

World Of Reading Sofia The First Sofia Makes A Friend Pre Level 1

Read along with Disney! Sofia is thrilled to celebrate her very first Christmas with her friend Vivian. The tree is decorated, the presents are wrapped, and the stockings are hanging above the fireplace. There's just one thing missing that will make the day complete: a snowy adventure with good friends and a bit of Christmas magic! Follow along with word-for-word narration as Sofia celebrates her first Christmas!

Jevik travels to the city of Olondria where he is overtaken by a ghost from his past. "The vivid, brilliant illustrations bring this simple pourquoi tale to life in a highly engaging way," from the author of *Sun and Moon Sisters* (School Library Journal). Cloud Princess lives high in the sky, together with Miss Sun and Miss Moon, but she wants to discover what life on Earth is like. So one day she drifts down to Earth and sees the cars and the flowers and the people that live there. Unfortunately, sinking down to Earth sparks a curious change in her—she begins to turn into water! She dashes back to her home in the sky, but loved Earth so much that she visits every Spring—and brings the rain along with her. "Le's illustrations are absolutely stunning, filled with vibrant colors and movement as the Cloud Princess explores. The title character is ethereal yet relatable. Her cloud-hair is delightfully voluminous; her face expresses her initial loneliness and then her curiosity and wonder. The plot has the gentle simplicity characteristic of folktales. The book provides an excellent springboard for discussion about storytelling and how cultures through the ages have used stories to explain their observations of the natural world." —School Library Journal "All the sweet expressions and softly variegated colors throughout create delicate visual harmonies. There's lots of eye candy in individual scenes." —Kirkus Reviews

A beautiful and inclusive picture book all about celebrating being yourself from Down syndrome advocate and viral sensation Sofia Sanchez! It can be hard to be different -- whether because of how you look, where you live, or what you can or can't do. But wouldn't it be boring if we were all the same? Being different is great! Being different is what makes you YOU. This inclusive and empowering picture book from Sofia Sanchez -- an 11-year-old model and actress with Down syndrome -- reminds readers how important it is to embrace your differences, be confident, and be proud of who you are. Imagine all of the wonderful things you can do if you don't let anyone stop you! You are enough just how you are. Sofia is unique, but her message is universal: We all belong. So each spread will feature beautiful, full-color illustrations of a full cast of kid characters with all kinds of backgrounds, experiences, and abilities. This book will also include back matter with a brief bio of Sofia and her journey so far, as well as additional information about Down syndrome and how we can all be more accepting, more inclusive, and more kind.

A leading advocate for social justice excavates the history of forced migration in the twelve American towns she's called home, revealing how White supremacy has fundamentally shaped the nation. Sofia Ali-Khan's parents emigrated from Pakistan to America, believing it would be a good country. With a nerdy interest in American folk history and a devotion to the rule of law, Ali-Khan would pursue a career in social justice, serving some of America's most vulnerable communities. By the time she had children of her own—having lived, worked, and worshipped in twelve different towns across the nation—Ali-Khan felt deeply American, maybe even a little extra American for having seen so much of the country. But in the wake of 9/11, and on the cusp of the 2016 election, Ali-Khan's dream of a good life felt under constant threat. As the vitriolic attacks on Islam and Muslims intensified, she wondered if the American dream had ever applied to families like her own, and if she had gravely misunderstood her home. In *A Good Country*, Ali-Khan revisits the color lines in each of her twelve towns, unearthing the half-buried histories of forced migration that still shape every state, town, and reservation in America today. From the surprising origins of America's Chinatowns, the expulsion of Maroon and Seminole people during the conquest of Florida, to Virginia's stake in breeding humans for sale, Ali-Khan reveals how America's settler colonial origins have defined the law and landscape to maintain a White America. She braids this historical exploration with her own story, providing an intimate perspective on the modern racialization of American Muslims and why she chose to leave the United States. Equal parts memoir, history, and current events, *A Good Country* presents a vital portrait of our nation, its people, and the pathway to a better future.

The global fiction sensation—published in 32 countries around the world—that follows 96-year-old Doris, who writes down the memories of her eventful life as she pages through her decades-old address book. But the most profound moment of her life is still to come... Meet Doris, a 96-year-old woman living alone in her Stockholm apartment. She has few visitors, but her weekly

Skype calls with Jenny—her American grandniece, and her only relative—give her great joy and remind her of her own youth. When Doris was a girl, she was given an address book by her father, and ever since she has carefully documented everyone she met and loved throughout the years. Looking through the little book now, Doris sees the many crossed-out names of people long gone and is struck by the urge to put pen to paper. In writing down the stories of her colorful past—working as a maid in Sweden, modelling in Paris during the '30s, fleeing to Manhattan at the dawn of the Second World War—can she help Jenny, haunted by a difficult childhood, unlock the secrets of their family and finally look to the future? And whatever became of Allan, the love of Doris's life? A charming novel that prompts reflection on the stories we all should carry to the next generation, and the surprises in life that can await even the oldest among us, *The Red Address Book* introduces Sofia Lundberg as a wise—and irresistible—storyteller.
