Two great friends. One road trip. And eight inches.......of snow that night at the cabin. If I've said it once, I've said it a thousand times. Friends don't bang friends. I want my friends to stay in my life, especially that flirty, clever, outgoing best friend of mine. It's a damn good thing Owen and I made a pact in college to never ever sleep together, or else I'd be teched. Trouble is, eight years later I've been wondering what his kisses taste like. And I've been curious if our chemistry would extend into the bedroom. If he might feel the same risky pull. But I don't want to lose Owen, and history says there's no way a tryst between friends can end well. So as long as I avoid the bedroom with him, I won't break that hard-as-steel rule. Except the snow has other plans... The **Bromance Zone** is a deliciously flirty, red-hot sexy, friends-to-lovers MM romance about the charming guy next door who's sworn to never date a friend, the flirty hot nerd who's been secretly crushing on I friend forever, and one night snowed in a cabin. This book comes fully equipped for your reading pleasure with sexy banter, a super awkward dinner party, and a scene in front of a fireplace that proves just how dangerous the friend zone is.
