

Who Was Winston Churchill

This in-depth account of the legendary leader’s ailments and their effects is a “tremendously important contribution to Churchillian studies” (Claremont Review of Books). Prominent physicians Allister Vale and John Scadding have written a meticulously researched and definitive account documenting all of Winston Churchill’s major illnesses, from an episode of childhood pneumonia in 1886 until his death in 1965. They have adopted a thorough approach in gaining access to numerous sources of medical information and have cited extensively from the clinical records of the distinguished physicians and surgeons invited to consult on Churchill during his many episodes of illness. These include not only objective clinical data, but also personal reflections by Churchill’s family, friends and political colleagues, resulting in a unique and fascinating study.

The World Crisis has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

A books which traces Churchill's life in the news from cradle to grave, showing how tensions between tradition and novelty played into his constantly evolving media image.

A WALL STREET JOURNAL SUMMER PICK A WASHINGTON POST BESTSELLER Warrior and writer, genius and crank, rider in the British cavalry’s last great charge and inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, Forty Ways to Look at Winston Churchill is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous for any novelist to construct, too complex for even the longest narrative to describe, and too significant ever to be forgotten.

The Wicked Wit of Winston Churchill

A Biography of Winston Churchill

The Definitive Wit of Winston Churchill

A Biography of One of History’s Most Iconic Men Churchill

A New York Times Notable Book of the Year
A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now perhaps even more beloved in America than in England. And yet Churchill was also very often in the wrong: he brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in 1908, a perceptive journalist called him “the most interesting problem of personal speculation in English politics.” More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill’s career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes, dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill’s reputation through to the present day, Churchill’s Shadow colorfully renders the nuance and complexity of this giant of modern politics.

As prime minister, Sir Winston Churchill rallied the British people during WWII, and led his country from the brink of defeat to victory. This book gives a brief account of his life and his political career.

A powerful, emotional short story from the prime minister and Pulitzer Prize–winning author, detailing a conversation with the ghost of his beloved father. Legendary politician and military strategist Winston S. Churchill was a master not only of the battlefield, but of the page and the podium. Over the course of forty books and countless speeches, broadcasts, news items and more, he addressed a country at war and at peace, thrilling with victory but uneasy with its shifting role in global politics. In 1953, he was awarded the Nobel Prize for Literature for “his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values.” During his lifetime, he enthralled readers and brought crowds roaring to their feet; in the years since his death, his skilled writing has inspired generations of eager history buffs. In this rare work of fiction, Churchill imagines a visit from the ghost of his father, Randolph. Churchill reveals to his father all that has happened in the world since his death in 1895, leaving out one crucial detail: his own critical role in determining the unfolding of world events. His yearning for his late father shines through his terse, careful prose, lending emotional weight and nostalgia to this unusual foray into fiction.

“For myself I am an optimist,” said legendary British politician Winston Churchill. “It does not seem to be much use being anything else.” Have you ever wanted to deliver the ultimate Churchillian wisecrack? Give sound advice to a peer on how to deal with life’s problems? Or contribute to a heated discussion on international politics? The Smart Words and Wicked Wit of Winston Churchill is the perfect pocket book to carry around in your arsenal as you laugh at Churchill’s devious brand of smarts and learn from his political and humanist outlook on life during the turmoil of the Second World War. Discover what he had to say about domestic politics, war and peace, power, struggles and strife, education, philosophy, and some of the biggest names of his time, including himself. Beautifully designed and curated, this entertaining collection compiles the wisest and wittiest Churchill quotations that speak of the politician’s enduring legacy in contemporary pop culture. Full of savvy and wisdoms, The Smart Words and Wicked Wit of Winston Churchill is sure to delight devoted fans of history and casual readers alike.

The Assassination of Winston Churchill

Who Was Winston Churchill?

Soldier, Statesman, Artist

A Captivating Guide to the Life of Winston Churchill

The Most Challenging Decisions of the Second World War

A Biography

The author investigates (and finds groundless) the claims made by Rolf Hochhuth in his play Sodaten (The soldiers) that Sir Winston Churchill ordered or acquiesced in the death of his friend and war-time ally, General Wladislaw Sikorski, Minister President of Poland.

Sir Winston Churchill remains a British hero, lauded for his oratorical skill. He wrote histories, biographies, memoirs, and even a novel, while his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure, however, was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman. Also available in the series are collections from Shakespeare, To Be or Not To Be, and Oscar Wilde, I Can Resist Everything Except Temptation.

This memoir was first published in 1930 and describes the author's school days, his time in the Army, his experiences as a war correspondent and his first years as a member of Parliament.

Winston Churchill was a master using the power of words and emotions as a way to motivate the public. During his fifty-year political career, in his books, books, articles and speeches, he expressed his vision for the future and give hope for the difficulties of the present. While he served as Prime Minister, as well in other public positions, Winston Churchill memories were built not only from decisions but also from his own inimitable words. His leadership during World War II was essential for British resistance to Adolf Hitler and were key moments of Winston Churchill biography and facts. And everyone will feel moved by these words, part of Winston Churchill amazing life and legacy (and this selection can also be very useful all the speakers and students, of history, as well as general readers). His skills for writings were one of the reasons why Winston Churchill was awarded the Nobel Prize in Literature in 1953: “for his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values”. Be inspired by his most important 50 quotes, compiled in this eBook that show the Winston Churchill amazing life and legacy.

by History-Episode - A Fascinating Biography of a British Prime Minister That Led Britain Through World War II

A Brief Life

Walking with Destiny

Explore How Churchill Went From Schoolboy Failure to Wartime Hero
As a British politician who was well known for serving twice as prime minister for the United Kingdom and as an infamous war organizer, leader Winston S. Churchill filled his long life with achievements and recognition plotted throughout every modern history book. Most famously, he led Great Britain into victory over Nazi Germany during World War II in his first run as prime minister and played an essential role in negotiating peace once the war reached an unsteady end. Commonly, his name is associated as one of the "Big Three" alongside United States President Franklin D. Roosevelt and Soviet Union leader Joseph Stalin. In unity, the three men helped lead the world to a resolution from the violence and terror that reigned in World War II. Winston S. Churchill was more than a military and government leader, though. He lived an entire life full of accomplishments that defined him as a singular person, rather than a government and military leader. In 1953, he won the Nobel Prize for Literature for his "mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values." Although he maintained a somewhat monotone voice over the radio, Churchill excelled in speaking to live crowds as he imparted encouraging words and recounted tales of his life adventures. On top of these accomplishments as a writer and a trailblazer, Churchill is famous for his endless reserves of energy and his need for little sleep, which allowed him to pursue many projects and hobbies outside of his governmental duties. Among many other possible descriptions, Winton Churchill categorizes as a father, a husband, a painter, a war hero, a politician, a soldier, a smoker, a gambler, and a philosopher. Some of the topics covered in this book include: Churchill's Personal Life His Mental Health Childhood and Early Education Military Service Early Political Career and World War I The Wilderness Years and Rearmament World War II Post-World War II and Second Term The United States and the Soviet Union And much more! Any general biography of Winston S. Churchill will provide an overview of his greatest achievements, but Churchill had other goals and desires that are often ignored and forgotten. What were they? Churchill had a family-a childhood and children of his own-and a political career that began at a young age. He spoke with and entertained some of the biggest names in the world, within both the political and social realms. How did he interact with Franklin D. Roosevelt? With Mahatma Gandhi? Beneath the accolades and accomplishments lie one important question: Who was Winston S. Churchill out of the spotlight? What were his struggles and personal goals? Was he an average man in some ways? The following book is an outline of Winston S. Churchill's life that not only gives a brief overview of his best-known feats but also provides a glimpse into who he was as a person. Scroll to the top and select the "Add to Cart" button now

Although remembered and even lauded in the public mind as the British prime minister during the Second World War who played a major role in Allied victory over the Axis Powers and Japan, Winston Churchill had a life and political career before 1939 conditioned by fighting other wars and, in peacetime, thinking about war. While historians debate his achievements and failures between 1939 and 1945, a less explored dimension is Churchill's earlier connexion with war and warfare. This book explores Churchill's earlier experience in fighting wars as a soldier and politician.

An account of the World War II Prime Minister’s early career includes coverage of his contributions to building a modern navy, his experimentations with radical social reforms and his lesser-known romantic pursuits. By the author of the Pulitzer Prize finalist, Orwell. WINSTON CHURCHILL Sir Winston Leonard Spencer Churchill was born on November 30, 1874 and passed away on January 24, 1965. He lived a variegated and full life and is remembered as one of the most remarkable men in history. From his invaluable leadership during World War II, to his many contributions to British law, his accomplishments are many. A successful writer, war veteran, and multiple time leader of Great Britain, the impact of Winston Churchill is still felt strongly today. This book aims to serve as a biography of this incredible man, detailing the most important moments in his childhood, military career, family life, political career, retirement, and more.

The Art of Being Winston Churchill

A Roving Commission

The Political Ideas of Winston Churchill

His Life and Times

An Episode of Frontier War

“ An absorbing tale focused on the incredible survival of England through the desperate days of 1940–41 . . . flows much like a novel. ” —Publishers Weekly More than fifty years after his death, Winston Churchill is still one of the most iconic figures in British history, if not world history. As a young man he was a maverick journalist; his many positions in politics before 1940 marked him as a courageous but foolhardy man. Yet it is Churchill ’ s record in war, which has recently been questioned, that confirms his genius as a military commander and national leader—someone who understood the dangers of Nazi Germany before 1939 and someone uniquely capable to lead the empire through the turmoil of the Second World War. Christopher Catherwood argues that it was Churchill ’ s stand in 1940–41 that saved Britain and that only he was able to bring together the allies that eventually defeated Hitler in 1945. In His Finest Hour, Catherwood has produced a challenging yet lively reassessment. From “ a master at explaining complex historical issues in an admirably clear way, ” this is a “ fascinating account of Churchill ’ s career . . . a very human portrait ” (Alexander McCall Smith). “ Covers his heroic exploits in India, the Sudan, the Boer War, and WWI, and intersperses them with his roller coaster political life. ” —Publishers Weekly

NEW YORK TIMES BESTSELLER One of The Wall Street Journal ’ s Ten Best Books of 2018 One of The Economist ’ s Best Books of 2018 One of The New York Times ’ s Notable Books of 2018 “ Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain ’ s savior. ” —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of Napoleon and The Last King of America. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In Churchill, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction.

Introduces Winston Churchill, British Prime Minister during World War II.

A unique and evocative portrait of World War II—and a charming coming-of-age story—from the private diaries of Winston Churchill's youngest daughter, Mary. “ I am not a great or important personage, but this will be the diary of an ordinary person's life in war time. Though I may never live to read it again, perhaps it may not prove altogether uninteresting as a record of my life. ” In 1939, seventeen-year-old Mary found herself in an extraordinary position at an extraordinary time: it was the outbreak of World War II and her father, Winston Churchill, had been appointed First Lord of the Admiralty; within months he would become prime minister. The young Mary Churchill was uniquely placed to observe this remarkable historical moment, and her diaries—most of which have never been published until now—provide an immediate view of the great events of the war, as well as exchanges and intimate moments with her father. But these diaries also capture what it was like to be a young woman during wartime. An impulsive and spirited writer, full of coming-of-age self-consciousness and joie de vivre, Mary's diaries are untrammled by self-censorship or nostalgia. From aid raid sirens at 10 Downing Street to seeing action with the women ’ s branch of the British Army, from cocktail parties with presidents and royals to accompanying her father on key diplomatic trips, Mary's wartime diaries are full of color, rich in historical insight, and a charming and intimate portrait of life alongside Winston Churchill during a key moment of the twentieth century.

The Wartime Diaries of Churchill's Youngest Daughter

Who Was Winston Churchill?Penguin

A look at the towering twentieth-century leader and his lifestyle that goes beyond the political and into the personal. Countless books have examined the public accomplishments of the man who led Britain in a desperate fight against the Nazis with a ferocity and focus that earned him the nickname "the British Bulldog." Churchill Style takes a different kind of look at this historic icon—delving into the way he lived and the things he loved, from books to automobiles, as well as how he dressed, dined, and drank in his daily life. With numerous photographs, this unique volume explores Churchill's interests, hobbies, and vices—from his maddening oversight of the renovation of his country house, Chartwell, and the unusual styles of clothing he preferred, to the seemingly endless flow of cognac and champagne he demanded and his ability to enjoy any cigar, from the cheapest stogies to the most pristine Cubans. Churchill always knew how to live well, truly combining substance with style, and now you can get to know the man behind the legend—from the top of his Homburg hat to the bottom of his velvet slippers. "All readers will appreciate Singer's highly intelligent observations about how Churchill's style contributed to, and was ultimately an integral part of his brilliant career." —Gentleman's Gazette

Abridged by Denis Kelly.

How does he assess the information that is brought to him? How does his personal or political philosophy, or a moral sense, sustain him? How does he draw inspiration from those around him? How does he deal with setbacks and disasters? In this brilliant close-up look at Winston Churchill's leadership during the Second World War, Gilbert gets to the heart of the trials and struggles that have confronted the world's most powerful leaders, even up to current politicians such as George Bush and Tony Blair. Basing the book on his intimate knowledge of Churchill's private and official papers, Sir Martin Gilbert, Churchill's official biographer, looks at the public figure and wartime propaganda, to reveal a very human, sensitive, and often tormented man, who nevertheless found the strength to lead his nation forward from the darkest and most dangerous of times.

Winston Churchill Quotes And Believes

Clementine

POWERFUL QUOTES OF WINSTON CHURCHILL A true patriotic British Prime Minister who led the country to victory when its people had lost all hope during the second world war. He was born on 30th November 1874, and severed as the Prime Minister of the UK between 1940 once again from the year of 1951 to 1955. Churchill's speech during the war infused courage into the mind of people to face the war. Winston Churchill's quotes are both comical as well as thought provoking. Once an interviewer asked Churchill what are the qualities of a good politician "A politician needs the ability to foretell what is going to happen tomorrow, next week, next month, and next year. Then he added "And to have the ability afterwards to explain why it didn't happen." Winston Churchill has also laid his hands in the fields of arts and literature. He wrote a lot of literature for his work "The Second World War." Winston Churchill died on 1965, as he suffered a severe stroke. The country gave the leader a deserving "sent off." Churchill is considered to be one of the most powerful, influential Prime Ministers of Britain. Here we have collected a lot of quotes of Winston Churchill which consists of quotations about various topics like life, success, violence, god, relationship, freedom, and a lot more. You can find many motivational, wise and mood shifting quotes among those he had spoken. This book, 'Powerful Quotes of Winston Churchill' contains sayings and quotes of Winston Churchill, probably the biggest collection of Winston Churchill quotes that you can find. Turn the pages and grasp the gifts that Winston Churchill has left for you....

Charismatic, erudite, and often controversial, Winston Churchill was one of the most inspiring leaders of the twentieth century, and one of its greatest wits. His much-celebrated sense of fun and mischief has led to many of his jokes and ripostes becoming almost as well known as his speeches. Gloriously comprehensive, The Definitive Wit of Winston Churchill includes all Churchill's most famous quips and witticisms, and even an appendix of quotes falsely attributed to Churchill. The only book of its kind to be sanctioned by the Churchill estate and to track down its source, it captures the great statesman at his most eloquent, witty, and engaging and makes a great gift for the holidays and special occasions year-round.

Traces the life and political career of the former British prime minister, and describes his contributions to the outcome of World War II

"Engrossing...the first formal biography of a woman who has heretofore been relegated to the sidelines."--The New York Times From the author of the New York Times bestseller A Woman of No Importance, a long overdue tribute to the extraordinary woman who was Winston Churchill's first and only love. A woman who was the most powerful woman in the world, a confidante, fiercest critic and shrewdest advisor that captures the intimate dynamic of one of history's most fateful marriages. Late in life, Winston Churchill claimed that victory in the Second World War would have been "impossible" without the woman who stood by his side for 40 years. Why, then, do we know so little about her? In this landmark biography, a finalist for the Plutarch prize, Sonia Purnell finally gives Clementine Churchill her due. Born into impecunious aristocracy, the young Clementine Hozier was the target of cruel snobbery. Many wondered why she married her, when the prime minister's daughter was desperate for his attention. Yet their marriage proved to be an exceptional partnership. "You know,"Winston confided to FDR, "I tell Clemmie everything." Through the ups and downs of his tumultuous career, in the tense days leading up to the war against Chamberlain and the many months when he helped inspire his fellow countrymen and women to keep strong and carry on, Clementine made her husband's career her mission, at the expense of her family, her health and, fatefully, of her children. Any real consideration of Winston Churchill is incomplete without an understanding of their relationship. Clementine is both the first real biography of this remarkable woman and a fascinating look inside their private world. "Sonia Purnell has at long last given Clementine Churchill the biography she deserves. Sensitive yet clear, she tells the fascinating story of a complex woman struggling to maintain her own identity while serving as the conscience and principal adviser to one of the most important figures in history. I was enthralled all the way through." --Lynne Olson, bestselling author of Citizens of London

Winston Churchill, a Biography: The years of achievement

Churchill's Shadow: The Life and Afterlife of Winston Churchill

A Life from Beginning to End

Winston Churchill - A Fascinating Biography of a British Prime Minister That Led Britain Through World War II Winston Churchill was a man who held a powerful, consistent display of influence in the written word, artistry and important orations in his time. His world-renowned status was a result of his various public roles, military know-how and political prowess. All of it created a lengthy term of service to the British Crown and a role as an unwavering strategist and leader against the Nazis during World War II. The biographical account you are about to read will not only provide a reminder of what he did in his short life, but will underscore the power of the pen, an independent voice, a strategic mind, a creative rebellious nature, and personal ingenuity...before his world-wide impact took full root. Winston Leonard Spencer-Churchill was born on November 30, 1874. The aristocratic life he was born into had him displaying the characteristics of his father, Lord Randolph Churchill, a statesman of Britain, and of his mother, Jeannie Jerome, a New York born cosmopolitan. Churchill grew up in Dublin, Ireland while his father was employed at the time by his grandfather, John Spencer-Churchill, the 7th Duke of Marlborough. During the late 1800's, televisions, radios, computers or electronics did not exist. Hardly enjoying any contact with his own father, Winston grew up with various toys and creative "play" to keep busy. Upon being more active his mother hired in... To be continued... Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc. Get a copy of this summary and learn about the book.

An analytical investigation into Prime Minister Winston Churchill's decision-making process during every stage of World War II. When Winston Churchill accepted the position of Prime Minister in May 1940, he insisted in also becoming Minister of Defence. This, though, meant that he alone would be responsible for the success or failure of Britain's war effort. It also meant that he would be faced with many monumental challenges and utterly crucial decisions upon which the fate of Britain and the free world rested. With the limited resources available to the UK, Churchill had to pinpoint where his country's priorities lay. He had to respond to the collapse of France, decide if Britain should adopt a defensive or offensive strategy, choose if Egypt and the war in North Africa should take precedence over Singapore and the UK's empire in the East, determine how much support to give the Soviet Union, and how much power to give the United States in controlling the direction of the war. In this insightful investigation into Churchill's conduct during the Second World War, Allen Packwood, BA, MPhil (Cantab), FRHistS, the Director of the Churchill Archives Centre, enables the reader to share the agonies and uncertainties faced by Churchill at each crucial stage of the war. How Churchill responded to each challenge is analyzed in great detail and the conclusions Packwood draws are as uncompromising as those made by Britain's wartime leader as he negotiated his country through its darkest days.

Winston Churchill The man that the world knows as Winston Churchill looms large on the stage of world history. Like some sort of colossus from antiquity, Churchill strides between two major epochs in the world, one foot planted in the glory days of the British Empire when the sun never set on history's largest known conglomeration of imperial holdings and the other planted firmly in the aftermath of World War Two, and a post-war order that saw that empire collapse, with Britain barely hanging on to its own sovereignty in the wake. Inside you will read about... ✓ Love and War ✓ Courting the Americans ✓ The Allies Show their Teeth ✓ Preparing for the Post-war World ✓ Wrestling the Reins of Power ✓ Churchill's Hiatus ✓ The End of an Empire And much more!With the Iron Curtain descending over Europe, Churchill was the first to raise the alarm bell that signaled the start of the Cold War. Churchill was a master at the helm, navigating his country and to a much larger extent the world through some of its darkest hours, even while he battled some of his own personal demons of depression and doubt. Follow along as Churchill guides us through uncharted and uncertain waters through the sheer power of his own pugnacious pizzazz.

A great statesmen, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. Never Give In! celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume Never Give In! provides a powerful testimony to one of the great public figures of the 20th century.
