

Winter Turning Wings Of Fire Book 7

The #1 New York Times bestselling series continues with a thrilling revelation -- three brand-new tribes of dragons! Growing up in the hives, Cricket has always had a million questions. Why are trees forbidden, even in art? Why do her parents seem to hate her? And the biggest, most dangerous and secret question of all: Why is Cricket immune to Queen Wasp's powers? Whenever the queen takes control of all the HiveWings, speaking through their mouths and seeing through their eyes, Cricket has to hide, terrified of being discovered. Now she's hiding again, wanted for stealing the Book of Clearsight along with her new SilkWing friends, Blue and Swordtail, and the fierce LeafWing, Sundew. The fugitives need answers, and fast, in order to prevent a LeafWing attack. But Cricket has more questions than ever. How can she stay hidden and discover the queen's deadliest secret? And if she does succeed -- can a powerless dragonet really do anything to topple a regime and stop a war?

A war has been raging between the dragon tribes of Pyrrhia for years. According to a prophecy, five dragonets will end the bloodshed and choose a new queen. But not every dragonet wants a destiny. And when Clay, Tsunami, Glory, Starflight, and Sunny discover the truth about their unusual, secret upbringing, they might choose freedom over fate-and find a way to save their world in their own way. Titles include: Moon Rising, Winter Turning, Escaping Peril, Talons of Power and Darkness of Dragons.

Daring mission... or deadly mistake? Winter has been a disappointment to his royal IceWing family his whole life. An ancient evil, a terrible prophecy -- and five dragonets who could save the world . . . Don't miss the most thrilling adventure yet in the New York Times bestselling Wings of Fire series! Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?
