“ You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel. ” --Roberto Mattos, Books and Movie Reviews ABSOLUTE ZERO is book #12—and the series finale—in the #1 bestselling AGENT ZERO series, which begins with AGENT ZERO (Book #1), a free download with over 500 five-star reviews. In the shocking series finale, Agent Zero learns of a powerful thermonuclear bomb which, set off in the right place, could kill tens of millions. In a breathtaking twist, he learns of something else that will make it even more deadly. The fate of the world is literally at stake as Agent Zero finds himself in a mad race against time, the only person on the planet with a capacity to find the weapon. Yet, while Zero races to find the location, he is up against other formidable forces: dozens of assassins are dispatched to kill him. And in the midst of all this, the time has come for Zero to have a final reckoning with his own deteriorating health. Full circle from his original discovery of the memory chip, Agent Zero is given one last chance to save the planet—if only he can keep from destroying himself—and everything in his path—in his wake. MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they ’ re dangerous men, but being with them doesn't feel

wrong. When they hold me in their arms, I feel safe, cherished. I ' m still their captive, but I ' m no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I ' m starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Becoming Ageless

Four secrets to looking and feeling younger than ever. Becoming Ageless presents a three-month, detailed diet and exercise plan to create a leaner, more muscular and happier you. Developed by business mogul and fitness buff Strauss Zelnick--founder of the private equity firm Zelnick Media Capital and president and CEO of Take-Two Interactive, the company behind blockbuster video games such as Grand Theft Auto and NBA2K-- the strategies contained in Becoming Ageless are the same tactics that allowed Zelnick to evolve from a skinny, out-of-shape business executive (a workaholic wunderkind who headed the film studio 20th Century Fox in his early 30s) to one of the world's fittest and most physically active executives who reached his best-ever shape in his late 50s! "If you believe my fitness buddies," Zelnick writes, "I have a body that's aging in reverse...And Becoming Ageless is filled with the amazing tips and unique principles you'd find if you trained with me."

The director of my clinic is retiring and the job is up for grabs. I'd be lying if I said I didn't want the job for myself, but I'd be happy if any of my colleagues got the promotion. But none of them get it. Neither do I. It's an outside hire. Atlas Beaumont. Super genius, but I think he's a super prick. Worst part of all?

My father is the one who wrote his letter of recommendation, the one that impressed my boss so much that he hired him on the spot.

You know those stories where the smart girl tutors the dumb jock? This isn't it. Blair What's the probability of insulting the one guy on campus I need to help me pass statistics? If I knew, I wouldn't be standing in front of Wes Reynolds begging him to tutor me. Basketball player, sexy, arrogant, always sleeping through class... these are the things I knew about him. What I didn't know is that he is a seriously smart jock. Wes What's the best way to get rid of the peppy and unrelenting girl that keeps asking me to tutor her? If I knew, I wouldn't be staring at her tan legs and attempting to teach her statistics. Sorority girl, fine as fk, determined, ball buster... these are the things I knew about her. What I didn't know is that she is all the things I didn't realize I wanted or needed. Or that one semester with her would change everything. *To save my father's life, I have to marry a man I hate. He is arrogant, self-absorbed and hateful. He only wants me as a trophy. He only sees me as a prize. But I can't say no. I look down at the diamond on my left hand and walk down the aisle. That's when I see him. He's the man who showed me that love can petrify you to your core. What happens when I have to make a choice? What happens when the right thing to do is all wrong? What readers are saying about Charlotte Byrd's Books: "This book/series is addictive! Super hot and steamy, intense with twists and turns in the plot that you just won't see coming..." ★★★★★ "One-sitting read!" ★★★★★ "How on earth did I survive that? My mind is blown, my hearts beating out of my chest and I'm on this cliff, shaking like a leaf in a windstorm waiting to do that all over again with the conclusion to one of the best reasons to get out of work and get lost for a while." ★★★★★ "This series is just so intense and delicious. The stunning twists, raw emotions and nerve wracking tension just keep increasing as each book in this enticing series unfolds. I am so invested in Nicholas and Olivia. These characters really worm their way into your heart, while also totally consuming your mind. The gripping story quickly captivates and pulls you back into this couple's world." ★★★★★ *Beware of spoilers in the reviews below that are without spoiler alerts.**

This book combines the disciplines of applied demography and public health by describing how applied demographic techniques can be used to help address public health issues. Besides addressing the impact of aging on health and health-related expenditure, cause-specific mortality, and maternal health and morbidity, the book provides several chapters on special analysis and methodological issues. The chapters provide a number of resources and tools that can be used in conducting research aimed at promoting public health. These resources include information on a variety of health research datasets, different statistical methodologies for analyzing health-related data and developing concepts related to health status, methodologies for forecasting or projecting disease incidences and associated costs, and discussions of demographic concepts used to measure population health status.

Life's not a fairytale for women like me, divorced and creeping up on middle age...until a hot younger man finds my lost shoes. Crashing weddings is so not my thing. I'd much rather stay home and watch HGTV . . . and ignore the fact that my life is messier than those fixer-upper houses. Because my jerk ex left, and the only thing keeping a roof over my sons' heads is my crappy telemarketing job. But then I get a challenge from the Bad Luck Club, the

group I joined to turn my luck around: Do something that breaks the rules. One ill-advised confession to my best friend later, I'm strapping on a pair of heels and crashing the wedding of two of the owners of Buchanan Brewery. The last thing I expect is to meet someone, let alone the sexy younger bartender who calls me out and finds my lost shoes, something straight out of Cinderella. And the very last thing I expect is to fall for him. It feels like I'm in a dream come true, a fairy tale, but the crap part about dreams is that they have to end. Or do they? Will her shameful secret be exposed? Evie Katner has a shameful secret. One that forced her to abandon a very successful acting career. But now she's back and...and she wants this role! It was perfect for her! It was everything she needed to prove her place as a serious actor! The only thing...she had to trick the director/producer into giving her the part. Brock Severson is furious when he realizes that the woman who tried out for the role is none other than Evie Katner. She left the industry under a cloud of shame. No one knew why she'd left the acting world - but rumors were rampant! He couldn't allow Evie to ruin his film but...but she's perfect for the role. Evie brought more to the complicated role than he could have hoped for! Plus, he's stunned at how much he wanted her! Could he keep his mind on the job when his body wanted nothing more than to ignore the past and risk it all with the dangerous Evie?

They're determined to not only hurt me, but all of witchkind by exposing us to the world. They should have known better than to try and cross me twice. Throw me to the wolves and I'll come back leading the pack.

From tissue-fitting pioneers Pati Palmer and Marta Alto comes a new book whose title says it all: *The Palmer/Pletsch Complete Guide to Fitting: Sew Great Clothes for Every Body! Fit Any Fashion Pattern.*It's been 20 years since their last book about fitting and altering sewing patterns, *Fit for Real People*. For Palmer and Alto, that means 20 more years of hands-on learning and experience from fitting more "real

people" of all shapes and sizes from around the globe. Having long ago dispensed with tedious measuring or making a muslin to check the fit of a sewing pattern, the authors have mastered the process of tissue-fitting. This means simply "trying on" the pattern's tissue pieces to check systematically for where to alter the pattern for a custom fit. The pattern pieces themselves become the "muslin." "Systematically" means following the tissue-fitting sequence they've developed and refined. It's a no-guess order of fitting that ensures success. The book reinforces this sequence since the alteration chapters themselves are ordered in the same sequence. Readers are instructed to start with length and width, move on to the back, check the neck and shoulders, all before even considering how the pattern fits in the bust. As they work through the pattern, sewers will alter the tissue and try on again until the tissue fits well. The book then instructs how to pin-fit the fabric for a final tweaking before sewing. The book explains all facets of pattern fitting and alteration to give readers the background and guidance they need to achieve a custom fit on any pattern from any company. Instructions include: * Take just one measurement to determine the right pattern size to buy. Find out what to do if you are between sizes or a different size top and bottom. * Make a "body map" with a close-fitting dress pattern to see how you differ from the "standard" on which sewing patterns are based. * Learn from "real people" examples of a variety of bodies and their individual alterations. * Use the book's new "wrinkle dictionary" to identify a needed pattern alteration. "Wrinkles point to the problem," say the authors, and now you can look up the page reference for a solution. * See how age can affect body shape, from preteen to octogenarian. * Take note of the latest sewing techniques for garment details that affect fit, such as darts, zippers and sleeves, for enhancing the look of a well-fitted garment. * Learn basic skills for designing or redesigning for myriad variations using the same pattern. Throughout the book, step-by-step instructions are accompanied by full-color photography and a new style of technical art that is extremely clear. Short captions explain each illustration. As a bonus, the authors detail the evolution of ready-to-wear and pattern sizing over the past century, along with their own history in pioneering the art and practice of tissue-fitting.

Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

This volume makes a major intervention in the debates around the nature of the political economy of Pakistan, focusing on its contemporary social dynamics. This is the first comprehensive academic analysis of Pakistan's political economy after thirty-five years, and addresses issues of state, class and society, examining gender, the middle classes, the media, the bazaar economy, urban spaces and the new elite. The book goes beyond the contemporary obsession with terrorism and extremism, political Islam, and simple 'civilian-military relations', and looks at modern-day Pakistan through the lens of varied academic disciplines. It not only brings together new work by some emerging scholars but also formulates a new political economy for the country, reflecting the contemporary reality and diversification in the social sciences in Pakistan.

The chapters dynamically and dialectically capture emergent processes and trends in framing Pakistan's political economy and invite scholars to engage with and move beyond these concerns and issues.

A forbidden romance with the coach's daughter wasn't part of my game plan. The woman I want is as off-limits as they come. I had an excuse two years ago when I met her on campus. She interviewed me for a story on major league baseball's rising stars, and we shared a hot, passionate night that ended far too soon, and without a mention of who her father was. Now I know the innocent but sexy woman I can't stop thinking about is the coach's daughter. That means her dad is the guy who determines if I bat fourth in the starting lineup in every game, or ride the bench. All the more reason to resist alluring, confident, brainy Reese every time I run into the reporter-turned-sports publicist. That ought to be easy enough, until the time she confesses she's still carrying her V card, and she's been wanting me to cash it in since the day we met. Staying away from her is going to be harder than resisting a fastball down the middle. Especially since I'm pretty sure she's the one who got away, and letting her slip through my fingers again would be a rookie mistake.

“One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) OATH OF OFFICE is book #2 in the bestselling Luke Stone series, which begins with ANY MEANS NECESSARY (book #1), a free download! A biological agent is stolen from a biocontainment lab. Weaponized, it could kill millions, and a desperate national hunt ensues to catch the terrorists before it is too late. Luke Stone, head of an elite FBI department, with his own family still in jeopardy, has vowed to walk away—but when the new President, barely sworn in, calls him, he can't turn his back on her. Shocking devastation follows, winding its way all the way to the President, who finds her own family in jeopardy. Her strength tested, as she steps into her new role, she surprises even her closest advisors. Rival presidential staff want Luke out of the picture, and with his team in danger, and left to his own resources, it becomes personal. But Luke Stone never gives up until he, or the terrorists, are dead. Luke realizes quickly that the terrorist's final target is even more high value—and more terrifying—than even he could imagine. Yet with only a few days before doomsday, it's unlikely that even he can stop what's already in motion. A political thriller with non-stop action, dramatic international settings, unexpected twists and heart-pounding suspense, OATH OF OFFICE is book #2 in the Luke Stone series, an explosive new series that will leave you turning pages late into the night.

In The Perversion of Normality, with full and reliable documentation, Kerry Bolton examines the anti-life character of the 'progressive' era. While arising from an historical process, certain movements and ideologies have been deliberately constructed to take advantage of the West's social decay to create a brave new world. Some people flourish amidst decay, and among those are a global oligarchy and the dysfunctional types the former promotes in the name of 'human rights', 'social justice', and 'equality'. The main obstacles to their 'new world order' are what they call the 'primary ties': the traditional family bond, faith, homeland, culture and ethnicity. In order to eliminate these, there is a well-financed assault, using feminism, identity politics, transgenderism, population control, sexology, 'human relations training', ad infinitum. Of particular service have been the social sciences, including what is called 'Cultural Marxism'. Turning normality on its head, what was until recently regarded as aberrant is now the 'new normal'. The final aim is to create a one-world state populated by 'transhuman', 'postgender' cybernetic drones in a scenario reminiscent of the most bizarre science-fiction film.

KINGS OF ITALY DUET, PART 1 FAUSTO I am the darkness, the man whose illicit empire stretches around the globe. Not many have the courage for what needs to be done to maintain power . . .but I do. And I always get what I want. Including my son's fiancée. She's mine now, and I'll use Francesca any way I see fit. She's the perfect match to my twisted desires, and I'll keep her close, ready and waiting at my disposal. Even if she fights me at every turn. FRANCESCA I was stolen away and held prisoner in Italy, a bride for a mafia king's only heir. Except I'm no innocent, and it's the king himself-the man called il Diavolo-who appeals to me in sinful ways I never dreamed. Fausto's wickedness draws me in, his power like a drug. And when the devil decides he wants me, I'm helpless to resist him-even if it means giving myself to him, body and soul. He may think he can control me, but this king is about to find out who's really the boss. ***** MAFIA MISTRESS is a full-length mafia romance written by a USA Today Bestselling author. It's the first book in the Italian Kings duet, not a stand-alone.

Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of them lay great stress on "inherent pucker" (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly inform us about newer methods to tackle the problem.

Deirdre Anne Tyler is running from her ex-boyfriend who beat her when he found out she was pregnant. She changed her name to Anne Smith and is hiding in an apartment next door to a cranky Navy SEAL who barely says hello. Which is just as well. The fewer people who know her and where she is, the less chance of her ex finding her. Until he does... When trouble comes calling, Anne hides in her neighbor's apartment. Jack wants nothing to do with the woman but can't send her back to deal with her problem on her own. Stuck with the woman, he's now responsible for keeping her alive until her baby is born. How hard could that be? Harder than he originally thought when he finds himself falling for the pretty mother-to-be. No-commitment Jack sinks deeper into his own kind of trouble where Anne is concerned. the pretty mother-to-be. No-commitment Jack sinks deeper into his own kind of trouble where Anne is concerned.

A beautiful book that not only helps families develop traditions based on the significance of Thanksgiving, but also builds a foundation of gratefulness in their lives.

Dangerous Engagement

A superb compilation of 29 hit songs for all electronic keyboards by Kenneth Baker, with suggested registrations, fingering and

lyrics, plus chord symbols and charts. Includes the infectious Achy Breaky Heart by Billy Ray Cyrus, with Common People, Father And Son, Love Is All Around by Wet Wet Wet and Fugees version of the timeless Killing Me Softly With His Song.

Every sorority has its secrets... And college freshman Ginger Carmichael couldn't care less. She has more important things on her mind, like maintaining her perfect GPA. No matter how much she can't stand the idea of the cliques and the matching colors, there's something about the girls of Alpha Beta Omega—their beauty, confidence, and unapologetic sexuality—that draws Ginger in. But once initiation begins, Ginger finds that her pledge is more than a bond of sisterhood, it's a lifelong pact to serve six bloodthirsty demons with a lot more than nutritional needs. Despite her fears, Ginger falls hard for the immortal queen of this nest, and as the semester draws to a close, she sees that protecting her family from the secret of her forbidden love is much harder than studying for finals.
