

## World Religions Final Review Sheet

Experiencing the World's Religions, 8e helps students understand the practices and beliefs of all the major religions at a time when the world is rife with sectarian conflicts and statistics show that spiritual experience more than ever. By beginning each chapter with personal encounters with people of diverse faiths in his extensive travels, experienced religious scholar Michael Molloy brings to life both individuals and whole cultures. In vivid illustrations, the vast majority of which have been replaced for this new edition, Molloy also delves into the art and architecture and celebrations and customs of the world's religions, which enhances students' visual learning. This text is written in an exciting and thought-provoking style, like those of the best travel writers, so that students feel as if they are experiencing it firsthand.

Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time—man's fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.
