

Your Money Or Your Life 9 Steps To Transforming Your Relationship With Money And Achieving Financial Independence Fully Revised And Updated

When a little chick leaves the flock, he stumbles on to an adventure that will change him forever. This charming bilingual Spanish-English picture book is a cute read for little explorers.

"A startling new philosophy and practical guide to getting the most out of your money-and out of life-for those who value memorable experiences as much as their earnings"--

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want—a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you—the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live—and love—your life, not theirs. "I've never read a book about money that takes this approach—and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter—and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial situation they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific—and much needed—read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

Your financial health is more than a mere collection of debits and credits on a balance sheet. In fact, the numbers on a financial statement represent a series of decisions that, if made strategically, can ensure that each of us maintains our desired standard of living at every age and stage of life. Many people think that key financial choices are too complicated to make on their own. However, with the right information and guidance, we can all secure our own financial future. *Your Money and Your Life* is more than your average guide to financial planning and retirement. Acclaimed author and speaker Robert Z. Alber helps readers to make efficient and effective financial decisions at key moments throughout their lives, such as where to go to college; if and when to buy a home; how much insurance, if any, to buy; how to manage savings and retirement; when the time is right to approach a professional advisor; and how to proceed with estate planning. With an eye toward the issues that are most pressing in today's economy, Alber clearly explains the sophisticated concepts that underpin everyday money management—as well as the goal of making this guide the go-to reference in your financial planning library, regardless of your age or wealth. Readers of this book will come away with the sense that Alber is their own financial planner, offering strategies that will help to guide them toward security in the present and the future. *Your Money and Your Life* is filled with examples to which readers will be able to relate, as well as checklists of "actionables" to help make their plans realities.

*** Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary you will learn how to become financially independent and no longer depend on your work for a living. You will also learn how to spend less money and enjoy life more; save more money than you ever did before; have more time for the things that really matter; reduce your stress; retire early. Money, because of its importance in life, takes up most of everyone's time, thoughts and energy. Yet few people find the same satisfaction in their work. On the contrary, too many people go to work only to earn money, griffing their teeth more or less, year after year, and living only for weekends and vacations. In doing so, they gradually sacrifice their lives for money without even realizing it. But this situation is not inevitable. There are simple ways of rediscovering one's freedom and freeing oneself from its chains. Becoming financially independent is one of these means. It is also a prerequisite for a life in which you can finally do what you want. Are you ready to find out how? *Buy now the summary of this book for the modest price of a cup of coffee!**

As the host of Fox News Channel's *Your World* with Neil Cavuto and Cavuto on Business, Neil Cavuto reports on today's most influential business leaders and newsmakers. His great talent is to get beneath the issues, connecting people to the events that define them and changing the way that Americans think about their money. Ending each show with a provocative, insightful commentary, Cavuto stirs people to see the world in a new light, calling on them to think beyond the stories at hand and challenging people to reevaluate the world that they live in. In *Your Money or Your Life*, Cavuto compiles the best of these commentaries in one volume, creating a collection that is at once witty, thought-provoking, and inspiring. Covering a variety of topics—from remembering life before 9/11, to providing tips for newby nesters—Cavuto presents a wry yet evocative look at our world, one that speaks to the heart of the American condition. Spanning one of the most tumultuous decades in memory—from the wild and chaotic Clinton years through the sobering challenges of the War on Terror—Cavuto's words offer a window into our America at its best and its worst.

A simple, proven-effective formula for freeing yourself from debt—and staying that way • Revised and updated, with a new Preface by the author “A must read for anyone wanting to get their head above water.”—The Wall Street Journal THE CLASSIC GUIDE, REVISED WITH UP-TO-THE-MINUTE INFORMATION OUT OF THE RED • Do this month’s bills pile up before you’ve paid last month’s? • Do you regularly receive past-due notices? • Do you get letters threatening legal action if immediate payment is not made? • Do the total amounts of your revolving charge accounts keep rising? INTO THE BLACK Whether you are currently in debt or fear you’re falling into debt, you are not alone. Sixty million Americans—from doctors to secretaries, from executives to the unemployed—face the same problem and live under the same daily stress. Based on the proven techniques of the national Debtors Anonymous program, here is the first complete, step-by-step guide to getting out of debt once and for all. You’ll learn • how to recognize the warning signs of serious debt • how to negotiate with angry creditors, collection agencies, and the IRS • how to design a realistic and painless payback schedule • how to identify your spending blind spots • how to cope with the anxiety and daily pressures of owing money • plus the three cardinal rules for staying out of debt forever, and much more! This book is neither sponsored nor endorsed by Debtors Anonymous. A recovered debtor, the author is intimately familiar with the success of the Debtors Anonymous program.

Discusses medieval economic thought, centering on the belief that usury was immoral and unnatural

What if a happier life was only a few simple choices away? A successful entrepreneur living in Southern California, Scott Rickens had built a "dream life": a happy marriage, a two-year-old daughter, a membership to a boat club, and a BMW in the driveway. But underneath the surface, Scott was creatively stifled, depressed, and overworked trying to help pay for his family's beach-town lifestyle. Then one day, Scott listened to a podcast interview that changed everything. Five months later, he had quit his job, convinced his family to leave their home, and cut their expenses in half. Follow Scott and his family as they devote everything to FIRE (financial independence retire early), a subculture obsessed with maximizing wealth and happiness. Filled with inspiring case studies and powerful advice, *Playing with FIRE* is one family's journey to acquire the one thing that money can't buy: a simpler — and happier — life. Based on the documentary

The author documents her efforts to eat food produced within 10 miles of her home in Puget Sound, Washington, exposing the cause-and-effect consequences of a processed-foods diet while sharing the stories of the farmers she befriended who epitomized the sustainable lifestyle, in an account complemented by recipes. (health & fitness).

Bestselling author and UK television star Alvin Shuman demystifies the principles of personal money management, helping readers control their finances so they can move from confusion—about credit, debt, investments, and retirement—to clarity. Americans are finding themselves in tough situations in the midst of today’s volatile financial climate and more than ever need good guidance and discipline. In *Your Money or Your Life*, financial guru Alvin Hall shows how taking charge of money reduces stress in all aspects of life— work, day-to-day living, and relationships—and it’s never too late to start monitoring this crucial area of life and working towards achieving long-term financial goals. One of the keys to achieving financial success is to first learn how to distinguish between “wants” and “needs.” Hall instructs and empowers readers to create a budget that allows for life necessities and material desires. But he also warns readers to get to the emotional root of what causes them to “want” certain things and reconsider their desires carefully. Most importantly, Hall teaches readers how to recognize and manage their personal spending styles, how to find painless ways to save money, how to understand the real cost of credit card debt, how to pick the best mortgage package for them, how to plan for retirement, and how to evaluate insurance offers. With *Your Money or Your Life*, Alvin Hall provides sound financial advice that enables readers to make confident decisions and attain financial security. The author details how and why he retired, at age thirty-three, from a prestigious international accounting firm and presents, to those who do not want to spend the best years of their lives working, a blueprint for early retirement. Helps family child care providers gain more financial control over their lives. The Practical Principles in *Your Money Map* is asked in "Where does my money go?". In this updated edition of his bestselling financial guide, Alvin helps everyone get their finances in order. Helping you to understand your money psychology, Alvin beats a clear pathway through the financial maze of mortgages, insurance and pensions, provides a practical understanding of credit card debt and interest rates, and advises how to set up balance sheets for budgeting personal finances. Here is the easy-to-follow advice for a brighter, sounder financial future.

A Proven 7-Step Guide to True Financial Freedom**Getting All You Can from Your Money and Your Life****Transforming Your Relationship with Money and Achieving Financial Independence****How to Balance Your Career and Personal Finances to Get What You Want****Cashing in on the American Dream****A 9-Step Path to Financial Independence**

"As so many Americans feel powerless to confront a financial system designed to serve the few, Shuman offers us real choices: tools that align our lives with our values. That's power. I love this highly readable, timely, surprising book." —Frances Moore Lappé, author of *Daring Democracy* and *Diet for a Small Planet* Americans agree on very little these days, but red state conservatives and blue state progressives can agree on one critical point: Wall Street can no longer be trusted. Yet most of us continue to invest our money in the stocks and bonds of Fortune 500 companies, transferring our capital far from where we live and work. Local investing expert Michael Shuman offers another alternative. He shows how we can use two well-established—but rarely used—investment tools to keep our money close and get a return as good as or better than what we'd get investing in distant, indifferent corporations. Shuman explains the nuts and bolts of self-directed IRAs and solo 401(k)s and how they can be combined with other recently legalized local investing tools. He details how to set these accounts up, identify and evaluate a whole range of local investment opportunities, and make sure account holders stay on the right side of the law. While the book is written for people without a lot of investment experience—Shuman explains concepts like "liquidity" and "diversification" in simple terms—even if you're as experienced as Warren Buffett, this book will make you rethink everything you know about investing. With Shuman's expert advice, you can strengthen your investment portfolio and your community, neighborhoods, and schools at the same time!

***The practical principles in *Your Money Map* are powerful and life-changing because are they based on the Bible. My only regret is that I did not read it twenty years ago. Don't make the same mistake!—Joe Gibbs, former NFL head coach and founder of NASCAR's Joe Gibbs Racing This book will transform your finances . . . and your life. When you learn what the God of the universe says about handling money—and apply it—everything changes. Your Money Map shows you how. This biblical and practical guide is for everyone—single or married, young or old, whether you earn a little or a lot. It helps you: Frame your finances within God's big picture Determine and change the trajectory of your financial situation Establish and follow 7 steps for wise stewardship. Follow the principles in *Your Money Map* toward financial freedom and you will know a joy, peace, and confidence about your finances that few ever do. Includes discussion questions, tools, and resources to help you put the book into practice.**

What if you were told that your money could do more for you than just pay your bills each month and allow you live a somewhat comfortable life. What if you were told that money was the key to building a free life? That the life you thought was only possible for the millionaires and billionaires of the world could in fact, be yours?Money may not be the answer to achieving lasting happiness, but it can certainly bring you one step closer. If you don't want to spend the rest of life constantly worried, stressed about money, paying bill after bill yet your debt never seems to end, wondering if you're ever going to be able to have enough in your savings for it to be considered "enough", then something needs to change. You need to take those doubts you have about being able to control your money and toss them for good. Taking charge of your finances not just means increasing your income, but it also means making changes to how you spend money. If your spending habits don't change, all these false notions you've been carrying about for years, when you've tried to convince yourself "once I earn this much I'll be happy" or "once I earn this much, it'll be enough" are nothing more than excuses that will continue to hold you back financially as long as you keep believing in them, it never works. You want to know what does work? Taking action. Taking control of your finances today. Not next year. Not 5 years from now. Today. It's time to whip your finances into shape with *Your Money or Your Life*, as you discover- How to get yourself out of debt and develop your savings- How to do it without giving up all the things that make you happy- How to spend less but still live well- How to travel the world for cheaper than you think- How to create a simple money-making portfolioAnd more...*Your Money or Your Life* is not just another list of impractical suggestions and advice that's hard to follow. It is your roadmap to begin shifting your thinking to see at last that money is the key to building that free life you've always wanted.

Your twenties--it's the decade when we come of age as adults and when we establish, for better or for worse, the foundations of our financial lives. Many of us begin our twenties burdened with college loan payments, and it's not unusual to end them with even more debt, often in the form of a costly home mortgage. In this debt-bracketed decade, it's crucial to develop solid money-management skills that will see you into your thirties in sound financial shape. The more you learn about saving, budgeting, and other money matters during your twenties, the more solid a foundation you can create—a foundation that will support your financial life for the next seventy years! In this lively and fun book, personal finance expert Peter Dunn offers practical tips and strategies created specifically to address the financial concerns and goals of readers in their twenties. Learn to master the challenges of this crucial decade with YOUR MONEY LIFE: YOUR 20s.

The Millionaire Next Door: A Complete Summary! The Millionaire Next Door is a book about how to become rich, written by Thomas J. Stanley and William D. Danko. In order to explain how to become rich, the authors use logical explanations based on research. According to a 20-year study of a group of 1,000 millionaires in the United States, the authors came to some fascinating conclusions. Although many Americans think that there are only a few ways to become rich, Stanley and Danko prove something different. Not only is there a chance for every person to become wealthier than they currently are, but it is also much easier and more practical than most people think. In this summary, we will try to cover as much of what the authors say in their book as possible. After the summary, we will analyze the book and have a short quiz with answers available in the "quiz answers" section, which will be on the next page. The last part is the conclusion of the book, where we will review what we learned in the summary. Let's get started then. Join us in our adventure of discovery about whether it is possible for ordinary people to become wealthy - and how they can do it. Here Is A Preview Of What You Will Get - A summarized version of the book - You will find the book analyzed to further strengthen your knowledge - Fun multiple choice quizzes, along with answers to help you learn about the book. Get a copy, and learn everything about The Millionaire Next Door.

The International Bestseller: "This book blew my mind. More importantly, it made financial independence seem achievable. I read *Financial Freedom* three times, cover-to-cover." —Lifemaker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. *Financial Freedom* is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: " Create profitable side hustles that you can turn into passive income streams or full-time businesses " Save money without giving up what makes you happy " Negotiate more out of your employer than you thought possible " Travel the world for less " Live for free—or better yet, make money on your living situation " Create a simple, money-making portfolio that only needs minor adjustments " Think creatively there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: "You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick—it's a practical roadmap to living life on one's own terms, as fast as possible.

Through her phenomenally popular and award-winning podcast, She's on the Money, Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-judgemental and motivating, Victoria is a financial adviser who knows what millennial life is really like and where we can get stuck with money stuff. (Did someone say 'Afterpay...?') So, to help you hit your money goals without skipping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money - with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes-tricky psychology surrounding money so you can establish the values, habits and confidence that will help you build your wealth long-term. Just like the podcast, the book is full of real-life money stories from members of the She's on the Money community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around, too. And with templates and activities throughout, plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey, and with the money principles in this book you'll go further than you ever thought possible.

Your Money or Your Life9 Steps to Transforming Your Relationship with Money and Achieving Financial Independence: Fully Revised and Updated for 2018Penguin**SUMMARY - Your Money Or Your Life: 9 Steps To Transforming Your Relationship With Money And Achieving Financial Independence By Vicki Robin Joe Dominguez And Mr. Money Mustache****Summary - The Millionaire Next Door****Blessing the Hands That Feed Us****Your Money Or Your Life****Second Chance****7 Money Habits for Living the Life You Want****Publisher Description**

When strange animals land in Red's yard, he and his friend Slim agree to keep it to themselves. The creatures are unlike any that they've ever seen before, and are - to them - animals that would make a fortune putting on a show at the circus. All the while, their fathers are fretting over the arrival of interstellar diplomats, on whose trade their civilisation may have to rely on to survive. Despite the urgency of the mission, however, neither hide nor hair of them have been seen... *A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold "The best book on money, Period." -Grant Sabatier, founder of "Millennial Money," on CNBC Make It "This is a wonderful book. It can really change your life."-Oprah For more than twenty-five years, *Your Money or Your Life* has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin's guidance. This fully revised and updated edition with a foreword by "the Frugal Guru" (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances on-line, and having direct control over your money. Whether you're just beginning your financial life or heading towards retirement, this book will show you how to: • Get out of debt and develop savings • Save money through mindfulness and good habits, rather than strict budgeting • Declutter your life and live well for less • Invest your savings and begin creating wealth • Save the planet while saving money • ...and so much more! "The seminal guide to the new morality of personal money management." -Los Angeles Times*

*Revised and Updated In an age of great economic uncertainty when everyone is concerned about money and how they spend what they have, this new edition of the bestselling *Your Money or Your Life* is an essential read. With updated resources, an easy-to-use index, and anecdotes and examples particularly relevant today? tells you how to:•get out of debt and develop savings•reorder material priorities and live well for less•resolve inner conflicts between values and lifestyle•save the planet while saving money•and much more In *Your Money or Your Life*, Vicki Robin shows readers how to gain control of their money and finally begin to make a life, rather than just make a living. Getting a Life Your Money or Your Life Your Blueprint to Financial Independence For Your Money, Your Life and Our World Your Money and Your Life The Tyranny of Global Finance*

Globalization brings growth? Think again. Debt--engineered by the IMF and World Bank--sucks countries dry.

Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Manilla of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college have mountains of debt now or are recently debt free and wondering what to do next, Choose FI: Your Blueprint to Financial Independence will give you the information to guide your next move.

An exploration of our relationship with food and eating locally—from the bestselling author of *Your Money or Your Life* Taking the local food movement to heart, Vicki Robin pledged for one month to eat only food sourced within a ten-mile radius of her home on Whidbey Island in Puget Sound, Washington. Like Barbara Kingsolver's *Animal, Vegetable, Miracle* and the bestselling books of Michael Pollan, *Blessing the Hands That Feed Us* is part personal narrative and part global manifesto. Robin's challenge for a sustainable diet not only brings to light society's unhealthy dependence on mass-produced, prepackaged foods but also helps her reconnect with her body, her community, and her environment. Featuring recipes throughout, along with practical tips on adopting your own locally-sourced diet, this is a candid, humorous, and inspirational guide to the locavore movement and a healthy food future.

Your all-in-one guide to getting your career and finances in order — for greater clarity, happiness, and peace of mind. Studies show that if you're like the majority of young professionals, you feel dissatisfied with your job, your finances, or your overall station in life. It can seem impossible to disentangle the work stuff, the money stuff, and the personal stuff, because they're all inextricably linked. But the good news is, you don't have to go it alone: *Work Your Money, Not Your Life* is your all-in-one guide to achieving both your career and financial goals so that you can get where you want to be. In his debut book, Roger Ma, an award-winning financial planner and a publisher strategist at Google, offers secrets on how you can craft a meaningful career, gain financial comfort, and achieve a greater sense of purpose. And the premise behind it all is this: money affects every part of our lives. Simply by sorting out your personal finances (and it isn't as bad as it sounds!), you can build a foundation from which you'll be able to find the right career path, visualize your desired lifestyle, and turn your dreams into a reality. You'll learn how to: Relieve yourself of the work, money, and personal stressors that keep you up at night Dispel the job myths that are preventing you from a more rewarding career Apply the fundamentals of personal finance to your unique situation, without all the confusing jargon Prioritize and balance your career and money needs through exercises and easy-to-use templates, launching yourself on the path to the life satisfaction you desire When the life you're living and the life you want to live don't match up, everything feels off balance. Where do you begin trying to connect the dots? Start with this book. Through accessible, practical advice, you'll learn the career and financial strategies you need to live the life you deserve.

Your Money Or Your Life: How to Think about Money As the Key to Building a Free Life**How to Retire at 35****Choose FI****By Thomas J. Stanley - The Surprising Secrets of America's Wealthy****Your Money Life - Your 20's****Die with Zero**

Awarded the 2016 Nautilus Silver Medal for Personal Growth! This is the book your money-savvy best friend, therapist, and accountant would write if they could. It's the book about money for people who don't even want to think about money, until the arrival of that inevitable day when we all realize we must come to terms with this thing called money. Everyone has pain and challenges, strengths and dreams about money, and many of us mix profound shame into that relationship. In *The Art of Money*, Bari Tessler offers an integrative approach that creates the real possibility of "money healing," using our relationship with money as a gateway to self-awareness and a training ground for compassion, confidence, and self-worth. Tessler's gentle techniques weave together emotional depth, big picture visioning, and refreshingly accessible, nitty-gritty money practices that will help anyone transform their relationship with money and, in so doing, transform their life. As Bari writes, "When we dare to speak the truth about money, amazing healing begins."

Get ready for a fundamentally different approach to personal finance. This program helps you transform your relationship with money-whether your goal is to get out of debt, become financially independent or align your financial decisions with your personal values. Your choice: this inexpensive workbook or a free PDF.First and foremost, the PDF version of this entire course is available for free on my website "financiegift-dot-org". (Amazon doesn't allow discrete web links, but you'll find it quickly there.) This paperback version exists for those who prefer a hardcopy to use as a workbook, or to give as a gift.This workbook is organized to be very personal. You need some time, a pencil, and a commitment to get full benefit of this course. You may print specific pages from the PDF version. A paperback version is available from Amazon.com, although we offer this primarily as a convenience if you prefer hardcopy, and so that you can gift a pretty paperback version to a friend or family member on their birthday, holiday, or graduation.What you can expect from this program:The late Joe Dominguez, co-author of the bestseller *Your Money or Your Life*, spent a decade developing this program for himself. Nearly 40 years later, people's lives are still being enriched by the Financial Integrity Program he helped create. The program enables you to: Get out of debt Spend Less Develop savings Learn to base your transactions (the getting, spending, investing and giving of your resources) on your own personal principles Achieve a degree of financial independence that allows you to spend your time doing what is fulfilling for you Rick Van Ness, author of *Why Bother With Bonds* recently expanded Steps 8 and 9 to reflect the time-proven wisdom that many call the common sense investing principles. These are also recognized as the Bogleheads Investment Philosophy, an enduring term honoring John C. Bogle, lifelong champion for ordinary investors.What's different about the 9-Step Financial Integrity Program?Many books and "step programs" on managing your money are available today. What most of these books have in common is that they assume your financial life functions separately from the rest of your life. The Financial Integrity Program is different. It is a "whole systems" approach to your life. And it will take you back to basics-the basics of making your spending (and hopefully your saving and investing) of money into a clear mirror of your life values and purpose.The purpose of the Financial Integrity Program is not to sell you anything-a product, a guru, a lifestyle. You don't need any of those to achieve your goals. But you don't need to go it alone, either. By using this proven, comprehensive program of nine steps based on classic financial principles, you can get where you want to go faster than making them up yourself. And it's all free.Is this program what you need? Ask yourself these questions: Are you comfortable with the amount of money you have? Is it enough? Are you spending as much time with family and friends as you would like? Do you come home from your job feeling fulfilled? Do you have time to participate in things you believe are worthwhile? If you were laid off from your job, would you see it as a tragedy or an opportunity? Do you have enough savings to support you through six months of normal living expenses? When you think about your finances, do you feel peaceful and at ease? If you were to die in the next few years, would you be comfortable with your legacy or contribution to your family, your community, the world? Are all the aspects of your life - your job, your possessions, your relationships, your values - integrated? If you answered, "no" to even one of these, then this 9-Step program can help.

Offers a nine-step program for living more meaningful lives, showing readers how to get out of debt, save money, reorder priorities, reserve inner conflicts, save the planet, and convert problems into opportunities. Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 a year and facing down \$77,000 in debt, Kumiko Luo worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money isn't the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.
