and where friendship ends in flame and ash, where trust is all but vanquished and betrayal has tragic and beautiful consequences. A book of numerous "best book" citations and infused with the rich context of history and faith, *Incantation* is a transcendent journey of discovery and loss, rebirth and remembrance that Newbery Award-winning author Lois Lowry described as "a spellbinding...Painful and exquisitely beautiful."

Peter and Anthony Shaffer, a Reference Guide

The first stage success from the author of *Equus* and *Amadeus*, this taut family drama centers on a young German student who, coming to England to tutor the daughter of well-to-do family, is drawn into the various individual dramas of these fractured, isolated people.

An updated and expanded study of the extraordinary playwright, showing why Shaffer (*Five Finger Exercise*, *Equus*, *Amadeus*) is a unique and powerful voice in contemporary English drama. Five new plays are covered in the revision; also new are discussions of the British and American versions of recent plays, commentary on the films for which Shaffer was scriptwriter, and production information that specifies the respective directors, actors, and so on.
