"A heart-stopping, breath-stealing masterpiece of romantic suspense!"-- Colleen Coble, USA Today bestselling author *** EMS helicopter pilot Penny Carlton is used to high stress situations, but being forced to land on a mountain in a raging storm with a critical patient--and a serial killer on the loose--tests her skills and her nerve to the limit. She survives with FBI Special Agent Holt Satterfield's help. But she's not out of the woods yet. In the ensuing days, Penny finds herself under attack. And when news reaches Holt that he may not have gotten his man after all, it will take all he and Penny have to catch a killer--before he catches one of them.

Bestselling and award-winning author Lynette Eason is back with another high-octane tale of close calls, narrow escapes, and the fight to bring a nefarious criminal to justice.

Falling for someone who doesn't want to get married is soon be the least of his concerns. While his brothers and their new wives search for who shot him, Wyatt Hunt is temporarily bedridden and completely miserable. Somehow Molly Garner's limited skills have made her the most qualified in their circle to care for Wyatt. But by the time he's healed, she's fed up with him and the whole ungrateful family. For even worse than his grumpiness were the few unguarded moments when he pulled at her heartstrings, and she has been long determined to never repeat her mother's mistakes. When alternate plans of finding her own independent life fall through, Molly volunteers to work for the Pinkertons and help investigate nearby ranch owner Oliver Hawkins. She signs on to be his housekeeper, hoping to find clues to prove his nefarious, and possibly murderous, past. Wyatt refuses to let her risk it alone and offers to act as Hawkins's new foreman. But when another Pinkerton agent gets shot, they realize Hawkins isn't the only danger. The Hunt brothers will have to band together to face all the troubles of life and love that suddenly surround them.

Riders of the Purple Sage tells the story of Jane Withersteen and her battle to overcome persecution by members of her polygamous Mormon fundamentalist church. A leader of the church, Elder Tull, wants to marry her. Withersteen gets help from a number of friends, including Bern Venters and Lassiter, a notorious gunman and killer of Mormons. She struggles with her "blindness" to the evil nature of her church and its leaders, and tries to keep Venters and Lassiter from killing the adversaries who are slowly ruining her.

Pack Rule #1: Never reveal to a human. I broke that rule the day I met the beautiful doctor. I might be a rodeo champ, but one look at her, and I lost my concentration. The bull tossed and gored me, and now the sweet female is on to me. When I healed within hours, she knew something wasn't right. My alpha told me to watch her. Not a problem. I'll watch her all right. Real close. I'll stick to her like superglue. And those human men who want to date her? They'd better step back. Because the doctor is all mine. Whether she knows it yet or not.

I've always wanted her. After all these years, that's never changed. I thought Sarah O'Banyon had been The One. I'd been f-ing wrong. I moved on, made something of myself. Became police chief. Even had a beautiful daughter. When Sarah buys me at the bachelor auction, I'm stunned. It's been six years. She wants me for something now. When we end up in my bedroom, I know exactly what. Except I get cuffed to my headboard by the sexy mechanic—and left. Getting free isn't the only thing that's hard. Turns out she's learned something about my past. A secret which makes her angry. I'm okay with that. It means she still feels something for me. I'll change her hate to love. We're going to pick up the pieces of our first love... and our broken hearts because there is no other option. It's Sarah O'Banyon for this cowboy. Always. A single dad gets a second chance at first love in the next Bachelor Auction book. It's Huck Manning's turn to reignite the flames on his love life... and your ereader.

"OMG!! I have never laughed so hard one second and been on the edge of my seat the next, with any other book!" - Fun Under The Covers Jane West's life is perfectly average. Perfectly boring. Until Ty Strickland—Grade-A, smoking hot firefighter—moves in down the street. Then things get a little exciting, and not in the good, panty-melting sort of way. Not only does someone want her dead (seriously), she has to wrangle her out-of-control desires where the new neighbor is concerned, and convince her boss at the small town's only adult toy store—who meddles in Jane's love life—to leave the new hose-wielding hottie off her matchmaking radar. But it's not all chaos and pancakes. There's Ty. And his smoking hot body. Smoking hot kisses. He's burning the walls around her heart to nothing but ash. And she just might be falling in love...if she can stay alive long enough. The first book in Vanessa Vale's new Small Town Romance series, where the men in Montana aren't just hot, they set things on fire. If you love cowboy romance in the style of Sophie Oak, Maisey Yates, Lorelei James and Kennedy Fox, be sure to read USAT Bestselling Author Vanessa Vale's exciting steamy contemporary and historical book series! Celia Lawrence can't show her face in her conservative, small town. First, she discovered her husband in bed with another man's wife, and then she witnessed both their murders. While she didn't pull the trigger, small town gossip is not forgiving and everywhere she goes she is chastised for not being woman enough to keep her straying husband at home. Eager to flee her old life, Celia heads to Colorado as a mail-order bride. As mayor of Slate Springs, Colorado, Luke Tate is expected to set the example. Their small town is hidden away in a remote mountainous region where few women have the courage or desire to tread. As mayor, it falls to him to test out their newly passed law and share a wife with his brother. The truth is, Luke has no interest in a woman of his own, and agrees to a mail-order bride out of duty, not anticipation. His brother, Walker, is jaded and hard after the death of his first wife. For Walker, loving again is out of the question. But a man has needs, and he'll eagerly take his pleasure from their new bride while expecting Luke to provide the tenderness and caring a woman expects. A marriage based on everything but love should be doomed. But Celia, Luke and Walker discover one thing they have in common: desire. Will that be strong enough to survive the danger that follows Celia from Texas? Will desire be strong enough to teach the three that sometimes you have to risk everything for love?

Because of her stepsisters, Eve Jamison is driven from her hometown in scandal with a train ticket in one hand and a proxy marriage license in the other. But when she arrives in the small Colorado mountain town, she discovers her groom recently died. Even though she never met her husband, the new widow learns she is quite wealthy. At the mercy of her dead husband's money-grubbing family, Knox and Jed Dare each vow to protect her. They both want the beautiful bluestocking and refuse to cede way to the other. Eve has other ideas where the two men are concerned. Because she is now a woman of Slate Springs, she doesn't have to

(Fake Book). Next time your friends see your piano and say, "Play 'Misty' for me," impress them and really do it! This fake book includes 74 popular song arrangements from Scott Houston, the Piano Master of PBS. Includes: All the Things You Are * Blueberry Hill * Can You Feel the Love Tonight * Crazy * Endless Love * The Girl from Ipanema * Heart and Soul * Hey Jude * I Will Remember You * Imagine * Let It Be * Misty * Moon River * My Funny Valentine * Satin Doll * Somewhere Out There * Stand by Me * and more. Includes Scott's unique "simple chord frames" for each song.

Holy hot flashes! This blue-eyed dream in a pair of Wranglers is the best-looking cowboy I've ever seen. Thankfully, I'm immune to his charms. After nearly 25 years as a trophy wife, my cheating ex dumped me for a younger woman. Now I'm starting over in a new place with a car, a piddly amount of money in the bank, and an exotic cat. Oh, and a ten-foot pole to keep between me and any man, even the good-looking, boot-wearing Texan who swoops in to help me. Yes, he makes me remember what it's like to feel something. But my heart is too brittle for romance. Every sassy comment I fling his way, he serves right back until I'm not sure if we're arguing or flirting. With him, I feel more alive than I have in years, but starting over means standing on my own two feet, not being swept off them.

Ellen Oldsmere, believing she'd killed an overly amorous suitor, agreed to become a mail order bride for a complete stranger in the Montana Territory in order to flee Minneapolis and avoid prosecution. When she arrives in August Point, her husband is all that she'd imagined, and then some. Besides being handsome and virile, he's also the town sheriff. How can she be married to a man who would surely arrest her if he found out her secret? Ryder Graves would not fall prey to small town mothers and their eligible daughters. He demanded a wife that met certain criteria, traits women in town did not fulfill, so he sought out help from an expert--a madame with a skill for matchmaking. When Eleanor arrives from Minnesota, she meets all of his expectations. She's also headstrong and defiant, requiring a stern spanking or two to teach her, as the lawman of August Point, it is his job to keep her safe. It comes down to a matter of right from wrong. But his wife is not all she seems. Will he still want her when he learns the truth, or will his passion for the law make her face the consequences of her actions?

Pushed by her driven mother to become the best in her field, Penny believes Fate has stepped in when she receives word she isn't just an heiress to Steele Ranch, but had a father she never knew. She takes her chance to break free from the family she never truly felt a part of and heads to Barlow, Montana. Two cowboys have set their sights on the smart, beautiful blonde and they have no intention of letting her go. Jamison and Boone will give her whatever she wants, especially since she's wrangled their hearts. This is the second book in the Steele Ranch series, where the women are smart, sassy and will give their men one wild ride.

Explores the homogenization of American culture and the impact of the fast food industry on

modern-day health, economy, politics, popular culture, entertainment, and food production. This cowboy is more than just a perfect face... Violet Ashwood arrives in Wildcat Bluff County with one agenda: convince the hunky Mr. July from the Wildcat Bluff Fire Rescue's annual benefit calendar to be the face—and body—of her new lonely hearts online dating service. She didn't count on his firm refusal, nor did she count on seeing him again. Until she discovers he's her new landlord. Kemp Lander, aka Mr. July, wants nothing to do with Violet's schemes to make him a model for her Cowboy Chat Corral, particularly once he finds out she fudged the truth on her rental contract by claiming she was a cowgirl. He's got enough problems trying to keep trespassers off his ranch and doesn't need the distraction of his sexy renter. All Violet and Kemp want is to save their livelihoods and have their lifelong dreams realized. But it'll take joining forces and discovering they're better together to finally meet their goals. Praise for Kim Redford's *Smokin' Hot Cowboys*: "This very hot and passionate love story has everything: excitement, hot sex and suspense."—Fresh Fiction for A Cowboy Firefighter for Christmas "These two endearing characters pulled me into their world and commanded my attention [with] their witty one liners, quirky southern charm, down to earth personalities, and passion fueled banter."—Red's Romance Reviews for *Blazing Hot Cowboy*

Cricket is used to relying on no one but herself. Working two jobs to get through nursing school, she has no time for anything but studying and paying the bills. When three hot cowboys give her a night to remember, she believes it's just that. One night. For Sutton, Archer and Lee, Cricket's the one who got away. Hell, she's The One. Period. When fate puts her back in their arms, they'll stop at nothing to keep her. This is book three in the Steele Ranch series. If you like hot cowboys, you (and Cricket) get three in this one. They're hot, they know exactly what they want and nothing will stand in their way. A standalone read, this is MFMM—it's all about the heroine.

Emily Winston is happily leaving her old life behind to become a mail order bride for a man in Montana Territory. Having spent the past six years as the ward of her aunt, a madame at a brothel, she is certainly more knowledgeable in the ways of men and women than the typical fact, she has a secret. A secret she must keep from her groom until the last possible moment beneath him in their marital bed. The repercussions of this discovery could jeopardize her new freedom. Wyatt Blake has put in his requirements with a matchmaking madame for a bride, with the selection of brides in his small town. He isn't looking for a meek, mild wife, but one

meet all of his more carnal needs. When Emily arrives on the stage, he knows the match was made in heaven. But he discovers there's more to Emily than just a normal wife. When a simple bout of match-making raises questions and brings unforeseen complications, can their new marriage survive? Winner of RomCon's Readers' Crown Award for Best Contemporary Romance and Best First Book. Once you get the zing you can't go back. Jane West has everything a woman could want. A job, a house, a Montana town's only adult store, two busy young boys and one dead husband. Everything exciting, a little excitement--a little zing. But that changes one summer morning at a garage sale when her neighbor's garden gnomes go missing. Now someone wants those gnomes and will let nothing get in their way. Including Jane. This new excitement for Jane spells trouble for a relationship with new neighbor--and hot firefighter Ty Strickland. Can Jane and Ty handle a relationship meddling mother-in-law, crazy kids, and staying in town while trying to solve the mystery of the garden gnomes?

Pack Rule #4: Guard your pups with your life. We hooked up one night at Cody's Saloon. The veterinarian nurse wanted a ride, and I'd given it to her. Made her scream and sent her home happy. She thought there'd been consequences. She'd kept her secret close. For months. But what she didn't tell me could change everything. That baby she carried wasn't human. And this wolf would never walk away from his pup. She may not have wanted me in her life, but that was too bad. I was moving in and taking over her and providing for my family. She was under my protection now. Whether she wanted it or not. Whether she wanted me or not.

Pack Rule #5: Happy mate, happy fate. Fate has it in for me. She's sent a human vet to stay in my wolf bunkhouse. With me. I might not have the wolf scent, but I have the hearing. I learn she's a veterinarian and offer her two weeks. Two weeks where I'll show her a large animal. One she can't resist. Or one who can't resist her. I'll prove she doesn't know everything about four-legged beasts. Especially not the fiercest ones who stalk their prey in the night. Especially not one determined to protect her pack. The Lawman

Pack Rule #3: The alpha must mate. The stronger the alpha, the greater the danger. Moon madness could claim me any time now. I've looked all over the continent, gone to mating games, but I still haven't found the she-wolf meant to be mine. I've already become too feral in bed. I'm not safe—not for random females. Especially not the human variety. One just moved into the ranch next door. She's way too tempting. And I'm way too dangerous. I have to stay away. I don't dare get near her. Because I would die before I ever let anything harm the little human. Including me.

She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.*

Later the Virginian rescues a New England schoolmistress from a stage coach that has been marooned in high water by a drunken driver. Eventually they get married. The novel's climax is a pistol duel between Trampas and the Virginian in which Trampas is vanquished, the scene

constituting the first known walkdown in American literature. The author had first gone to Wyoming for health reasons on the advice of Theodore Roosevelt. Wister dedicated the novel to Roosevelt and many of the Virginian's traits and ideals resemble Roosevelt's. According to Wister, writing in the 16th edition of the book, the hero is a combination of several men he had known in Wyoming. It became the prototype for all cowboy heroes.

The Immortal Life of Henrietta Lacks

A Book-Lover's Holidays in the Open is a classic literary work by Teddy Roosevelt which describes the US president's adventures in the great American outdoors. The man should have youth and strength who seeks adventure in the wide, waste spaces of the earth, in the marshes, and among the vast mountain masses, in the northern forests, amid the steaming jungles of the tropics, or on the deserts of sand or of snow. He must long greatly for the lonely winds that blow across the wilderness, and for sunrise and sunset over the rim of the empty world. His heart must thrill for the saddle and not for the hearthstone. He must be helmsman and chief, the cragsman, the rifleman, the boat steerer. He must be the wielder of axe and of paddle, the rider of fiery horses, the master of the craft that leaps through white water. His eye must be true and quick, his hand steady and strong. His heart must never fail nor his head grow bewildered, whether he face brute and human foes, or the frowning strength of hostile nature, or the awful fear that grips those who are lost in trackless lands.

"The ranches where Michael Crouser so affectionately captures these scenes tell a story of staying power, of joy in the beauty of the world, of gratitude for the working animals—the dogs and the horses—of midwifery and husbandry, of seeing the seasons through. . . . It is a pleasure to be brought into this out-of-the-way part of the world with such understated passion." —Gretel Ehrlich, from the introduction

The mountain ranches of western Colorado preserve a way of life that has nearly vanished from the American scene. Families who have lived on the same land for five or six generations raise cattle much as their ancestors did, following an annual cycle of breeding, birthing, branding, grazing, and selling livestock. Michael Crouser spent more than a decade (2006–2016) photographing family cattle ranches in Colorado, intrigued "not by the ways their lives are changing but by the way they have stayed the same." He was, he says, "most interested in the traditional elements of these traditional lives, . . . what they call 'cowboying.'" Intimate without being sentimental about the realities of ranch work, Mountain Ranch's duotone images capture the raw and basic elements of a hard and basic life. In the afterword, Crouser pays verbal tribute to ranch people who are "the real deal," whose seasonal round of work forms the subject of the acclaimed nature writer Gretel Ehrlich's foreword. Portraits of eight men and women who eloquently describe their long lives on Colorado mountain ranches complete the volume. The ever-increasing commercial and residential development of traditional ranch land and the economic difficulties facing a new generation of ranchers threaten the future of cattle ranching in the mountains of Colorado. Mountain Ranch powerfully records the last vestiges of a tradition that exerts a nearly universal fascination and mystique—cowboying in the American West.
