Using a contextual approach, Wordly Wise 3000 students are taught to say unfamiliar words and identify any possible similarities to other words, use the word in context, break the word down into parts, and finally look it up. Three thousand carefully selected words taken from literature, textbooks, and SAT-prep books form the backbone of this vocabulary series. Each lesson begins with a Word List that includes pronunciations, parts of speech, and concise definitions, and uses each word in an interesting, contextual, sentence.
