explorations: Let go of what no longer serves you by taking stock of what 's holding you back, then create a zentangle butterfly to symbolize you flying away from those limiting things. Embrace and love your inner quirky bird by taking an inventory of your quirky traits, then create a bird that celebrates them. Heal old wounds by writing a letter to yourself as a child, then create a house to keep your inner child safe. Adding rich variety to the messages and art inspiration, some of the project outlines have been contributed by Tamara's guest teachers:

In their own words, the artists share the intentions and inspirations behind their sketching. For some, it is a cherished, everyday habit—a way of wandering through the ideas in their mind, playing around with new subjects, or just having some anything-goes kind of fun. For others, sketching is a deliberate tool for problem-solving—working through a composition, capturing a moment's light or test-driving a color scheme. As you turn the pages you'll be immersed in the creative processes of these individuals, arriving on the other side with a feeling of kinship and a renewed desire to boldly capture life in your own sketchbooks!
