

Worship Is For Kids Too

Jason Helopoulos encourages the church to embrace the important part children play in the life of the church and unfolds the enormous blessings to be found in having them present in the worship services of the congregation. He points out how the struggles are temporary - whereas the blessings can be eternal.

Teaching Kids Authentic Worship How to Keep Them Close to God for Life Baker Books
Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families—with or without children in the home—as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing. Includes a discussion guide in the back for small groups.

What Is Worship?

The Power of Discipling Kids in Worship

Sacred Pathways reveals nine distinct spiritual temperaments—and their strengths, weaknesses, and tendencies—to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and—like the Enneagram and other tools do with personality—encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into

the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A Sacred Pathways video Bible study is also available for group or individual use, sold separately.

Children's resources for fun worship times for grades 1-6 with music videos, leader Guides, and Kids' worship Guides.

VeggieTales(R) Worship! is the perfect tool for your church's large-group children's programs. The why and how of Children's Worship

Do you work with children in ministry? Do you have children of your own? Are you challenged with how to get them engaged with God? Do you desire to see children experience the presence of God in your ministry or home setting? In this guide you will find tools to make their worship more engaging and exciting and teach them to take personal responsibility for their own worship experience. Kids Love God: A Guide to Modern Praise and Worship is a tool to assist children's ministry workers, leaders, and parents. If you are involved with children and have the desire to teach them to encounter God through worship, this guide offers helpful insight to make your mission easier. Praise and worship for children is essential and beneficial to individuals, families, our culture and the body of Christ. When we help children understand how important worship is, we secure the next generation of worshipers for the kingdom of God. Let us be more proactive in capturing their hearts for God while they are young. This book will help train, educate, and equip those who work with children.

Young Children and Worship

"Hands down my favorite book for teen girls." Rosaria Butterfield, author, *The Gospel Comes with a House Key* Your teen years matter. Of all the ways you're learning and changing during the busy teenage years, your growth in Christ is the most important. God intends to use your teen years as a launching pad into a lifelong pursuit of looking more like Jesus. This book will help you prioritize your Christian growth—pointing you to the resources God has given you in his Word, in prayer, and in the church; offering help for managing your emotions, watching your words, and bearing spiritual fruit; and challenging you with ways to center your life around this important task. Even as a teenager, you have all it takes to grow in godliness.

The authors have devised an exciting way to introduce three- to - seven year olds to the wonder of worship. Activities are developed around the order of worship commonly used in Reformed churches: assemble in God's name; proclaim, give thanks to and go in God's name.

Struggling to keep your children still during sermons? Have you been looking for ways to engage your kids in church service? Want to make sermons more exciting for kids? Sermons can be hard and long for a child to sit through and oftentimes, it's impossible to stop them from fidgeting until the end of service.

Planting Seeds

Teaching Kids Authentic Worship

"This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children. We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness. But we know much less about the actual beliefs, feelings, and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice"-- Includes 52 'front-pew' sermons for children and should help motivate church attendance because they allow the entire family to participate together in learning more about Jesus.

In this upbeat book Robbie Castleman shows parents how to guide their toddlers and teenagers to participate more fully in the worship of the church. This significantly revised and updated edition includes a new preface and new appendices with ideas for children's sermons and intergenerational community.

Parenting in the Pew

What Is Worship? by Valerie Carpenter is a wonderful illustrated book that teaches children three to six years old about the various wa

worship our amazing God. This helpful book is a great way to introduce young children to God and to launch them on their spiritual journey. This book features meaningful truths in rhyme and key Bible verses paired with captivating and colorful illustrations. Precious Blessings series invites young children to dive deeper into the heart of God. Each book provides a clear, precise, and accessible answer to a common question kids ask about different aspects of the Christian life. These books are helpful guides in answering difficult questions children may have as well as in bringing clarity to their relationship with God. With rhyming text, captivating illustrations, and a connection to Scripture on each spread, children will be empowered to walk with Jesus wholeheartedly... one step at a time!

Engaging children in a church worship service can often be difficult. How can a parent, grandparent, or church leader help a child enjoy and learn from the sermon? Sermon Notes for Kids provides the much needed direction that many have been looking for. It contains 100 note-taking activities designed for kids ages 6-11. There are 4 bonus sections included: Missionary Moments, Prayer Meeting, Communion, and Speaker Log. Each activity contains instructions as well as additional tips and challenges. Sermon Notes for Kids was born as a result of Connelly's years of sitting alongside her 4 children during Sunday worship services. All the activities in this book have been kid tested and approved. Parents, grandparents, and church leaders will all find this book to be a valuable tool. But be warned! This note-taking journal has the potential to quickly become a keepsake you will treasure forever as you look back at your child's notes and see how much he has grown in his ability to comprehend even seemingly difficult sermons.

God is good, and He wants all of me. Kids learn to listen for God's voice in the middle of the busyness of life. They choose God as they sing, "You are good, and He wants all of me." This album contains six engaging songs along with colorful lyric videos and dynamic dance videos for kids to have fun and move with energy while worshipping God. It's perfect for the whole family whether singing along in the car or having a dance party in the living room. This album can be used in children's ministry, Sunday School, Vacation Bible School, and camp.

Most parents would give anything to anchor their children with a vibrant faith that “ sticks ” and continues to mature long-term. Yet despite this deep desire, research indicates that approximately 40-50% of high school seniors drift from their faith after graduation. In response to this problem, the Fuller Youth Institute (FYI) has launched the College Transition Project, a national longitudinal study following 400 high school seniors during their first three years in college. This provocative and needed research is geared to spark a movement that empowers parents, churches, leaders, and adults of all ages to develop robust and long-term faith in kids.

Many children, as adoring fans, can rattle off all the stats and facts and details about their favorite singer or sports star. Wouldn't it be great if they knew that much about God and were as excited about him? In Teaching Kids Authentic Worship, Kathleen Chapman gives an eye-opening lesson on how worship can spark that kind of enthusiasm. She begins with what it means to truly worship-to

focus on God alone. At its core, she says, worship is our recognition of the greatness of God. It is a kind of glue that will effectively lead children into a greater, more permanent love relationship with Jesus. With a contagious enthusiasm of her own, Chapman moves from the "what" of worship to the "how." She includes fifty-two worship moments that help children-and adults-focus exclusively on God and learn about him. These creative moments take the form of singing, hand movements, dance, crafts, games, writing, drama, and more. Teaching Kids Authentic Worship is a necessary resource for every Sunday school teacher, children's church leader, and parent who wants to guide children in making God their greatest hero and lifelong friend.

Worship KidStyle: Children's Edition All-in-One Kit is designed to guide kids in grades 1-6 to worship God like kids! Kids are wrestling with tough issues these days—peer pressure, purpose, unexpected change or loss, and wondering where their faith fits in with it all. *Roar Like a Lion* encourages your kids to "run toward the roar" as they face their fears, knowing that God is with them every step of the way. Pastor and bestselling author Levi Lusko is known for making tough topics accessible while drawing his readers toward a richer spiritual life. In his first children's devotional for ages 6 to 10, Levi tackles real issues our kids face with a lighthearted and approachable tone. Kids are equipped to approach both fun moments and tough times with their hearts set on God's faithfulness with the help of fascinating stories and facts, eye-catching art, Bible verses, prayers, and simple action steps. This 90-day devotional covers highly relevant topics such as: facing fears about school and friendships having courage to try something new handling new challenges, past disappointments, and grief dealing with peer pressure and bullying understanding how we each fit into God's great story As a parent and pastor, Levi is able to address real-life situations with compassion, grace, and biblical authenticity. *Roar Like a Lion* is a great way to spark discussion with your kids on meaningful topics and get them in the habit of reading a biblically-based devotional. Offering practical approaches to faith in everyday life, *Roar Like a Lion* will inspire your kids to nurture their personal faith in a God strong enough to protect and guide them as they run toward the roar during the challenges in their lives.

Guide children toward a lifelong, intimate relationship with God by teaching them what it means to truly worship. Includes 52 unique ideas for powerful worship moments.

More Worship With Kids! has 27 brand new lessons to liven up your Sunday morning worship. Perfect for preschool and elementary kids (Ages: 3-11). Ready-to-present stories that take only 15-20 minutes to prepare and use props that can be found around your house. Choose from topics like trusting God during times of change, what it means to be brave, and ways to evangelize if you are shy. Why not get a whole year of lessons and purchase the original book, *Worship With Kids!*, too?

Kids Need Worship, Too

God Made Me for Worship (a part of the God Made Me series) by Jared Kennedy helps children understand the complexity of a Christian worship gathering by using the vision of Isaiah 6. This beautifully illustrated children's book celebrates how God reveals himself to his people in the movements of worship. Sitting in a worship service for any young child can be a

difficult experience. One minute everyone is singing loudly, the next everyone is sitting and listening quietly (without talking!). Sometimes the adults know something that should be said out loud, like, "Thanks be to God!" How did they know what to say? How do people know when to talk to one another and shake hands? God Made Me for Worship focuses on teaching kids about the key liturgical movements in a worship gathering, including the call to worship, praise and adoration, confession, assurance and passing the peace, ministry of the Word and sacraments, and benediction and sending. Kennedy guides parents to help their kids understand why we're intentional about worship, encouraging them to engage—not just to manage behavior during a worship gathering, but to invite kids to respond to God along with the whole church body.
