This Hugo Award-winning disaster epic from the Science Fiction Grand Master “ranks among [his] most ambitious works” (SFSite). The Wanderer inspires feelings of pure terror in the hearts of the five billion human beings inhabiting Planet Earth. The presence of an alien planet causes increasingly severe tragedies and chaos. However, one man stands apart from the mass of frightened humanity. For him, the legendary Wanderer is a mere tale of bizarre alien domination and human submission. His conception of the Wanderer a mysterious man claims to be her long-missing brother, a woman must confront her family’s closely guarded secrets in this “delicious hybrid of mystery, drama, and elegance” (Jodi Picoult, #1 New York Times bestselling author). Washington, DC, 2019: Laura Preston is a reclusive artist at odds with her older sister Beatrice as their elegant, formidable mother slowly slides into dementia. When a stranger contacts Laura claiming to be her brother who disappeared forty years earlier when the family lived in Bangkok, true. But meeting him in person leads to more questions than answers. Bangkok, 1972: Genevieve and Robert Preston live in a beautiful house behind a high wall, raising their three children with the help of a cadre of servants. In these exotic surroundings, Genevieve strives to create a semblance of the life they would have had at home in the US—ballet and riding classes for the children, impeccable dinner parties, a meticulously kept home. But in truth, Robert works for American intelligence. Genevieve finds herself vulnerable to unseen dangers in a rapidly changing world and a country they don’t really understand. Alternating between past and present as all of the secrets are revealed, *What Could Be Saved* is an unforgettable novel about a family broken by loss and betrayal, and “a richly imagined page-turner that delivers twists alongside thought-provoking commentary” (Kirkus Reviews).

Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. The first edition credited the work’s protagonist Robinson Crusoe as his author, leading many readers to believe he was a real person and the book a travelogue of true incidents Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character (whose birth name is Robinson Kreuznaer)-a castaway who spends 28 years on a remote tropical desert island near Trinidad,

encountering cannibals, captives, and mutneers, before ultimately being rescued. The story has been thought to be based on the life of Alexander Selkirk, a Scottish castaway who lived for four years on a Pacific island called “Más a Tierra”, now part of Chile, which was renamed Robinson Crusoe Island in 1966.

A WANDERER’S HÁVAMÁL is a reference manual for spiritual outsiders, people who feel they may be ETs or who feel they are isolated in their spiritual journey. It explores the alienation that sets such seekers apart, the varieties of the pain of living, the healing of the incarnation, the discovery of the life’s mission, and how to live a devotional life in a busy world.

By the mercy of God I am a Christian, by my deeds a great sinner, by calling a homeless wanderer of the lowliest origins, roaming from place to place. Here, see my belongings, a bag of dry crusts on my back and the Holy Bible in my breast pocket; that’s it. In 1884 there appeared in Russia a slim volume containing four short tales. They told of a pilgrim, a lone wanderer, led by his quiet curiosity and a deep spiritual longing to undertake a lifelong journey across the land. A folk hero, a figure familiar from the works of Tolstoy and Leskov, this gentle pilgrim and his simple story would soon travel the world – and would even, much later, traverse the pages of JD Salinger’s Franny and Zooey as the ‘small pea-green cloth-bound book’ that Franny keeps close in her handbag. The pilgrim’s ancient journey takes him from a city monastery through forests, fields and the steppes of Siberia. He walks by day and by night, through rains and summer months, finding food and shelter where he can. Along the way, he encounters priests and professors, convicts, nuns and beggars, a tipsy old man in a soldier’s greatcoat, from whom he slowly gathers great stores of wisdom and experience. But at the heart of his journey is his time spent praying as he journeys on alone, discovering the peace and consolation that come of constant prayer and silent contemplation. Simple and sincere, The Way of a Pilgrim paints an enduring picture of a life of detachment through wandering and prayer. And, as the pilgrim makes his way through the wilds, he invites us to travel with him, along an ancient path into an immense, mystical landscape.

The classic French novel written by a soldier, who would later die during World War I, tells the story of Auguste Meaulnes and the “domain mysterieux.”

Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

Newbery Honor Book * ALA Notable Children’s Book “A beautifully written and imaginatively constructed novel that speaks to the power of survival and the delicacy of grief.” —*School Library Journal* (starred review) *This acclaimed bestselling Newbery Honor Book from multi-award-winning author Sharon Creech is a classic and moving story of adventure, self-discovery, and one girl’s independence. Thirteen-year-old Sophie hears the sea calling, promising adventure and a chance for discovery as she sets sail for England with her three uncles and two cousins. Sophie’s cousin Cody isn’t so sure he has the strength to prove himself to the crew and to his father. Through Sophie’s and Cody’s true love, we hear stories of the past and the daily challenges of surviving at sea as The Wanderer sails toward its destination—and its passengers search for their places in the world. “Sophie is a quietly luminous heroine, and readers will rejoice in her voyage.” —BCBB (starred review) “Like Creech’s Walk Two Moons and Chasing Redbird, this intimate novel poetically connects journey with self-discovery.” —Publishers Weekly (starred review)*

After obscure author of strange stories, Simon Peterkin, vanishes in bizarre circumstances, a typescript, of a text entitled, "The Wanderer," is found in his flat. "The Wanderer" is a weird document. On a dying Earth, in the far-flung future, a man, an immortal, opens the tale of his aeon-long life as prey, as a hunted man; he tells of his quiting the Himalayas, his sanctuary for thousands of years, to return to his birthplace, London, to write the memoirs; and writes, also, of the night he learned he was cursed with life without cease, an evening in a pub in that city, early in the twenty-first century, a gathering to tell of eldritch experiences undergone. Is "The Wanderer" a fiction, perhaps Peterkin's last novel, or something far stranger? Perhaps more 'accoutn' than 'story'?

A prophet has is about to board a ship home after 12 years in exile, when he is stopped by a group of people. An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the eagerly awaited sequel to Brandon Sanderson’s #1 New York Times bestselling Oathbringer, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar’s crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin’s scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition’s envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. From the internationally bestselling creator of Wreck This Journal... wan-der verb \wan-dər\ to walk/explore/amble in an unplanned or aimless way with a complete openness to the unknown Several years ago when Keri Smith, bestselling author of Wreck This Journal, discovered cryptic handwritten notations in a worn copy of Walt Whitman’s Leaves of Grass, her interest was piqued. Little did she know at the time that those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as The Wander Society, as well as the subject of this book. Within these pages, you’ll find the results of Smith’s research: A guide to the Wander Society, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You’ll learn about the group’s mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

What can we rethink teaching practices to include and engage the whole student? What would student experience look like if we integrated silence and feeling with empirical analysis? Tuning the Student Mind is the story of one teacher’s attempt to answer these questions by creating an innovative college course that marries the spiritual and the theoretical, integrating meditation and self-reflection with more conventional academic curriculum. The book follows Molly Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class, “Consciousness, Creativity, and Identity,” interweaving personal stories, student writing, and Beauregard’s responses, along with recommendations for further reading and a research appendix, it makes the case for the transformative power of consciousness-centered education. Written in a warm, engaging voice that reflects Beauregard’s teaching style, Tuning the Student Mind provides an accessible, step-by-step template for other educators, while inviting readers more broadly to reconnect with the joy of learning in and beyond the classroom.

Bryson brings his unique brand of humour to travel writing as he shoulders his backpack, keeps a tight hold on his wallet and heads for Europe. Travelling with Stephen Katz—also his wonderful sidekick in A Walk in the Woods—he wanders from Hammerfest in the far north, to Istanbul on the cusp of Asia. As he makes his way round this incredibly varied continent, he retraces his travels as a student twenty years before with caustic hilarity.

The author offers sixty-two short reflections on self-acceptance and staying positive with oneself.

Parts of a new series Legends from the Ancient North, The Wanderer tells the classic tales that influenced JRR Tolkien's The Hobbit and The Lord of the Rings 'So the company of men led a careless life, All was well with them: until One began To encompass evil, an enemy from hell. Grendel they called this cruel spirit....' J.R.R. Tolkien spent much of his life studying, translating and teaching the great epic stories of northern Europe, filled with heroes, dragons, trolls, dwarves and magic. He was hugely influential for his advocacy of Beowulf as a great work of literature and, even if he had never written The Hobbit and The Lord of the Rings, would be recognised today as a significant figure in the rediscovery of these extraordinary tales. Legends from the Ancient North brings together from Penguin Classics five of the key works behind Tolkien's fiction.They are startling, brutal, strange pieces of writing, with an elemental power brilliantly preserved in these translations.They plunge the reader into a world of treachery, quests, chivalry, trials of strength.They are the most ancient narratives that exist from northern Europe and bring us as near as we will ever get to the origins of the magical landscape of Middle-earth (Midgard) which Tolkien remade in the 20th century.

Born in Tuscany in 1304, Italian poet Francesco Petrarca is widely considered one of the fathers of the modern Italian language. Though his writings inspired the humanist movement and subsequently the Renaissance, Petrarch remains misunderstood. He was a man of contradictions—a Roman pagan devotee and a devout Christian, a lover of friendship and sociability, yet intensely private. In this biography, Christopher S. Celenza revisits Petrarch’s life and work for the first time in decades, considering how the scholar’s reputation and identity have changed since his death in 1374. He brings to light Petrarch’s unrequited love for his poetic muse, the anti-institutional attitude he developed as he sought a path to modernity by looking backward to antiquity, and his endless focus on himself. Drawing on both Petrarch’s Italian and Latin writings, this is a revealing portrait of a figure of paradoxes: a man of mystique, historical importance, and endless fascination. It is the only book on Petrarch suitable for students, general readers, and scholars alike.

Wuthering Heights is the name of Mr. Heathcliff’s dwelling. Ōwutheringŏ being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 01500,Ŏ and the name Ōhareton Earnshaw.Ŏ I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here Ōthe houseŏ pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucapans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with outcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

Presents fresh research and powerful stories to give voice to a new generation of women driven by challenge and change Offers compelling advice on how to make wandering a life strategy, not just a series of unplanned events Includes probing questions and thought-provoking exercises to help readers find peace in life’s chaos and confusion 2011 Axiom Award Gold Medal winner in the category of Women in Business There’s a new generation of high-achieving women today—confident, ambitious, accomplished, driven. And yet, as master coach Marcia Reynolds discovered, many of them are also anxious, discontented, and frustrated. They’re constantly questioning their purpose, juggling multiple roles, and reevaluating their goals. As a result they’re restless—they move from job to job, from challenge to challenge, almost on impulse. They’re wander women. Existing personal growth books, so focused on empowerment and encouragement, can’t help these women. They don’t need to find their voice—they know how to roar. They don’t expect balance in their lives—but they long to find peace in the chaos. They aren’t necessarily focused on gaining a seat in the boardroom—they want projects that mean something or businesses they run on their own. Reynolds helps wander women understand the roots of their restlessness and make their wandering a conscious strategy, not a reaction. Drawing an extensive research and interviews she illuminates the needs that drive their decisions and the core assumptions that lock them into rigid perfectionist patterns. She offers a wealth of exercises and practices that will enable wander women to reset their mental programming, discover new ways of finding direction, and thoughtfully choose and plan their futures, whether they climb the corporate ladder, find satisfaction below the glass ceiling, or set out on their own. For every woman plagued by frustration and self-doubt—“Will what I’ve done ever feel good enough?”—Wander Woman sets the stage to uncover the answers to life’s tough questions about meaning and purpose, significance and value, and the legacy you can leave from a life lived well.

The beauty of the country through which he travelled (It was the county Wicklow) could not prevent his mind from dwelling on many painful thoughts, some borrowed from the past, and more from the future. His uncle’s caprice and moroseness,—the strange reports concerning the cause of the secluded life he had led for many years,—his own dependent state,—fell like blows fast and heavy on his mind. He roused himself to repel them,—sat up in the mail, in which he was a solitary passenger,—looked out on the prospect,—consulted his watch;—then he thought they receded for a moment,—but there was nothing to fill their place, and he was forced to invite them back for company. When the mind is thus active in calling over invaders, no wonder the conquest is soon completed. As the carriage drew near the Lodge, (the name of old Melmoth’s seat), John’s heart grew heavier every moment. The recollection of this awful uncle from infancy,—when he was never permitted to approach him without innumerable lectures,—not to be troublesome,—not to go too near his uncle,—not to ask him any questions,—on no account to disturb the inviolable arrangement of his snuff-box, hand-bell, and spectacles, nor to suffer the glittering of the gold-headed cane to tempt him to the mortal sin of handling it,—and, finally, to pilot himself aright through his perilous course in and out of the apartment without striking against the piles of books, globes, old newspapers, wig-blocks, tobacco-pipes, and snuff-cannisters, not to mention certain hidden rocks of rat-traps and mouldy books beneath the chairs,—together with the final reverential bow at the door, which was to be closed with cautious gentleness, and the stairs to be descended as if he were “shod with nails.” This recollection was carried on to his school-boy years, when at Christmas and Easter, the ragged pony, the jest of the school, was dispatched to bring the reluctant visitor to the Lodge,—where his pastime was to sit vis-a-vis to his uncle, without speaking or moving, till the pair resembled Don Raymond and the ghost of Beatrice in the Monk,—then watching him as he picked the bones of lean mutton out of his mess of weak broth, the latter of which he handed to his nephew with a needless caution not to “take more than he likes;”—then hurried to bed by day-light, even in winter, to save the expence of an inch of candle, where he lay awake and restless from hunger, till his uncle’s retiring at eight o’clock gave signal to the governante of the meagre household to steal up to him with some fragments of her own scanty meal, administering between every mouthful a whispered caution not to tell his uncle. Then his college life, passed in an attic in the second square, uncheered by an invitation to the country; the gloomy summer wasted in walking up and down the deserted streets, as his uncle would not defray the expences of his journey;—the only intimation of his existence, received in quarterly epistles, containing, with the scanty but punctual remittance, complaints of the expences of his education, cautions against extravagance, and lamentations for the failure of tenants and the fall of the value of lands. All these recollections came over him, and along with them the remembrance of that last scene, where his dependence on his uncle was impressed on him by the dying lips of his father.

A Wanderer’s Notes

A vivid portrayal of the passion and spirit of female walkers and the deep sense of ‘knowing’ that they found along the path.”—Raynor Winn, author of The Salt Path “I opened this book and instantly found that I was part of a conversation I didn’t want to leave. A dazzling, inspirational history.”—Helen Mort, author of No Map Could Show Them This is a book about ten women over the past three hundred years who have found walking essential to their sense of themselves, as people and as writers. Wanderers traces their footsteps, from eighteenth-century parson’s daughter Elizabeth Carter—who desired nothing more than to be taken for a vagabond in the wilds of southern England—to modern walker-writers such as Nan Shepherd and Cheryl Strayed. For each, walking was integral, whether it was rambling for miles across the Highlands, like Sarah Stoddart Hazlitt, or pacing notes into being, as Virginia Woolf did around Bloomsbury. Offering a beguiling view of the history of walking, Wanderers guides us through the different ways of seeing—of being—articulated by these ten pathfinding women.

The #Anote2Self Meditation Journal was created with self-care, healing and emotional evolution in mind. Author Alex Elle wanted to give journalers an outlet where they could not only feel safe but be open and honest with their healing process, on paper. Every day journalers will set their intentions, answer a thought-provoking question and write a daily note to self. If used in conjunction with the moon, each daily entry will sync with the lunar phases. Each lunar phase and its corresponding month are given rich meaning in the appendix section of each journal. This journal has been designed as a meditative aid, a space where the journaler can positively embark on their journey to self-discovery.

From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal discovery. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonal, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable.
