product text may not be available in the ebook version.

The main purpose of this Research Topic is to analyze and identify the main family and contextual variables that are involved in the process of carrying out homework.

Read Book Year 10 Pearson Maths Homework Answers

This will require studying the role played by teachers, students, and families in order to ensure that schoolwork is a useful learning tool. Although the role of the student is, obviously, crucial in homework, research has focused on the

Read Book Year 10 Pearson Maths Homework Answers

cumulative time spent by the student carrying out homework. However, the time spent on homework is not in itself evidence of the student ' s involvement nor is time spent indicative of quality time. Indeed, an excess of time can

Read Book Year 10 Pearson Maths Homework Answers

sometimes denote low competence in a field of knowledge, while spending less time on homework could be indicative of high competence. It is more likely that a high dedication of time spent on homework reflects high motivation,

Read Book Year 10 Pearson Maths Homework Answers

or comprehension deficits, rather than commitment to learning or academic motivation. In tandem with the role of the student, teachers, as responsible for prescribing homework assignments for students, also become central

Read Book Year 10 Pearson Maths Homework Answers

players in the process of completing homework assignments. The decisions that teachers make about homework prescriptions, and the amount and type of tasks they set, will determine, to a large extent, the quality of the homework

Read Book Year 10 Pearson Maths Homework Answers

process including the student ' s motivation and the student ' s level of engagement with homework.

Furthermore, the fact that homework is useful, interesting and motivating for students, will depend on how the teacher prescribes

Read Book Year 10 Pearson Maths Homework Answers

those tasks and the connection established with classroom learning. Teacher feedback also acquires particular relevance for this point by helping the students to accurately estimate the quality of their progress and overcome the

Read Book Year 10 Pearson Maths Homework Answers

difficulties they may have encountered in carrying out their homework. Lastly, the effectiveness of teacher feedback depends on its contribution to the student ' s educational progress and how that student will perform in the future. In

Read Book Year 10 Pearson Maths Homework Answers

addition to the student who performs the task and the teacher who prescribes and corrects it, we must not lose sight of parents' role. Although there are discrepancies regarding the role that parents play in relation to homework, it is evident

Read Book Year 10 Pearson Maths Homework Answers

that their implication has important consequences not only on the final result of those tasks but also on the very process of carrying them out. Everything seems to indicate that the family environment and, more specifically, the support and

Read Book Year 10 Pearson Maths Homework Answers

feedback provided by parents is a factor that can determine the involvement of students in school duties. In this way, providing emotional support encouraging children to get involved can contribute positively to improving

Read Book Year 10 Pearson Maths Homework Answers

their motivation and interest in the performance of homework. The objective of this Research Topic is to provide researchers and professionals in psychology and education settings with some of the most recent empirical evidence
