shatter the glass ceiling—perfect for fans of Feminist Fight Club, Lean In, and Nice Girls Don't Get the Corner Office. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has

Bookmark File PDF Women On Top

actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli "with this delicious look at what we have to gain by examining our relationship to power" (Sally Helgesen, New York Times bestselling author). Using *The Prince* as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. "Machiavelli For Women is the ultimate battle guide for our times.

sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a

of the game.

This is a compilation of the many letters sent to the author by women sharing their most intimate sexual fantasies about topics such as masturbation, oral sex, sex with more than one man, lesbian sex and anal sex. In her extended introduction to these erotic fantasies the author compares the fantasies of today's women with those featured in her previous book, *My Secret Garden*. She concludes that

Bookmark File PDF Women On Top

despite everything the fantasies of the women of the 1990s are more liberated, more experimental and more outrageous than those of the women of the 1970s. She also notes a tendency for younger women to be freer of guilt about explicit sexual fantasizing. Nancy Friday is the author of *Men in Love*. A comprehensive legal theory is needed to prevent the persistence of sexual harassment. Although requiring sexual favors as a *quid pro quo* for job

Bookmark File PDF Women On Top

retention or advancement clearly is unjust, the task of translating that obvious statement into legal theory is difficult. To do so, one must define sexual harassment and decide what the law's role in addressing harassment claims should be. In *Sexual Harassment of Working Women*, Catharine Mac-Kinnon attempts all of this and more. In making a strong case that sexual harassment is sex discrimination and that a legal remedy should be available

Bookmark File PDF Women On Top

for it, the book proposes a new standard for evaluating all practices claimed to be discriminatory on the basis of sex. Although MacKinnon's "inequality" theory is flawed and its implications are not considered sufficiently, her formulation of it makes the book a significant contribution to the literature of sex discrimination. MacKinnon calls upon the law to eliminate not only sex discrimination but also most instances of

Bookmark File PDF Women On Top

sexism from society. She uses traditional theories in an admittedly strident manner, and relies upon both traditional and radical-feminist sources. The results of her effort are mixed. The book is at times fresh and challenging, at times needlessly provocative. -- <https://www.jstor.org> (Sep. 30, 2016).

indeed for women who aspire to leadership roles in higher education, and this deeply personal and reflective book will serve as a guidebook and resource for other women who seek leadership roles in the nation's colleges and universities."--Teachers College Record "Educational leadership students and instructors of higher education should look to Women at the Top as a wonderful complement to their leadership and organizational behavior class texts."--The Journal of Higher Education

How far is there a 'feminine' style of managerial and professional work? Have employers taken account of the different timetable governing the life of a woman as compared to that of a man, and the implications of this if women are to have the training, promotion and job security needed to reach the top? This book, first published in 1971, considers women as company directors;

examines the position of women managers in two large firms; analyses how they fare in senior posts in the BBC and in the Civil Service. The four studies together contain a mass of information on women's education and the reasons why they reach the top - or fail to get there.

A spirited, deeply researched exploration of why capitalism is bad for women and how, when done right, socialism leads to economic independence, better labor conditions, better work-life balance and, yes, even better sex. In a witty, irreverent op-ed piece that went viral, Kristen Ghodsee argued that women had better sex under socialism. The response was tremendous -- clearly she articulated something many women had sensed for years: the problem is with capitalism, not with us. Ghodsee, an acclaimed ethnographer and professor of Russian and East European Studies, spent years

Bookmark File PDF Women On Top

researching what happened to women in countries that transitioned from state socialism to capitalism. She argues here that unregulated capitalism disproportionately harms women, and that we should learn from the past. By rejecting the bad and salvaging the good, we can adapt some socialist ideas to the 21st century and improve our lives. She tackles all aspects of a woman's life - work, parenting, sex and relationships, citizenship, and leadership. In a chapter called "Women: Like Men, But Cheaper," she talks about women in the workplace, discussing everything from the wage gap to harassment and discrimination. In "What To Expect When You're Expecting Exploitation," she addresses motherhood and how "having it all" is impossible under capitalism. Women are standing up for themselves like never before, from the increase in the number of women running for office to the women's march to

the long-overdue public outcry against sexual harassment. Interest in socialism is also on the rise - whether it's the popularity of Bernie Sanders or the skyrocketing membership numbers of the Democratic Socialists of America. It's become increasingly clear to women that capitalism isn't working for us, and Ghodsee is the informed, lively guide who can show us the way forward.

on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality. This is a book about men who love women. But it is not a collection of love stories. It is a study of the secret, erotic fantasies that men have always kept hidden, a taboo-shattering investigation that reveals the deepest, most conflicting feelings that men have about women, men and their own sexuality. Men in Love goes beyond the socio-sexual cliché of woman seen as either madonna
