

Young Samurai The Way Of The Dragon

Up to now, economics as a branch of social science has been concerned mainly to map the commercial and financial relations of Humanity. Although these relationships are by definition intangible, the forms by which these relations are expressed are tangible. This book presents the many quintessential elements of economics from all around the globe. IN AFRICA ONLY THE STRONG SURVIVE. Teenage martial arts expert Connor Reeves is tasked with protecting a foreign ambassador's family on safari. Considered the perfect assignment, the holiday turns to hell when their convoy is ambushed by gunmen. Fleeing through the bush, Connor and his assigned family become the prey in a shoot-to-kill hunt across the African plains. As they fight for their survival, Connor realizes the gunmen are the least of their problems. For no amount of bodyguard training can prepare him for the wilds of Africa and one prowling hungry leopard...

Jack Fletcher has been left for dead. Bruised and battered, Jack Fletcher wakes up in a roadside inn wrapped only in a dirty kimono. He has lost everything, including his memory of what happened. Determined to discover the truth, Jack goes on a quest to retrieve his belongings - his precious swords, his friend Akiko's black pearl and most important of all, his father's prize possession. Relying on his samurai and ninja training, Jack realises The Ring of Water is the key to his survival. But with only a washed up Ronin - a masterless samurai - for help, what will Jack manage to find? What will he lose? And what will he have to sacrifice?

Every team needs a leader, but why do we so often take that to mean that the appropriate workplace team needs to consist of one gem of a worker complemented with a bunch of obedient order-takers and yes men? What if the complementary fits between the team members were not with how well they performed the tasks handed down to them but with how they all used their unique strengths to share knowledge, push the envelope, and lead together in the challenge before them? The team of authors behind A Team of Leaders wants to show readers how to design systems within their organization and management procedures that nurture the leadership potential of every employee, not just the ones they ear-marked as having potential for promotion. The proven principles and techniques within these invaluable pages include: • The Five-Stage Team Development Model that maps the transition from traditional to self-directed teams • Best practices in team process design • A Team Value Creation Tool that allows members to appreciate the significance of what they contribute each day • Visual Management • And more The key to your company's success is creating successful teams of leaders combining their individual talents and strengths into a single, unstoppable driving force. The fresh approach taught in this indispensable guide will transform passive groups of disparate people into the effective teams of leaders you didn't know was possible to have.

A new action-packed adventure series for young fans of Alex Rider and Jason Bourne--with the first four books publishing simultaneously. Binge read for summer! Picking up where the electrifying third Bodyguard installment, Hijack, left off, young bodyguard Connor Reeves and the the twin daughters of an Australian media-mogul he is tasked to protect are under attack the odds are far from even. In the middle of the ocean somewhere off the coast of Somalia, a group of merciless pirates, with enormous firepower, hijack the twins' yacht and incapacitate the ship's adult crewmembers. Yet the pirates are out for money rather than blood, and seeing a golden opportunity, they demand a multi-million-dollar ransom in exchange for returning the twins to safety. But there's a flaw in their plan. They didn't count on Connor being aboard. Combining pulse-pounding action, diabolical enemies, and an insider's knowledge of the tricks of the trade, the BODYGUARD series is the perfect target for fans of Alex Rider, James Bond, 24, and Jason Bourne. Praise for BODYGUARD "Breathtaking action . . . as real as it gets."—Eoin Colfer, author of the bestselling Artemis Fowl series "The training sequences are detailed and realistic, and Connor is relatable and likable.

Featuring intense action sequences and strong friendships, this series starter will appeal to reluctant readers and fans of the Alex Rider' books."—School Library Journal on Recruit

A short story for the Young Samurai series! Japan, 1612. Shipwrecked and his father murdered by ninjas, Jack Fletcher is rescued by the legendary swordmaster Masamoto Takeshi and taken to his samurai school in Kyoto. Hunted by the ninja Dragon Eye, Jack's only hope is to become a samurai warrior. And so his training begins . . . In order to perfect his fighting skills, Jack goes to a gasshuku. But nothing can prepare him for the punishment of warrior camp - the climax of which is to enter the Way of Fire, a terrifying ritual that burns away evil. Can Jack overcome his fear and walk the Way of Fire? Part of the award-winning Young Samurai series by Chris Bradford. Visit www.youngsamurai.com for competitions and to find out more about the books. Previously published for World Book Day. 'A fantastic adventure that floors the reader on page one and keeps them there until the end' Eoin Colfer 'Addictive' - Evening Standard

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over recent naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navy on the seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers;

consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the late treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the independent negro state of Suaneë, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself. A new instalment and standalone adventure charting series protagonist Jack Fletcher's return to pre-civil war England. His quest to find his missing sister, with the help of some familiar faces...

The Soul Hunters

The Story of Success

In the middle of the night, Sam is woken by angry voices from the apartment above. He goes to the window to see what's happening - only to hear a struggle, and see a body fall from the sixth-floor balcony. Pushed, Sam thinks. Sam goes to wake his father, Harry, a crime reporter, but Harry is gone. And when Sam goes downstairs, the body is gone, too. But someone has seen Sam, and knows what he's witnessed. The next twenty-four hours could be his last.

JACK FLETCHER FACES HIS TOUGHEST CHALLENGE YET. After a snowstorm forces him to take shelter, Jack comes across a village in need of protection from raiding mountain bandits. Torn between moving on or helping, Jack is persuaded to stay and fight the villagers' cause. But Jack is the first and only samurai to do so. Now he must enlist other warriors to the villagers' aid before the bandits return to steal their harvest. No easy task when the reward is so little and he is a foreigner. If only he had his friends to call on... Using the Ring of Fire, can Jack overpower the bandits and win? Have you ever experienced dreams so vivid it seems like you have lived them? Or had déjà vu so strong you're convinced you must have been there before? The explosive first book in a brand new action-packed series from bestselling author Chris Bradford. Late one night a schoolgirl is attacked in a city park. When a stranger rushes to her rescue, Genna Adams believes it's luck that their paths crossed. Then a week later, the same boy saves her from being kidnapped and Genna realises this is no coincidence. But the explanation offered by the boy, Phoenix, is even stranger than she could have imagined - a long-forgotten foe has tracked her across lifetimes to lay claim to Genna's very soul. As the hunters close in, Genna has no choice but to trust her mysterious protector - and soon she is swept into a deadly adventure, racing across time to save herself and, ultimately, the human race. Because for Genna, death is only the beginning...

Presents a guide to the motion picture in which a Civil War veteran travels to Japan to train the emperor's troops, only to be captured by samurai warriors, from whom he learns their code of honor and experiences a spiritual renewal.

A Team of Leaders

Young Samurai: The Way of the Sword

June 1613. Japan is threatened with war and Jack is facing his greatest battle yet. Samurai are taking sides and, as the blood begins to flow, Jack's warrior training is put to the ultimate test. His survival - and that of his friends - depends upon him mastering the Two Heavens, the secret sword technique of the legendary samurai Masamoto Takeshi. But first Jack must recover his father's prize possession from the deadly ninja Dragon Eye. Can Jack defeat his ruthless enemy? Or will the ninja complete his mission to kill the young samurai . . .

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

After being shipwrecked in Japan, adopted, and taught the Way of the Warrior at samurai school, Jack is ready to embark on the next chapter of his training: the Way of the Sword. His lessons involve fighting blindfolded, using a b-o staff, and finding messages in origami—all while withstanding the constant pressure of being a foreigner. The stakes are raised even higher when the school holds a contest. The winners will learn the great samurai Masamoto-sama's secret martial arts technique. Jack is sure this is the key to

protecting his prized possession—his father's rudder—from Dragon Eye, the ninja who will stop at nothing to get it.

Shipwrecked on the shore of Japan, twelve-year-old Jack Fletcher is wounded and alone. His father and the entire crew have been slaughtered by ninja pirates. Jack's last remaining possession is his father's rudder, an invaluable book of maps and notes about the world's uncharted oceans. Masamoto-sama, one of Japan's greatest samurai, rescues Jack, adopts him, and sends him to samurai school, where Jack will be trained in the Way of the Warrior. Will it be enough to help Jack defeat Dragon Eye, the ruthless ninja who is intent on stealing the rudder at any cost?

Bodyguard: Target (Book 4)

Adventure meets fantastic historical fiction in this tale of a samurai school set in Japan

Taka faces enormous danger and difficulty in his efforts to complete his first mission as a ninja.

'I saw him die right in front of my eyes.' 'That you did,' replies Damien. 'But you underestimated his power. Tanas is back and stronger than ever . . .' When Genna's parents are murdered, the police put the tragedy down to a burglary gone wrong. But Genna knows the truth—her nightmare is far from over, and the Soul Hunters are back. With home no longer safe, she flees to America to find Phoenix, the only one who can help her. There she meets other Incarnates and Soul Protectors, people like her, tasked with protecting the Light. But it's not long before Genna realizes the truth — nowhere is safe for her, not while the Hunters are still seeking. And it's only a matter of time before she comes face-to-face with Tanas once more, miraculously incarnated into a brand new body and hungry for Genna's soul. She can try to run, but evil never dies . . .

One year of training in samurai school and Jack Fletcher is in real trouble . . . Not only is he struggling to prepare for the Circle of Three, an ancient ritual that tests a samurai's courage, skill and spirit to the limit, he's caught in a running battle with fellow student Kazuki and his gang. But these are the least of Jack's problems. He knows his deadly rival — the ninja Dragon Eye — could strike at any moment. Jack possesses the very thing he will kill for. Can Jack master the Way of the Sword in time to survive a fight to the death?

Economics of Intangibles

The Ring of Water (Young Samurai, Book 5)

The Way of the Dragon

The Ring of Fire

After a snowstorm forces English orphan Jack Fletcher to take shelter in a village, the samurai must decide either to stay and protect the villagers from raiding mountain bandits or keep moving on.

Orphaned by a ninja pirate attack off the coast of Japan in 1611, twelve-year-old English lad Jack Fletcher is determined to prove himself, despite the bullying of fellow students, when the legendary sword master who rescued him begins training him as a samurai warrior.

It's been three miserable months since 13-year-old Chris Barton lost his little sister, Molly. "Missing, presumed drowned" was what the paper said, and surely that is what everyone believes. After all, the Bartons had been picnicking by the river when Molly disappeared. One night, Chris views a video he made the day Molly was lost. There doesn't seem to be anything unusual here: a rest stop, lunch by the river, a hungry squirrel, a familiar ice cream van. But the video harbors an awful secret. In the middle of the night, Chris Barton wakes from fitful sleep—and begins a journey filled with fear, doubt, and impossible hopes.

From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are — and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique.

'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian

'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer *'He is the best kind of writer — the kind who makes you feel like you're a genius, rather than he's a genius'* The Times

The New York Times bestselling account of one of history's most brutal — and forgotten — massacres,

when the Japanese army destroyed China's capital city on the eve of World War II In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode. "Chang vividly, methodically, records what happened, piecing together the abundant eyewitness reports into an undeniable tapestry of horror." - Adam Hochschild, Salon !--[if !supportAnnotations]-- !--[if !supportAnnotations]-- !--[endif]--

In a dangerous world, everyone needs protection. Bodyguard: Hostage is the new thriller from Chris Bradford, bestselling author of Young Samurai. Bodyguard is a bulletproof action-adventure series that fans of Cherub and Alex Rider will love. This is Lee Child for younger readers - a teenage Jason Bourne for the next generation. With the rise of teen stars, the intense media focus on celeb families and a new wave of billionaires, adults are no longer the only target for hostage-taking, blackmail and assassination - kids are too. That's why they need a young bodyguard like Connor Reeves to protect them. Recruited into the ranks of a covert young bodyguard squad, 14-year-old Connor Reeves embarks on a rigorous close protection course. Training in surveillance, anti-ambush exercises, hostage survival and unarmed combat, he's put through his paces and wonders if he will actually survive the course. But when the US President summons Connor to protect his impulsive teenage daughter, Connor's training is put to the ultimate test. For Connor discovers that the First Daughter, Alicia, doesn't want to be guarded. She just wants to have fun. And with no clue Connor is her bodyguard, Alicia tries to elude her Secret Service agents and lead Connor astray. But unknown to her, a terrorist sleeper cell has been activated. Its mission: to take the president's daughter HOSTAGE... And don't miss Bodyguard: Ransom coming soon.

The Way of the Dragon (Young Samurai, Book 3)

Young Samurai: The Way of the Dragon

Young Samurai

In his first full-length autobiography, comedy legend and national treasure Billy Connolly reveals the truth behind his windswept and interesting life. Born in a tenement flat in Glasgow in 1942, orphaned by the age of 4, and a survivor of appalling abuse at the hands of his own family, Billy's life is a remarkable story of success against all the odds. Billy found his escape first as an apprentice welder in the shipyards of the River Clyde. Later he became a folk musician - a 'rambling man' - with a genuine talent for playing the banjo. But it was his ability to spin stories, tell jokes and hold an audience in the palm of his hand that truly set him apart. As a young comedian Billy broke all the rules. He was fearless and outspoken - willing to call out hypocrisy wherever he saw it. But his stand-up was full of warmth, humility and silliness too. His startling, hairy 'glam-rock' stage appearance - wearing leotards, scissor suits and banana boots - only added to his appeal. It was an appearance on Michael Parkinson's chat show in 1975 - and one outrageous story in particular - that catapulted Billy from cult hero to national star. TV shows, documentaries, international fame and award-winning Hollywood movies followed. Billy's pitch-perfect stand-up comedy kept coming too - for over 50 years, in fact - until a double diagnosis of cancer and Parkinson's Disease brought his remarkable live performances to an end. Since then he has continued making TV shows, creating extraordinary drawings... and writing. *Windswept and Interesting* is Billy's story in his own words. It is joyfully funny - stuffed full of hard-earned wisdom as well as countless digressions on fishing, farting and the joys of dancing naked. It is an unforgettable, life-affirming story of a true comedy legend. 'I didn't know I was *Windswept and Interesting* until somebody told me. It was a friend who was startlingly exotic himself. He'd just come back from Kashmir and was all billowy shirt and Indian beads. I had long hair and a beard and was swishing around in electric blue flairs. He said: "Look at you - all windswept and interesting!" I just said: "Exactly!" After that, I simply had to maintain my reputation...'

One paper plane flies straight and fast and true. Dylan's. Twelve-year-old Dylan Webber lives in outback Western Australia in a small country town. When he discovers he has a talent for folding and flying paper planes, Dylan begins a journey to reach the World Junior Paper Plane Championships in Japan. Along the way he makes unlikely new friends, clashes with powerful rivals and comes to terms with his family's past before facing his greatest challenge - to create a paper plane that will compete with the best in the world. Steve Worland brings you the exciting, heartwarming story of *Paper Planes*, adapted from the award-winning family film that features a cast of Australia's finest actors, including Sam Worthington, Deborah Mailman, David Wenham and Ed Oxenbould.

An eye-opening account of the first encounter between England and Japan, by the acclaimed author of *Nathaniel's Nutmeg* In 1611, the merchants of London's East India Company received a mysterious letter from Japan, written several years previously by a marooned English mariner named William Adams. Foreigners had been denied access to Japan for centuries, yet Adams had been living in this unknown land for years. He had risen to the highest levels in the ruling shogun's court, taken a Japanese name, and was now offering his services as adviser and interpreter. Seven adventurers were sent to Japan with orders to find and befriend Adams, in the belief that he held the key to exploiting the opulent riches of this forbidden land. Their arrival was to prove a momentous event in the history of Japan and the shogun suddenly found himself facing a stark choice: to expel the foreigners and continue with his policy of isolation, or to open his country to the world. For more than a decade the English, helped by Adams, were to attempt trade with the shogun, but confounded by a culture so different from their own, and hounded by scheming Jesuit monks and fearsome Dutch assassins, they found themselves in a desperate battle for their lives. *Samurai William* is the fascinating story of a clash of two cultures, and of the enormous impact one Westerner had on the opening of the East. A prequel and new entry point in the bestselling *Bodyguard* series. **FAME MAKES FOR AN EASY TARGET.** Ash Wild is the most successful teen rockstar in history. Millions of fans adore him. But one fanatic wants him dead. Surf champion and top bodyguard recruit Charley Hunter is assigned to protect the superstar on his sell-out US tour. But Ash isn't pleased to discover his new bodyguard is a girl. Faced with a growing number of death threats, several suspicious accidents and an unruly rockstar, Charley has her work cut out keeping Ash alive on the tour. How will she spot a killer in a crowd of 50,000

screaming fans?
