Your's Truly, Forever! Marriages can be arranged. Can love be arranged too? Yes, love can be arranged, not by people but by destiny. But when destiny tests you, how far can you go in love? When destiny asked Aarav, how far? "Furthest, beyond, and forever," he replied. But is it easy? Aavni, his love, wouldn't recognize him, nor did she recognize the little being she had just birthed. She lived like a stranger with him. He loved her even more, hoping she will recognize him one day. When no medicine can heal, when science fails, love takes over. But, will Aarav's love bring her memory back? If not, will Aarav still love her? How long? Forever? Can love last forever without being loved back?

A look into the feelings, events, and things I've experienced.

Disclaimer 1 (November 2015): I have never met Muhammad Ali and he probably does not know who I am. The contents of this book are, as the title says, purely imaginary - which is not to say fictitious, for Ali and I are real people, and there is no "story" here, only social, political, literary, and cultural criticism and commentary, presented as if it were a conversation between us two. The annotations are all editorial additions. Disclaimer 2 (August 2016): Muhammad Ali died in June 2016 when this book was in the final stages of preparation. I would have liked to send him a copy. Even though I never met him, I miss him, and I hope his life was really as wonderful as I think it was. In his honor, nothing in our imaginary conversation has been changed from before he died. Let us not mourn his death, but celebrate his life, as if he would live forever, at least in the spirit of all that is truly decent and human.

Laughing in the Rain

The perfect laugh out loud romantic comedy

Have you heard from our hero? Have you heard from the hero within you? Has that inner voice ever compelled you to reach for an elusive dream, or did you turn away, and deny that dream as foolishness? What if fantasy and reality converged, and you were given the chance to make a dream come true? How far would you go? How much of yourself would you risk?

'Absolutely brilliant... I devoured it in a few hours because it was impossible to put down... Be prepared for a rollercoaster of emotions... Packed full of laughs... Had me laughing all the way through... Perfect.' Goodreads Reviewer *Is this all there is? I scraped the last dregs of Caramel Chew Chew ice cream out of the bottom of the tub with my finger and licked it. It left a sticky smear on my phone's screen when I typed into Google, "How to find love, sex and happiness." Charlotte has always been a good girl. But being good is getting boring... She's not just stuck in a rut - she's buried in it up to her chin. The only company she has in bed is the back catalogue of Netflix and falling in love feels like the stuff of fairy tales. So when she stumbles across a popular podcast, 'Sorry Not Sorry', which challenges women to embrace their inner bad girl, she jumps at the chance to shake things up. Old Charlotte would never ask for a stranger's number, go on a blind date or buy lacy lingerie... But New Charlotte is waving goodbye to her comfort zone (with a side order of margaritas). And it turns out that good things happen to bad girls... A fabulously feel-good novel that will make you laugh till you cry and leave you living life to the full, margarita in hand! If you're a fan of romantic comedies by Sophie Kinsella, Lindsey Kelk or Matt Dunn, and love TV shows like Girls, Crazy Ex-Girlfriend and Jane the Virgin, you won't be able to put down this hilarious read. Readers are absolutely loving Sorry Not Sorry: 'OMG THIS IS ONE OF THE BEST ROMANCE BOOKS I'VE EVER READ... I literally laughed out loud because it is just too relatable and too funny... Reminds me of Sophie Kinsella... CANNOT wait to read more books from this author!!' Bookish Bibliophile, 5 stars 'I don't know how much my review will do justice to this book with my sleep induced brain, but my excited heart won't allow me to rest until I have posted this. Have you ever felt that particular urge to share your excitement just after reading an amazing novel? Ever experienced that bubbling happiness that won't be subdued?... There is only one thing I can shout at you: READ IT! ... An excellent light read that is hard to put down. It cost me a night's sleep, but that was so worth it. Happy reading everyone!' Goodreads Reviewer, 5 stars 'I am sitting on a bus leaving New York and I couldn't even wait to get in front of my laptop to write a review... This book was THAT. GOOD... I took this book slowly because it was one of those novels you know you'll be sorry to see end. Hell, I even slacked on some finals to read instead of working on my dissertation. I'm not sorry that's for sure ;)... That last minute twist???? I was screaming.' Goodreads Reviewer, 5 stars 'Fantastic... So good I binge read it overnight... There was no way I was putting this book down once I started... The twists and turns kept me hooked... It had me*

laughing out loud, cringing and falling in love with the characters... So so good and you really have to one-click it as soon as you can.' Goodreads Reviewer, 5 Stars *'I adored this book... It made me laugh, crave margaritas... Funny, empowering, and has all the feels.'* Goodreads Reviewer *'The perfect pick-me-up... Delightful... Packed full of laughs... A good old giggle!'* Goodreads Reviewer *'Wonderful!... I have never read any Sophie Randal books but I am now going to be working my way through them. With the suggested margarita in hand, of course!'* Goodreads Reviewer, 5 stars *'I couldn't put it down!'* Goodreads Reviewer *'I devoured this book in one sitting and felt very connected to Charlotte (which is a must-have for me)... I loved this to pieces.'* Goodreads Reviewer, 5 stars *'I really loved this book!... Drew me in and didn't let me go.'* NetGalley Reviewer *'Well what can I say!!... From the moment I started this book I was captured by the characters and their lives... Just when you think you know what is coming next Sophie manages to surprise you with an unexpected twist... I haven't enjoyed a book so much in a very long time.'* NetGalley Reviewer, 5 stars *'I laughed, cried, and laughed some more... HILARIOUS.'* Goodreads Reviewer *'Really loved this book!... Had me hooked!'* Goodreads Reviewer, 5 stars

Yours Truly, Thomas

For three years, Penny Ercanbeck has been opening other people's mail. Dead ends are a reality for clerks at the Dead Letter Office. Still she dreams of something more--a bit of intrigue, a taste of romance, or at least a touch less loneliness. When a letter from a brokenhearted man to his one true love falls into her hands, Penny seizes this chance to do something heroic. It becomes her mission to place this lost letter into the hands of its intended recipient. Thomas left his former life with no intention of ending up in Azure Springs, Iowa. He certainly didn't expect a happy ending after what he had done. All he wanted to do was run and never look back. In a moment of desperation, he began to write, never really expecting a reply. When Penny's undertaking leads her to the intriguing man who touched her soul with his words, everything grows more complicated. She wants to find the rightful owner of the letter and yet she finds herself caring--perhaps too much--for the one who wrote it.

Is it a love triangle if time travel is involved? Jeff Blue made important decisions every day—what clothes to wear, what to eat for breakfast, and what book to teach his high school English class. What he never expected was needing to make a choice between repairing his failing marriage in 1981 or start anew with J0—an unexpected and flawless copy of his wife in 2095. 114 years in the future is nothing like he imagined and waking up there comes with its own list of questions. But while getting back to his time should be at the top of his list, it's hard to resist the new-and-improved version of his wife. J0's a clean slate. A chance to have things just the way he wants, to have things as they were before their daughter's "accident." However, staring at J0 reminds him of the woman he vowed for better or worse, left back in 1981. Armed with a one-way ticket to the moon, it's a race against the clock to seize his last chance to return home to his time. A time without hover cars, Justice Computers, TeleSkins—a time without J0. Is that what he really wants?

Of Greater Value

A Daughter of the Snows: Jack London's First Novel: Jack London: A Daughter of the Snows (1902) is Jack London's first novel

London's first novel introduces the strong, independent, well-educated heroine that would run through much of his work.

Another wild mystery needs to be solved and it's up to the Pumpkin Falls Private Eyes to solve it in this hilarious follow up to the heartwarming middle grade mystery, Absolutely Truly. Even Truly Lovejoy has to admit that teeny-tiny Pumpkin Falls, New Hampshire, has its charms—like the annual maple festival, where tourists flock from all over to sample the local maple syrup, maple candy, maple coffee, and even maple soap! But when someone tries to sabotage the maple trees on her friend Franklin's family farm, Truly has to rally the Pumpkin Falls Private Eyes to investigate. Meanwhile, she uncovers another, more personal mystery under the floorboards of her very own home—a diary written centuries ago by her namesake, the original Truly Lovejoy...and it might just prove her family's ties to Pumpkin Falls run deeper than anyone ever could have imagined.

Early in the century, Marie Dressler was hailed as one of America's finest comics, with a 20-year string of Broadway and vaudeville successes including The Lady Slavey, Miss Prinnt, Higgledy Piggledy, The Man in the Moon, and Tillie's Nightmare. She starred with Charlie Chaplin in the first ever feature-length comedy Tillie's Punctured Romance and later in Min and Bill for which she won an Academy Award. A brilliant comedienne in body, timing, inflection and reactions, her talents far exceeded the expectations of slapstick, and her movies earned sums far greater than those of Garbo, or Harlow, or even Gable. This work examines Dressler's life from vaudeville to talkies. Based on extensive research and interviews with Dressler's surviving friends, co-stars and colleagues, including Maureen O'Sullivan, Jackie Cooper and Anita Page, it details her public and personal successes and failures. A listing of her stage appearances, vocal recordings and films is included.

Do Your Best is the intimate story of a young man, Herbert W. Ridyard, who shares his life lessons—about love, honesty, and dedication—for the benefit of his greater family, friends, historians, and the general populace, but also in memory of those he fought beside and the 430,000 who gave their lives for the US during WWII. The son of immigrants, his lessons started early with a Depression-era childhood. Although Herb was shy and underweight, his mother encouraged him to always do his best. Taught by his first-grade teacher to pay attention, he discovered he had the ability to remember everything his teachers said, which eventually earned him a top-10-percent berth in high school and college. His stint as a Boy Scout patrol leader taught him that serving others was the ultimate way to be fulfilled. From his gang of boyhood pals, Herb learned about inclusiveness, and his Sunday School teacher taught him about spirituality. All this prepared nineteen-year-old Herb Ridyard to face the terrors of war. In basic infantry training his body was strengthened for overseas combat as a Private in General Patton's Third Army during WWII in the fall and bitter winter of 1944-45. Herb was able to do his duty to the best of his ability, while having to live outdoors in the constant presence of danger, fear, anger, and hate. These wartime experiences gave him great confidence in himself. This memoir aims to inspire anyone born with weakness in body and/or spirit to do their best, no matter the circumstances; to understand that a father and mother are the foundation of love, dedication, honesty and morality; to accept guidance from family, friends, teachers, and mentors; to search for their inherent talents and strengths; to never give up; and to find fulfillment by helping others, including one's country while trusting that the Holy Spirit will be with them always.

THE STAKES HAVE NEVER BEEN HIGHER. Lil Marchette, vampire extraordinaire and owner of Manhattan's hottest hook-up service, is an expert at matching up the lonely and desperate (and sometimes dead). And thanks to the popular local reality dating show Manhattan's Most Wanted, Lil has plenty of fresh blood to add to the mix—including the biggest, baddest vampire in the Big Apple. Vinnie Balducci, Brooklyn representative for the Snipers of Otherworldly Beings, is making Lil an offer she can't refuse: find him the perfect woman or she's going to be swimming with the fishes. But Lil may not be the only one taking the plunge. The three hunky demon Prince brothers are poking around Lil's office-hot on the trail of a rogue spirit trying to escape the land down under (not Australia) by possessing some poor, clueless human soul. Then Lil makes a startling discovery: The oblivious human vessel is none other than her loyal assistant, Evie. Between saving Evie from eternal damnation and saving herself from Vinnie's lethal ultimatum, Lil is sure to be in for the most hellish ride of her afterlife. "Lil is a likable mix of Bridget Jones, Carrie Bradshaw and Dracula-charming, sweet, stylish, with just a hint of fang." -Parkersburg News and Sentinel
