Blue Water & Me is a high-adventure story of Penn Wallace's magical first summer fishing with his father, Blue Water Charlie, at age eleven. The pair begin their adventure by ramming a thirty-

thousand ton Japanese freighter. Charlie regales Penn with old-time fish stories. Penn swims with dolphins and explores desert islands. As the summer passes, Penn's undying belief in Charlie slowly erodes as he sees his

Islesboro Island's first collection of tales and legends. In 1999, a wooden trunk was discovered washed ashore on the rocky Islesboro town beach. It contained a small diary, whose cover had faded gold lettering that said ISLESBORO TARADIDDLES. This is the true story of that journal's contents,

File Type PDF Whoppers Tall Tales And Other Lies

and only the facts have been made up. Learn the truth behind the famous characters of the Wild West—and how the legends got it wrong—in this lively history that separates fact from fiction. The historic figures of the Western frontier have fascinated us for generations. But in many cases, the

File Type PDF Whoppers Tall Tales And Other Lies

stories we know about them are little more than inventions. Popular legend won't tell you, for instance, that David Crockett was a congressman, or that Daniel Boone was a Virginia legislator. Thanks to penny dreadfuls, Wild West shows, sensationalist newspaper stories, and tall tales told by the

File Type PDF Whoppers Tall Tales And Other Lies

explorers themselves, what we know of these men and women is often more fiction than fact. *The Real Dirt on America's Frontier Legends* separates fact from fiction, showing the legends and the evidence side-by-side to give readers the real story of the old West. Here you'll discover the fascinating

File Type PDF Whoppers Tall Tales And Other Lies

truth about Lewis and Clark, Daniel Boone, "Buffalo Bill" Cody, Calamity Jane, Kit Carson, Davy Crocket, and many others.

This is how storyteller, librarian, and all-around jokester Rob Reid opens his delightful new book, *Something Funny Happened at the Library*. Wouldn't it

File Type PDF Whoppers Tall Tales And Other Lies

be great if kids came home from the library holding their sides, eager to pass on the funny things they heard in the library that day? According to Reid, the best way to get the attention of young people is to make them laugh. From easy-to-win-over preschoolers to unimpressed teens, this book will

File Type PDF Whoppers Tall Tales And Other Lies

serve as your personal humor coach for even the toughest audiences out there. With tricks of the trade on how to warm up an audience, choose age-appropriate material, use facial and vocal expressions to lure them in, and select props, you're on your way to something very funny! Young children

File Type PDF Whoppers Tall Tales And Other Lies

won't be able to hold in their giggles after such programs as "The World's Worst Ice-Cream Story," and intermediate school-age kids will love to take part in book theme parties in honor of Captain Underpants or such special celebrations as "Boo Ha-Ha!" Even those middle- and high-school

File Type PDF Whoppers Tall Tales And Other Lies

students, once convinced to participate in "Comedy Club" (a program that combines reading and stand-up) or spoonerisms (a wordplay game), will be rolling in the aisles. To enrich all of these programs, Reid also includes a funny reader's theater script, tips on how to host lively library

File Type PDF Whoppers Tall Tales And Other Lies

tours and school visits, and even rap songs that extol the virtues of reading and the library! A complete resource for getting children and young adults snickering and having fun in the stacks with innovative programming that uses humor, *Something Funny* helps you to connect with children and young adults

File Type PDF Whoppers Tall Tales And Other Lies

and, along the way, make the library the hippest place in town!
