

Wisconsin Quilt Shop Hop

Provides a new "state" quilt books to add to your collection, while you enjoy the projects and historical inspiration it provides Only book to cover quilts documented by the Wisconsin Quilt History Project - part of a nationwide effort to preserve quilting Storytelling - is as old as humanity, and quilting is among the most prolific mediums. Wisconsin Quilts brings readers 100 antique quilts stitched by immigrants between the 1800s and the mid-20th century, through times of war, economic development and depression, with continued perseverance. You will learn about the history of the day, and gain information about 10 of the quilt blocks used to create each the various quilts featured.

Welcome to the wonderful world of Kim Diehl--on a splendidly small scale! Kim's little quilts have three big benefits: they're scrap friendly, they're quick to finish . . . and they're as cute as can be. Now you can create a wonderful variety of pint-sized quilts in Kim's signature style. Enjoy 18 projects from Kim's Simple Whatnots Club, previously available only in individual patterns. You'll learn streamlined techniques for petite patchwork, invisible machine applique, and cozy wool applique. Use completed projects as wall quilts and table toppers, or follow Kim's lead and display projects in

other creative ways. As always, Kim shares her "Extra Snippet" sewing tips throughout so that YOU can become a better quilter. Also available: Kim Diehl's Simple Reflections journal, where this best-selling author of 14 books on quilting has gathered her favorite quilts, recipes, and more to enjoy year-round.

Featuring a dozen warm and cozy designs, County Seat Quilts is the culmination of a year-long quilt club at coauthor Julie Hendricksen's Wisconsin quilt shop, J.J. Stitches. Now you, too, can be part of the club, with a year's worth of achievable lap-quilt patterns. So start stitching, then get decorating--the quilts work equally well on a table, draped on your favorite chair or sofa, or as decorative wall art. Give traditional blocks such as Nine Patches and Ohio Stars a new twist by changing your color placement of lights and darks, adding an easy pieced border, or omitting a border completely. All of the patterns are easy to stitch; many are made with strips and squares. The most difficult thing about them may be deciding which one to make first!

17 gorgeous projects using 5 of Edyta Sitar's favorite quilting techniques.

Quilts for Scrap Lovers

Here is the largest, most comprehensive history of American quilts ever published! The Quilt explores the evolution of quilting in America, showing in vivid colors and patterns how African American, Amish, Hawaiian, Hmong, and Native American quilts celebrate cultural identity, and how quilts connect us to one another through quilting bees and other community groups. Noted quilt historian Elise Schebler Roberts also goes beyond the historical nature of quilts to cover current efforts at quilt preservation, collecting and appraising, and state documentation projects. Her book features an encyclopedia of favorite quilt styles and is gloriously illustrated with more than 200 full-color photographs of classic collectible quilts.

An epic memoir of a husband and wife team that paddled the entire length of the Mississippi River in a tandem kayak. Along the way they stop in quaint river towns and volunteer with charitable organizations, and ultimately, they discover as much about themselves as they do about the natural world along the Mighty Mississippi.

Highlighted by two hundred full-color photographs, a celebration of American crafts and decorative arts and the artists who create them showcases masterpieces of furniture, wood, ceramics, glass, fiber, jewelry, metal, and basketry from the past two centuries, along with a look at how craft has shaped American history, arts, vitality, and identity. 25,000 first printing.

Save those scraps! Discover the joy and freedom of creating collage-style quilts without rules and measurements. Get hands-on instruction from an award-winning artist who believes creating with your instincts will produce gorgeous results every time.

Quilts for Autumn

Organic Free-Motion Quilting Idea Book

Chloe Ellefson and her sister, Kari, have long dreamed of visiting each historic site dedicated to Laura Ingalls Wilder. When Chloe takes custody of a quilt once owned by the beloved author, the sisters set out on the trip of a lifetime, hoping to prove that Wilder stitched it herself. But death strikes as the journey begins, and trouble stalks their fellow travelers. Among the "Little House" devotees are academic critics, greedy collectors, and obsessive fans. Kari is distracted by family problems, and unexpected news from Chloe's boyfriend jeopardizes her own future. As the sisters travel deeper into Wilder territory, Chloe races to discover the truth about a precious artifact—and her own heart—before a killer can strike again.

In the aftermath of a difficult divorce, Bonnie heads to Maui to help her friend Claire launch a quilter's retreat, a getaway marked by beautiful sunsets, regional quilting activities and her ex's plot to claim Elm Creek Quilts resources. By the author of *The Lost Quilter*. Reprint.

Set in the conformist 1950s and reaching back to span two world wars, Ellen Baker's superb novel is the story of a newlywed who falls in love with a grand abandoned house and begins to unravel dark secrets woven through the generations of a family. Like Whitney Otto's How to Make an American Quilt in its intimate portrayal of women's lives, and reminiscent of novels by Elizabeth Berg and Anne Tyler, Keeping the House is a rich tapestry of a novel that introduces a wonderful new fiction writer. When Dolly Magnuson moves to Pine Rapids, Wisconsin, in 1950, she discovers all too soon that making marriage work is harder than it looks in the pages of the Ladies' Home Journal. Dolly tries to adapt to her new life by keeping the house, supporting her husband's career, and fretting about dinner menus. She even gives up her dream of flying an airplane, trying instead to fit in at the stuffy Ladies Aid quilting circle. Soon, though, her loneliness and restless imagination are seized by the vacant house on the hill. As Dolly's life and marriage become increasingly difficult, she begins to lose herself in piecing together the story of three generations of Mickelson men and women: Wilma Mickelson, who came to Pine Rapids as a

Download File PDF Wisconsin Quilt Shop Hop

new bride in 1896 and fell in love with a man who was not her husband; her oldest son, Jack, who fought as a Marine in the trenches of World War I; and Jack's son, JJ, a troubled veteran of World War II, who returns home to discover Dolly in his grandparents' house. As the crisis in Dolly's marriage escalates, she not only escapes into JJ's stories of his family's past but finds in them parallels to her own life. As Keeping the House moves back and forth in time, it eloquently explores themes of wartime heroism and passionate love, of the struggles of men's struggles with fatherhood and war and of women's conflicts with issues of conformity, identity, forbidden dreams, and love. Beautifully written and atmospheric, Keeping the House illuminates the courage it takes to shape and reshape a life, and the difficulty of ever knowing the truth about another person's desires. Keeping the House is an unforgettable novel about small-town life and big matters of the heart. Advance praise for Keeping the House "Ellen Baker's first novel is a wonder! Keeping the House is a great big juicy family saga, a romantic page-turner with genuine characters written with a perfect sense of history, time, and place. Her portrayal of the American housewife is hilarious and heartbreaking. I couldn't have liked it more!" -Fannie Flagg, author of Can't Wait to Get to Heaven "Ellen Baker's first novel, Keeping the House, is a quilt that grids a small Midwestern town in the middle of the last

Download File PDF Wisconsin Quilt Shop Hop

century. Under this writer's deft hands, each square is a story, a mystery, an indiscretion, a tale of the great house and grand family who once ruled there. Even more, it captures the roles of women then: both the living embodiments of demure ideals, and those who couldn't fit the pattern. Edith Wharton's novels of domestic despair and display come to mind with each page." -Jacquelyn Mitchard, author of *The Deep End of the Ocean* "A born storyteller, Ellen Baker has written an enthralling family saga filled with three generations of memorable characters and capturing the dreams and frustrations of twentieth-century women in wonderful, spot-on historical detail." -Faith Sullivan, author of *Gardenias* and *The Cape Ann* "Ellen Baker has written the novel I've been waiting to read for a very long time. It's the book you want to curl up with, the book you rush home to, the book you wish you'd written. In *Keeping the House*, she serves up the complexities of family relationships, the anguish of victims of wars, the innermost thoughts of women, and the social mores of the past. Seasoned with mysteries that kept me devouring pages, this is one huge gourmet feast of a book for readers to savor. I look forward to every delicious book this author writes." -Bev Marshall, author of *Walking Through Shadows* and *Right as Rain*

A Guide to Creating, Quilting & Living Courageously

The story of the American Quilt Trail, featuring the colorful patterns of quilt squares painted large on barns throughout North America, is the story of one of the fastest-growing grassroots public arts movements in the United States and Canada. In *Barn Quilts and the American Quilt Trail Movement* Suzi Parron takes us to twenty-five states as well as Canada to visit the people and places that have put this movement on America's tourist and folk art map. Through dozens of interviews with barn quilt artists, committee members, and barn owners, Parron documents a journey that began in 2001 with the founder of the movement, Donna Sue Groves. Groves's desire to honor her mother with a quilt square painted on their barn became a group effort that eventually grew into a county-wide project. Today, quilt squares form a long imaginary clothesline, appearing on more than three thousand barns scattered along one hundred and twenty driving trails. With more than eighty full-color photographs, Parron

documents here a movement that combines rural economic development with an American folk art phenomenon.

Known for their exciting use of color in quick and easy quilts, sisters Barbara Groves and Mary Jacobson present a value-packed collection of popular projects. Select from 12 strikingly simple quilts and recharge your creative batteries Discover skill-building projects that move from squares and strips to designs featuring stitch-and-flip corners, half-square triangles, pinwheels, a Rail Fence layout, and more Enjoy patterns that are just right for quilt retreats and make-in-a weekend gifts

An exciting new approach for beginning to advanced quilters who want to improvise on their own, with a friend, or with a community of fellow makers. Forget step-by-step instructions and copycat designs. In *The Improv Handbook for Modern Quilters*, Sherri Lynn Wood presents a flexible approach to quilting that breaks free of old paradigms. Instead of traditional instructions, she presents 10 frameworks (or scores) that create a guiding, but not limiting, structure. To help quilters gain confidence, Wood also offers detailed lessons for stitching techniques key to improvisation, design and spontaneity exercises, and lessons on color. Every quilt made from one of Wood ' s scores will have common threads, but each one will look different because it reflects the

maker ' s unique interpretation. Featured throughout the book are Wood ' s own quilts and a gallery of contributor works chosen from among the hundreds submitted when she invited volunteers to test her scores during the making of this groundbreaking work. “ Wood offers a series of techniques, guidelines and lessons on color choice for those ready to explore improvisational quilting. Her book is loaded with full-color photos and examples to inspire. ” —Dallas Morning News “ Despite how it may “ seam, ” quilting isn ' t all about rules! Quilting can be an exhilarating way to channel your creativity and express yourself. This book is focused more on exploration than explanation—a perfect mindset for beginners! ” —Powell ' s Books Staff Pick

Every quilter has a bucket list: extraordinary quilts they dream of making someday. Now two stars of the quilting world share the "Sunday best" quilts they've always wanted to create! Together the authors chose six different themes--star, scrappy, red-and-white, Christmas, pineapple, and Courthouse Steps quilts--and then challenged one another to each design a quilt in her own signature style. The result is a dozen spectacular quilts, along with personality-packed Q&As and commentary from both designers--plus a fun and easy way for quilters to cross off the quilts on their bucket lists!

Put your Stripology Rulers to work with this sequel to the first Mixology book. You will find 13 great quilts in multiple sizes, made from precuts in the book. That includes quilts made from 10" squares, 5" squares, 2-1/2" strips and 1-1/2" strips. Be inspired to put your stash to work by curating and cutting your own precuts. Full color instructions for using all three Stripology rulers or regular rulers are included, along with 13 delicious cocktail recipes.

Meet Adelia, a 19-year-old woman living in northern Illinois on the cusp of the Civil War. Her real-life diary entries record the details of daily life while war advances in the background. Her journal illustrates how central sewing and quilting were in a woman's life during the nineteenth century. Includes period photos and 14 projects featuring

nineteenth-century reproduction fabrics.

“Do away with patterns and embrace your creative spirit with this vibrant and fun book—*Quilting Arts*. With simple design principles, you can create unique improvisational quilts. Without using patterns, learn five easy piecing techniques for your improvisation toolbox (including circles, blocks, and strips), and watch the art unfold before your eyes. Focus on color combos and negative space to discover your personal style—and then add a dazzling texture with free-motion quilting. Also included is information on hanging finished art quilts without a sleeve, plus tried and true improv tips to encourage creative play.
