

Woody Allen Slang Origins

Each vol. is divided into 2 parts 1st-7th ed.: Dictionary catalog and Classified catalog; 8th-9th ed. have 3rd. part: Directory of publishers.

Smart. Funny. Fearless. "It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

*This rollercoaster ride through the colorful history of slang—from highwaymen to hip-hop—is a fresh and exciting take on the subject: entertaining and authoritative without being patronizing, out-of-touch or voyeuristic. Slang is the language of pop culture, low culture, street culture, underground movements and secret societies; depending on your point of view, it is a badge of honor, a sign of identity or a dangerous assault on the values of polite society. Of all the vocabularies available to us, slang is the most alive, constantly evolving and—as it leaks into the mainstream and is taken up by all of us—infusing the language with a healthy dose of vitality. Witty, energetic and informative *Vulgar Tongues* traces the many routes of slang, beginning with the thieves and prostitutes of Elizabethan London and ending with the present day, where the centuries-old terms rap and hip-hop still survive, though their meanings have changed. On the way we will meet Dr. Johnson, World War II flying aces, pickpockets, schoolchildren, hardboiled private eyes, carnival geeks and the many eccentric characters who have tried to record slang throughout its checkered past. If you're curious about flapdragons and ale passion, the changing meanings of punk and geek, or how fly originated on the streets of eighteenth-century London and square in Masonic lodges, this is the book for you.*

I Heard You Paint Houses

Quotations about Language and Languages

Here they are—some of the funniest tales and ruminations ever put into print, by one of the great comic minds of our time. From THE WHORE OF MENSA, to GOD (A Play), to NO KADDISH FOR WEINSTEIN, old and new Woody Allen fans will laugh themselves hysterical over these sparkling gems.

From Homer (“winged words”) to Robert Burns (“Beware a tongue that’s smoothly hung”) to Rudyard Kipling (“Words are, of course, the most powerful drug used by mankind”), writers from all over the world have put pen to paper on the inexhaustible topic of language. Yet surprisingly, their writings on the subject have never been gathered in a single volume. In **Words on Words**, David and Hilary Crystal have collected nearly 5,000 quotations about language and all its intriguing aspects: speaking, reading, writing, translation, verbosity, usage, slang, and more. As the stock-in-trade of so many professions—orators, media personalities, writers, and countless others—language’s appeal as a subject is extraordinarily relevant and wide-ranging. The quotations are grouped thematically under 65 different headings, from “The Nature of Language” through the “Language of Politics” to “Quoting and Misquoting.” This arrangement enables the reader to explore a topic through a variety of lenses, ancient and modern, domestic and foreign, scientific and casual, ironic and playful. Three thorough indexes—to authors, sources, and key words—provide different entry points into the collection. A valuable resource for professional writers and scholars, **Words on Words** is for anyone who loves language and all things linguistic.

At a whopping 600 absorbing pages, Uncle John pulled out all the stops to make the behemoth Triumphant 20th Anniversary Bathroom Reader the epitome of Throne Room entertainment. Happy birthday, Uncle John! This 20th anniversary edition proves that some things do get better with age. Since 1987, the Bathroom Readers’ Institute has led the movement to stand up for those who sit down and read in the bathroom (and everywhere else for that matter). Uncle John’s Triumphant 20th Bathroom Reader is jam-packed with 600 pages of all-new articles (as usual, divided by length for your sitting convenience). In what other single book could you find such a lively mix of surprising trivia, strange lawsuits, dumb crooks, origins of everyday things, forgotten history, quirky quotations, and wacky wordplay? Uncle John rules the world of information and humor, so get ready to be thoroughly entertained as you read about: * The incredible (edible) history of bread * The secret congressional bomb shelter * Farts in the news * The history of the aloha shirt * The real Zorro * The worst city in America * How your taste buds work * It’s the Peanuts story, Charlie Brown And much, much more!

Abstract: The text is designed for people who need to speak in public. Part I gives an overview of message preparation, delivery and critical listening as basic guidelines to effective speechmaking. Part II provides in-depth guidelines into message preparation including focusing, investigating, organizing and choosing language. Part III examines message strategies of audience interest, explanation, persuasion and humor. Chapters outline the material, relate it to effective speaking and provide questions for discussion. The basic text encourages immediate speaking to gain confidence and experience.

"A truthful and learned treasury of musings on the miracle drug."—Beryl Bainbridge

Without Feathers

"Kitty Burns Florey seems to write from a great wellspring of inner calm that derives from a gleeful appreciation of life's smallest details." —Richard Russo, Pulitzer Prize-winning author of *Empire Falls* Once wildly popular in grammar schools across the country, sentence diagramming has fallen out of fashion. But are we that much worse for not knowing the word-mapping method? Now, in this illustrated personal history that any language lover will adore, Kitty Burns Florey explores the rise and fall of sentence diagramming, including its invention by a mustachioed man named Brainerd "Brainy" Kellogg and his wealthy accomplice Alonzo Reed ... the inferior "balloon diagram" predecessor ... and what diagrams of sentences by Hemingway, Welty, Proust, Kerouac and other famous writers reveal about them. Florey also offers up her own common-sense approach to learning and using good grammar. And she answers some of literature's most pressing questions: Was Mark Twain or James Fenimore Cooper a better grammarian? What are the silliest grammar rules? And what's Gertude Stein got to do with any of it?

An alphabetically arranged reference contains the definitions and origins of more than 15,000 words and expressions, including slang words, proverbs, nicknames, and phrases from literature.

This reference work consists of entries on every film, television, stage, and literary work by Woody Allen. The volume also includes entries on people (actors, producers, writers, etc.) who have worked with Allen as well as various topics (acting roles, awards, themes, film locations, etc.).

The Secret Language of the Crossroads

The Broadview Reader - Third Edition

Kick the Bucket and Swing the Cat takes a humorous tour through the fascinating, sometimes tragic, and often surprising history of the English language and its etymology. Author, humorist and word-sleuth Alex Games uncovers the trends, innovations and scandals that have shaped the meanings of our most popular words and expressions, from Chaucer to Internet jargon and Ancient Greek to American slang. Who was the original Jack the Lad, Gordon Bennett or Bloody Mary? Where do dodgy geezers and hooligans come from? What are skedering, dithering and sabre-rattling? This amusing but rigorously researched account of English words and their origins combines the findings of the major BBC TV series and the nationwide Wordhunt, and is an entertaining treasure trove for English-language lovers everywhere.

Offering a collection of diverse readings reinforced with discussions of the rhetorical modes, the fifth edition now provides new essays, writing prompts, and an expanded glossary.

Woody Allen is one of America's most prolific authors, actors, and auteur film directors. His oeuvre, which spans five decades, has always been marked by a postmodern play with conventions, experimental techniques, and explorations of the status quo of modern urban lives. Yet, Woody Allen is also a nostalgic who makes the history of his nation, his people, and his individual subjects the constant theme of his work. Whether cryogenically frozen Miles Monroe wakes up in the future only to misinform scientists about the past; whether stand-up comedian Alvy Singer reminisces his relationship to Annie Hall; or, whether ophtalmologist Judah Rosenthal is tormented by his memory of his Jewish rabbinical father after having had his girlfriend killed; the past, whether personal or communal, is always an integral part of Allen's characterizations and plots. Contrary to the assumption that postmodernity is necessarily linked to the future only and negates all history, the present study argues that postmodern subjects very much depend on an active evaluation of the past and that, through the lens of history, present crises and traumata can be overcome. In this way, nostalgia manages to bring history back into postmodernism.

An Introduction to Message Preparation

With more than 7,000 definitions, this book provides a definitive guide to the use of slang today. It deals with drugs, sport and contemporary society, as well as favourite slang topics such as sex and bodily functions. In this fully updated fourth edition of the highly acclaimed Dictionary of Contemporary Slang, language and culture expert Tony Thorne explores the ever-changing underworld of the English language, bringing back intriguing examples of eccentricity and irreverence from the linguistic front-line. "Thorne is a kind of slang detective, going down the streets where other lexicographers fear to tread." Daily Telegraph

The Complete Balderdash & Piffle Collection of English Words, and Their Curious Origins

This new edition includes most of the essays that have made The Broadview Reader one of the most popular first-year textbooks in Canada, and adds 18 fresh selections. As before, essays are gathered into groups by topic, but the editors also provide alternative tables of contents by rhetorical patterns and devices, and by chronology. Each selection is followed by a wide range of questions and suggestions for discussions, and the reader also includes a glossary and biographical notes. Most of the new selections are of recent vintage, but in recognition of the degree to which “modern” issues often have a long and honourable history, the editors have also added several selections by nineteenth-century writers. Also, the reader now includes a full section on “Women in Society.” The book’s balance of Canadian and non-Canadian writers has been maintained, as has the range of different styles and different essay lengths that are included. In all, the new edition includes 80 selections.

The inspiration for the major motion picture, THE IRISHMAN. Includes an Epilogue and a Conclusion that detail substantial post-publication corroboration of Frank Sheeran’s confessions to the killings of Jimmy Hoffa and Joey Gallo. “Sheeran’s confession that he killed Hoffa in the manner described in the book is supported by the forensic evidence, is entirely credible, and solves the Hoffa mystery.” — Michael Baden M.D., former Chief Medical Examiner of the City of New York “Charles Brandt has solved the Hoffa mystery.” —Professor Arthur Sloane, author of Hoffa “It’s all true.” — New York Police Department organized crime homicide detective Joe Coffey “I heard you paint houses” are the first words Jimmy Hoffa ever spoke to Frank “the Irishman” Sheeran. To paint a house is to kill a man. The paint is the blood that splatters on the walls and floors. In the course of nearly five years of recorded interviews, Frank Sheeran confessed to Charles Brandt that he handled more than twenty-five hits for the mob, and his friend Hoffa. He also provided intriguing information about the Mafia’s role in the murder of JFK. Sheeran learned to kill in the US Army, where he saw an astonishing 411 days of active combat duty in Italy during World War II. After returning home he became a hustler and hit man, working for legendary crime boss Russell Bufalino. Eventually Sheeran would rise to a position of such prominence that in a RICO suit the US government would name him as one of only two non-Italians in conspiracy with the Commission of La Cosa Nostra, alongside the likes of Anthony “Tony Pro” Provenzano and Anthony “Fat Tony” Salerno. When Bufalino ordered Sheeran to kill Hoffa, the Irishman did the deed, knowing that if he had refused he would have been killed himself. Charles Brandt’s page-turner has become a true crime classic.

Comprising the classic bestsellers Getting Even, Without Feathers, and Side Effects, this definitive collection of comic writings is from a man who needs no Introduction. Really—this book has no Introduction. The Insanity Defense reveals many sides of Woody Allen as he holds forth on the most human of urges (“Why does man kill? He kills for food. And not only for food: frequently there must be a beverage”); reflects on death (“I don’t believe in an afterlife, although I am bringing a change of underwear”); and notes the effect on history wrought by trick chewing gum, the dribble glass, and other novelties. There is also an inspiring story of the futile race to beat Dr. Heimlich on the punch: “The food went down the wrong pipe, and choking occurred. Grasping the mouse firmly by the tail, I snapped it like a small whip, and the morsel of cheese came loose. If we can transfer the procedure to humans, we may have something. Too early to tell.” All Woody Allen fans will cherish this uproarious treasury—and those who don’t enjoy The Insanity Defense are just plain crazy. “If you don’t care if you break into helpless whoops of laughter on buses, trains, or wherever you happen to be reading it.” —Chicago Tribune, on Without Feathers “Brilliant flights of fancy whose comic detail and inspired silliness are at once dramatic and controlled.” —The New York

Spending more time than comparable books on the writing process, THE WRITER & €™S PALETTE is also distinguished by its attention to ESL concerns and its coverage of critical reading, thinking, and writing.

The Illustrated Compendium of Essential Modern Slang is an illustrated dictionary of the zaniest jargon, including everything from ankle-biter to zazzy! Complete with definitions, roots, and absurd usage quotes, these 300+ words are sure to make you go, “ What does that mean? ” What do your grandmother, your math teacher, your soccer coach, and your booger of a brother all have in common? They all have used slang at some point in their lives! Whether they were getting “ jiggy ” with it in the ’ 90s or raving about the “ cat ’ s pajamas ” in the ’ 20s, everyone has experienced the joy that comes with these coded exchanges. In this illustrated volume, we ’ ll take a walk down memory lane, exploring the best, worst, and most lit terms that have ever graced the pages of the English dictionary. Need an example? We ’ ve got plenty—300+ to be exact—including: Canary (noun): a female singer, the likes of which you might find “ chirping ” along at the front of the jazzy musical group that your mom hired for your bat mitzvah. Greaser (noun): a tough guy who is as slick as the hair products that he soaks his fro ’ in. Tubular (adjective): breathtaking, like the wave the dad who said it is probably cruising on. Bounce (verb): to leave quickly and suddenly before anyone can hear you use the word bounce. Tea (noun): The hot goss that your friend ’ s been holding onto, like a literal cup of burning tea she ’ s waiting to toss in your face when the time is right. The Illustrated Compendium of Essential Modern Slang is jam-packed with “ dope ” slang words, their origin stories, hilarious usage quotes, and a pronunciation guide so you can properly enunciate that funny word that no one understands. From millennial jargon to Gen Z lingo, this comprehensive collection of modern slang is sure to make you go gray (in a good way).
